

RALSTON'S RING

California Plunders the Comstock Lode

GEORGE D. LYMAN

Author of "The Saga of the Comstock Lode," etc.

In 1864 the Comstock comet was blazing full blast across the Western horizon. Unmindful of her maritime past, San Francisco had become a mining city and had plunged whole-heartedly into a gambling mania, the like of which had never before been known on the coast. With millions of dollars in bullion in sight on Sun Mountain, Californians had thoughts for nothing but the stock market. William Chapman Ralston, factotum of the Bank of California, was the financial wizard of his day, and with his shrewd band of associates — "Ralston's Ring" — came into complete control of the bonanza-producing mountain. Through ruthless enterprise and almost incredible daring Ralston created a financial empire whose center was San Francisco and whose tentacles spread out across the Continent and even into the stock markets of Europe. When the inevitable crash came, its reverberations shook the world.

This story of Ralston and of the men associated with him, of his trials and triumphs — above all, his struggle with Adolph Sutro, whose six-mile tunnel through Sun Mountain threatened Ralston's supremacy — is one of the most thrilling passages in the history of an era now fading into the past. It is great drama in that it portrays the giant conflict between two heroic men, Ralston and Sutro, and it is alive with the color and extravagance of boom days in the growing West Coast metropolis, with all their concomitants and contrasts — the fierce quest for metal underground, beautiful women and gilded ballrooms, fast horses, closed banks, bonanzas and suicides. The factual narrative, which reads like the wildest of adventure fiction, is profusely illustrated from old prints, photographs and maps.

Ralstons Ring The Plundering Of The Comstock Lode

Michael J. Makley

Ralstons Ring The Plundering Of The Comstock Lode:

Trespassers at the Golden Gate Gary Krist,2025-03-11 The sensational forgotten true story of a woman who murdered her married lover in Gilded Age San Francisco and the trial that epitomized the city's transformation from raucous frontier town into modern metropolis from the New York Times bestselling author of *Empire of Sin* Shortly before dusk on November 3 1870 just as the ferryboat *El Capitan* was pulling away from its slip into San Francisco Bay a woman clad in black emerged from the shadows and strode across the crowded deck Reaching under her veil she drew a small pistol and aimed it directly at a well dressed man sitting quietly with his wife and children The woman fired a single bullet into his chest I did it and I don't deny it she said when arrested shortly thereafter He ruined both myself and my daughter Though little remembered today the trial of Laura D Fair for the murder of her lover A P Crittenden made headlines nationwide As bestselling author Gary Krist reveals the operative facts of the case a woman strung along for years by a two timing man killing him in an alleged fit of madness challenged an American populace still searching for moral consensus after the Civil War The trial shone an early and uncomfortable spotlight on social issues like the role of women the sanctity of the family and the range of acceptable expressions of gender while jolting the still adolescent metropolis of 1870s San Francisco a city eager to shed its rough and tumble Gold Rush era reputation *Trespassers at the Golden Gate* brings readers inside the untamed frontier town a place where for a brief period otherwise marginalized communities found unique opportunities Readers meet a secretly wealthy Black housekeeper an enterprising Chinese brothel madam and a French rabble rouser who refused to dress in sufficiently feminine clothing as well as familiar figures like Mark Twain and Susan B Anthony who become swept up in the drama of the Laura Fair affair Krist who previously brought New Orleans to vivid life in *Empire of Sin* and Chicago in *City of Scoundrels* recounts this astonishing story and its surprisingly modern echoes in a rollicking narrative that probes what it all meant both for a nation still scarred by war and for a city eager for the world stage *Old California Houses* Marion Randall Parsons,2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1952 *The Infamous King Of The Comstock* Michael J. Makley,2006-01-09 William Sharon was one of the most colorful scoundrels in the nineteenth century mining West He epitomized the robber barons of the nation's Gilded Age and the political corruption and moral decay for which that period remains notorious yet he was also a visionary capitalist who controlled more than a dozen of the greatest mines on Nevada's mighty Comstock Lode built the Virginia the machinations of rampant Gilded Age capitalism and the sophisticated financial and technological infrastructure that supported Virginia City's boomtown economy *The Infamous King of the Comstock* offers a significant fresh perspective on Nevada and the mining West Imperial San Francisco Gray Brechin,2006-10-03 Imperial San Francisco

provides a myth shattering interpretation of the hidden costs that the growth of San Francisco has exacted on its surrounding regions presenting along the way a revolutionary new theory of urban development Palo Alto Daily News 86 photos

Imperial San Francisco, With a New Preface Gray Brechin,2006-10-03 First published in 1999 this celebrated history of San Francisco traces the exploitation of both local and distant regions by prominent families the Hearsts de Youngs Spreckelses and others who gained power through mining ranching water and energy transportation real estate weapons and the mass media The story uncovered by Gray Brechin is one of greed and ambition on an epic scale Brechin arrives at a new way of understanding urban history as he traces the connections between environment economy and technology and discovers links that led ultimately to the creation of the atomic bomb and the nuclear arms race In a new preface Brechin considers the vulnerability of cities in the post 9 11 twenty first century **Scribner's Magazine** Edward Livermore Burlingame,Robert Bridges,Alfred Sheppard Dashiell,Harlan Logan,1937 **Books in Brief** ,1937 **The Atlantic** ,1937-07 **New York Times Saturday Review of Books and Art** ,1937 **The Richest Place on Earth** Warren Hinckle,Fredric Hobbs,1978 **Imperial San Francisco** Gray A. Brechin,1998 *Arts & Humanities Citation Index* ,1986 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals *Tarnished Legacy* Ellen Hopkins,2001 Discusses the history of the mining days at Comstock [The Comstock Lode](#) John H.
