Ramses III Histoire Dun Regne:

Ramsès III Pierre Grandet,1993 Rameses III, King of Egypt Aidan Dodson,2019-11-19 Master story teller and renowned Egyptologist Aiden Dodson reveals the secrets of Rameses III in this fully illustrated accessible history the first to exclusively cover this last great pharaoh by the author of the bestselling Sethy I Rameses III often dubbed the last great pharaoh lived and ruled during the first half of the twelfth century bc a tumultuous time that saw the almost complete overthrow of established order in the eastern Mediterranean and among Rameses s achievements was the preservation of Egypt as a nation state in the face of external assault However his reign also saw economic challenges and increasing dissatisfaction which culminated in the king s own assassination This richly illustrated book is the latest in a series that aims to provide accounts of key figures in ancient Egyptian history that covers not only their life stories but also their rediscovery and reception in modern times Accordingly it follows the king from his birth to his resurrection through modern research describing the key events of the reign his major monuments and the people and events that led to these becoming once again known to the world **The Trojan War: Chronological, Historical and Archaeological Evidence** Gerard Gertoux,2015 The Trojan War is the foundation of Greek history If Greek historians had little doubt of its existence they remained extremely sceptical regarding its mythological origin Archaeology has confirmed one essential point there was indeed a general conflagration in the Greek world around 1200 BCE the assumed period of that war which caused the disappearance of two powerful empires Mycenaean on one hand and Hittite with its vassals on the other hand The inscriptions of Ramses III s year 8 describe actually a general invasion of the Mediterranean by the Sea Peoples A precise chronological reconstruction shows that there was a confrontation between a Greek heterogeneous confederation consisting of pirates and a set of vassal kingdoms of the Hittite empire such as Troy and Ugarit which ended with their complete mutual destruction in 1185 BCE the climax of the Trojan War This conclusion was already that of Eratosthenes The Oxford History of the Ancient Near East Karen Radner,Nadine Moeller,D.
