Reclaiming San Francisco James Brook, Chris Carlsson, Nancy J. Peters, City Lights Books, 1998 *Reclaiming San Francisco* is an anthology of fresh appraisals of the contrarian spirit of the city a spirit resistant to authority or control The official story of San Francisco is one of progress development and growth But there are other unofficial San Francisco stories often shrouded in myth and in danger of being forgotten and they are told here stories of immigrants and minorities sailors and waterfront workers and poets artists and neighborhood activists along with the stories of speculators land grabbers and the land itself that need to be told differently Contributors include historians geographers poets novelists artists art historians photographers journalists citizen activists an architect and an anthropologist Passionate about the city they want San Francisco to be more itself and less like the city of office towers chain stores theme parks and privatized public services and property that appears to be its immediate fate San Francisco is not alone in being transformed according to the dictates of the global economy But San Franciscans are unusual in their readiness to confront the corporate agenda for their city

Founding the Far West David Alan Johnson, 2023-12-22 *Founding the Far West* is an ambitious and vividly written narrative of the early years of statehood and statesmanship in three pivotal western territories Johnson offers a model example of a new approach to history that is transforming our ideas of how America moved west one that breaks the mold of regional and frontier histories to show why Western history is also American history Johnson explores the conquest immigration and settlement of the first three states of the western region He also investigates the building of local political customs habits and institutions as well as the socioeconomic development of the region While momentous changes marked the Far West in the later nineteenth century distinctive local political cultures persisted These were a legacy of the pre Civil War conquest and settlement of the regions but no less a reflection of the struggles for political definition that took place during constitutional conventions in each of the three states At the center of the book are the men who wrote the original constitutions of these states and shaped distinctive political cultures out of the common materials of antebellum American culture *Founding the Far West* maintains a focus on the individual experience of the constitution writers on their motives and ambitions as pioneers their ideological intentions as authors of constitutions and the successes and failures after statehood of their attempts to give meaning to the constitutions they had produced *Founding the Far West* is an ambitious and vividly written narrative of the early years of statehood and statesmanship in three pivotal western territories Johnson offers a model example of a new approach to history that is transforming our ideas o **Prospector, Cowhand, and Sodbuster**
