Ralph J. Bunche: Fighter for Peace. [With a Portrait.]. Joseph Alvin KUGELMASS,1952 Ralph J. Bunche, Fighter for Peace Joseph Alvin Kugelmass,1963 **Ralph J. Bunche** J. Alvin Kugelmass,1959 **Ralph J. Bunche, Fighter for Peace**,1962 *Ralph J. Bunche* J. A. Kugelmass,1996 Ralph J. Bunche : Fighter for Peace J. Alvin (Joseph Alvin) Kugelmass,1966 *Jet*,1952-11-13 The weekly source of African American political and entertainment news **Children of the City** David Nasaw,2012-09-18 The turn of the twentieth century was a time of explosive growth for American cities a time of nascent hopes and apparently limitless possibilities In *Children of the City* David Nasaw re creates this period in our social history from the vantage point of the children who grew up then Drawing on hundreds of memoirs autobiographies oral histories and unpublished and until now unexamined primary source materials from cities across the country he provides us with a warm and eloquent portrait of these children their families their daily lives their fears and their dreams Illustrated with 68 photographs from the period many never before published *Children of the City* offers a vibrant portrait of a time when our cities and our grandparents were young **Blacks at Harvard** Werner Sollors,Caldwell Titcomb,Thomas A. Underwood,1993-03 The history of blacks at Harvard mirrors for better or for worse the history of blacks in the United States Harvard too has been indelibly scarred by slavery exclusion segregation and other forms of racist oppression At the same time the nation s oldest university has also at various times stimulated supported or allowed itself to be influenced by the various reform movements that have dramatically changed the nature of race relations across the nation The story of blacks at Harvard is thus inspiring but painful instructive but ambiguous a paradoxical episode in the most vexing controversy of American life the race question The first and only book on its subject *Blacks at Harvard* is distinguished by the rich variety of its sources Included in this documentary history are scholarly overviews poems short stories speeches well known memoirs by the famous previously unpublished memoirs by the lesser known newspaper accounts letters official papers of the university and transcripts of debates Among Harvard s black alumni and alumnae are such illustrious figures as W E B Du Bois Monroe Trotter and Alain Locke Countee Cullen and Sterling Brown both received graduate degrees The editors have collected here writings as diverse as those of Booker T Washington William Hastie Malcolm X and Muriel Snowden to convey the complex ways in which Harvard has affected the thinking of African Americans and the ways in turn in which African Americans have influenced the traditions of Harvard and Radcliffe Notable among the contributors are significant figures in African American letters Phyllis Wheatley William Melvin Kelley Marita Bonner James Alan McPherson and Andrea Lee Equally prominent in the book are some of the nation s leading historians Carter Woodson Rayford Logan John Hope Franklin and Nathan I Huggins A vital sourcebook *Blacks at Harvard* is certain to nourish scholarly inquiry into the social and intellectual history of African Americans at elite national institutions and serves as a telling metaphor of this nation s past

NFB Kids Brian J. Low,2006-01-01 Imagine a society that exists solely in cinema this book explores exactly that Using a

half century of films from the archival collection of the National Film Board NFB Kids Portrayals of Children by the National Film Board of Canada 1939 1989 overcomes a long standing impasse about what films may be credibly said to document Here they document not reality but social images preserved over time the NFB Society an evolving cinematic representation of Canadian families schools and communities During the postwar era this society in cinema underwent a profound change in its child rearing and schooling philosophies embracing modern notions based upon principles espoused by the American mental hygiene movement Soon after the introduction of these psychological principles into NFB homes in 1946 and schools in 1956 there was a subtle transformation in adult child relations which progressively over time narrowed the gulf of power between generations and diminished the socializing roles of the NFB parents and teachers NFB Kids is a pioneering study within a new field of academic research cinema ethnography It adds to the growing body of knowledge about the function and the considerable impact of psychiatry and psychology in the post war social reconstruction of Canadian society and social history It will be of interest to academics over a broad spectrum of disciplines and to anyone thinking about the advancing arbitrary power of the cinematic state *Bulletin* ,1964 *Keep Tab on the Lab* ,1960 **Masterplots II**. Frank Northen Magill,1993 **Jet** ,1952-01-03 The weekly source of African American political and entertainment news [The African American Voice in U.S. Foreign Policy Since World War II](#) Michael L. Krenn,2019-08-08 Following World War II America was witness to two great struggles The first was on the international front and involved the fight for freedom around the globe as millions of people in Asia and Africa rose up to throw off their European colonial masters In the decades following 1945 dozens of new nations joined the ranks of independent countries Following the Civil War the African American voice in U S foreign affairs continued to grow In the late nineteenth century a few African Americans such as Frederick Douglass even served as U S diplomats to the black republics of Liberia and Haiti When America began its overseas thrust during the 1890s African American opinion was divided **Educational Materials Laboratory Report** ,1962 **Negro History and Literature** ,1968 **The 20th Century A-GI** Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography
