

Ranchers Old West

Wenbin Ji

Ranchers Old West:

The Cattle Kings Lewis Atherton, 2019-02-01 The new image of the cattle country that emerges from Atherton's pages is no less romantic than the prior stereotype he writes vividly Chicago Tribune Cowboys gunslingers and superpowered marshals dominate fictionalized accounts of the American West but they were minor figures in the true history of the region In *The Cattle Kings* Lewis Atherton restores the leading role to the cattlemen the genuine adventurers who opened the plains built empires and brought prosperity law and order to the West This classic history of the West tells the true stories of rugged cattlemen like Charles Goodnight Shanghai Pierce the Lang family the Marquis de Mores and Richard King who were attracted by the challenge of the frontier and the astounding economic opportunities it offered Self reliant and progressive these young individualists revolutionized ranching The new industry transformed the West bringing law and order to infamous sin towns like Abilene and Dodge City and leaving an indelible mark on America's national history and character Atherton dramatically recreates the realities and economics of everyday life on the ranches including the role of women attitudes toward education and religion and the philosophy of the cattle region Now with an updated foreword by Western historian Timothy Lehman this new edition of a beloved classic reveals the true heroes of the legendary cattle kingdoms that created the West Containing little glamour and much neglected history this excellent book will appeal to students of the West Old and New and to addicts of history who prefer fact to fireworks it belongs in all comprehensive collections of Western Americana Kirkus Reviews

Life on the Ranch Bobbie Kalman, 1999 Are you ready for some outriding and quirt making Crabtree's new book *Life on the Ranch* takes a look at a large cattle ranch and features the various jobs of the hired hands the rancher's family and the important role played by women

Historic Ranches of the Old West Bill O'Neal, 1997 A number of ranch headquarters still serve their original function others are museums or guest ranches This book offers a visit back to a romantic and fascinating era

The Old West in Fact and Film Jeremy Agnew, 2012-11-15 For many years movie audiences have carried on a love affair with the American West believing Westerns are escapist entertainment of the best kind harkening back to the days of the frontier This work compares the reality of the Old West to its portrayal in movies taking an historical approach to its consideration of the cowboys Indians gunmen lawmen and others who populated the Old West in real life and on the silver screen Starting with the Westerns of the early 1900s it follows the evolution in look style and content as the films matured from short vignettes of good versus bad into modern plots

The Ranchers Time-Life Books, Ogden Tanner, 1977 A beautifully illustrated account of the development of the ranches big and small on the western plains Part of the Time Life series on the Old West

Halff of Texas Patrick Dearen, 2000 Mayer Halff immigrated to Texas as a fourteen year old got his start as a foot peddler and eventually controlled a vast cattle empire Throughout his life he was at ease whether dining with a U A president at a plush metropolitan banquet or squatting across a campfire from a dirt streaked cowboy in some forsaken cow camp One of those cowhands Bob Beverly perhaps best described Halff's spirit He was a

pioneer and always built for the future He was the kind that made this the greatest republic the world has ever known I take my hat off to him and his kind National Geographic the Old West Stephen Garrison Hyslop,2015 From Lewis and Clark s epic 1803 expedition to the showmanship of Buffalo Bill the story of the American West is epic in scope full of amazing tales of tragedy and triumph Illustrated with photographs and maps this book is a history of a time and place that forever lives in legend The Pastures of Beyond Dayton O. Hyde,2005 No one is better suited to convey the flavor of the Old West than this authentic American original At age 13 in the 1930s Hyde ran away from home in Michigan to his uncle s ranch in eastern Oregon Yamsi was one of the last great cattle ranches of the West Soon the boy won the cowboys respect A natural bronco buster he eventually became a rodeo rider bull fighter clown and photographer working all over the West with the likes of Slim Pickens Rex Allen and Mel Lambert After the war he took Yamsi over ensuring its survival in changing times Now half a century later he gives us his valedictory to that last great period of the Old West Full of humor rollicking stories and love of the land he pays homage to the cowboys Indians and great horses who made the West the legend it is From publisher description Ranching and the American West: A History in Documents Susan Nance,2021-09-17 The transformation of the American West is one of the key topics in the study of both US history and global environmental history The role of ranching in the West is also central to the growing field of animal history This volume covers the periods between the early Indigenous acquisition of horses in the eighteenth century to the introduction of Hispanic horsemanship techniques and market cattle in the Old West and finally to the work of twentieth and twenty first century ranching families sustaining their ways of life The documents in this volume reveal not simply the human past but also the distinct histories of cattle horses and the land Readers will explore intersecting themes of capitalism and beef environmental change rural labor and gender and racial politics as debated by westerners themselves as well as the meaning and power of the cowboy myth in American life The introduction incorporates recent scholarship and provides a fresh look at this key topic in American history while informative headnotes and rich annotations help orient the reader within the historical sources Cowboy Days in the Old West Rufe O'Keefe,J M Pollock,2023-10-16 Tales of cattle ranching in Texas after the Civil War There are several first person accounts of cattle ranching in the south western states of America that deserve re publication This special Leonaur edition includes two of them The first is particularly noteworthy because it does not feature experiences of a Texan but of an Englishman a former soldier of the British Army who in the early 1880 s decided to discover what Dame Fortune had in store for him in the Western Hemisphere His travels eventually brought him to Northern Texas where he began his ranching career as the most complete greenhorn Pollock s inexperience only serves to enhance the fullness of detail in his narrative since everything was new for him How invaluable this perspective is now these days are forever lost in the past Pollock describes the colour of life on the prairie the harsh weather that brought hurricanes and blizzards cattle drives and stampedes and many other aspects of western life Rufe O Keefe s account of the post Civil War West by contrast tells of a young man of 17

years from Alabama who arrived in Texas in 1874 to become a ranch hand O Keefe's is an intimate account of hard work round ups branding and herd driving as he progressed to become a ranch manager and eventually the owner of his own cattle business

The Chronicles of the Old West - 4 Historical Books Exploring the Wild Past of the American West Emerson Hough, 2024-01-15 In *The Chronicles of the Old West* Emerson Hough invites readers into a vividly rendered tapestry of the American frontier exploring its triumphs tribulations and myths through four interconnected historical narratives Hough employs a rich descriptive literary style that reflects the ruggedness of the landscape and the indomitable spirit of its inhabitants weaving together personal stories with broader historical contexts The book captures the essence of the Wild West filled with cowboys outlaws and pioneers while maintaining a critical perspective on the complexities of American expansionism and cultural conflict of the time Emerson Hough a prominent American author and journalist of the early 20th century was deeply influenced by his experiences as a young man in the West which informed his understanding of its societal dynamics and struggles His extensive travels and firsthand observations provided him with a wealth of material to draw from as he sought to convey both the romance and the harsh realities of frontier life Hough's dedication to historical accuracy and nuanced storytelling reflects a commitment to preserving the legacy of this vital chapter in American history This compelling collection is not only an essential reading for enthusiasts of Western literature but also for anyone seeking to understand the roots of American identity Hough's masterful storytelling combined with rich historical detail makes *The Chronicles of the Old West* a vital contribution to the literature of the American experience inviting readers to engage with the complexities of a bygone era

Son of the Old West Nathan Ward, 2023-09-05 An epic narrative of the Old West told through the vivid outsized life of cowboy detective and chronicler Charlie Siringo No figure in the Old West lived or shaped its history more fully than Charlie Siringo as Nathan Ward reveals in his colorful portrait of this epic era and one of its primary protagonists Born in Matagorda Texas in 1855 Charlie went on his first cattle drive at age twelve and spent two decades living his boyhood dream as a cowboy As the dangerous lucrative beefs business boomed Siringo drove longhorn steers north to the burgeoning Midwest Plains states cattle and railroad towns inevitably crossing paths with such legendary figures as Billy the Kid Bat Masterson and Shanghai Pierce In his early thirties he joined the Pinkerton Detective Agency's Denver office using a variety of aliases to investigate violent labor disputes and infiltrate outlaw gangs such as Butch Cassidy's train robbing Wild Bunch As brave as he was clever he was often saved by his cowboy training as he traveled to places the law had not yet reached Siringo's bestselling landmark 1885 autobiography *A Texas Cowboy* helped make the lowly cowboy a heroic symbol of the American West His later memoir *A Cowboy Detective* influenced early hard boiled crime novelists for whom the detective story was really the cowboy story in an urban setting Sadly sued into debt by the Pinkertons determined to prevent their sources and methods from being revealed Siringo eventually sold his beloved New Mexico ranch and moved to Los Angeles where he advised Hollywood filmmakers and especially actor William S Hart on their early 1920s Westerns

watching the frontier history he had known first hand turned into romantic legend on the screen In old age Charlie Siringo was called Ulysses of the Wild West for the long journey he took across the western frontier Son of the Old West brings him and his legendary world vividly to life Fodor's Old West Eugene Fodor,1976 The Cowboy Encyclopedia Richard W. Slatta,1996 Over 450 entries provide information on cowboy history culture and myth of both North and South America

The Battle for Yellowstone Justin Farrell,2017-02-28 Yellowstone holds a special place in America s heart As the world s first national park it is globally recognized as the crown jewel of modern environmental preservation But the park and its surrounding regions have recently become a lightning rod for environmental conflict plagued by intense and intractable political struggles among the federal government National Park Service environmentalists industry local residents and elected officials The Battle for Yellowstone asks why it is that with the flood of expert scientific economic and legal efforts to resolve disagreements over Yellowstone there is no improvement Why do even seemingly minor issues erupt into impassioned disputes What can Yellowstone teach us about the worsening environmental conflicts worldwide Justin Farrell argues that the battle for Yellowstone has deep moral cultural and spiritual roots that until now have been obscured by the supposedly rational and technical nature of the conflict Tracing in unprecedented detail the moral causes and consequences of large scale social change in the American West he describes how a new west social order has emerged that has devalued traditional American beliefs about manifest destiny and rugged individualism and how morality and spirituality have influenced the most polarizing and techno centric conflicts in Yellowstone s history This groundbreaking book shows how the unprecedented conflict over Yellowstone is not all about science law or economic interests but more surprisingly is about cultural upheaval and the construction of new moral and spiritual boundaries in the American West Famous Firearms of the Old West Hal Herring,2011-09-01 From Buffalo Bill to Wild Bill and from Chief Joseph to Geronimo the most famous guns in the West and the history behind them More than a few of the actual guns once in the hands of the heroes and villains of America s Old West still exist housed in a dozen museums across the country from the Model 1866 44 40 that Chief Joseph famously surrendered to General Miles to Wild Bill Hickok s Colt Model 1851 revolvers from Buffalo Bill s 50 caliber breechloading needlegun nicknamed Lucrezia Borgia to John Wesley Hardin s 1860 model 44 SA revolvers Famous Firearms of the Old West follows the life stories of a dozen actual pistols rifles and shotguns instrumental in shaping America s history using them as entr es into the lives of the shooters themselves This is a vivid portrait of famous Western characters paired with the guns they used to make themselves famous or as the case may be infamous It is a must for anyone interested in the history and lore of the Wild West gun hobbyists and tourists seeking a museum experience with a difference **The Look of the Old West** William Foster-Harris,2007-04-17 This volume containing hundreds of illustrations brings to life the American of the mid to late 1800s Contained inside are line drawings and description of weaponry of the time military and civilian clothing styles steamboats and other forms of transportation equestrian styles household items and much more **The**

Passing of the Old West Hal George Evarts,1921

Abolitionists, Doctors, Ranchers, and Writers Lynne Marie

Getz,2017-09-22 Nearly 250 years after ninety five year old Elder Thomas Faunce got caught up in the mythmaking around Plymouth Rock his great great great great great granddaughter Hilda Faunce Wetherill died in Pacific Grove California leaving behind a cache of letters and family papers The remarkable story they told prompted historian Lynne Marie Getz to search out related collections and archives and from these to assemble a family chronology documenting three generations of American life Abolitionists Doctors Ranchers and Writers tells of zealous abolitionists and free state campaigners aiding and abetting John Brown in Bleeding Kansas of a Civil War soldier serving as a provost marshal in an occupied Arkansas town of young women who became doctors in rural Texas and New York City in the late nineteenth century of a homesteader and businessman among settler colonists in Colorado and of sisters who married into the Wetherill family known for their discovery of Ancient Pueblo sites at Mesa Verde and elsewhere who catered to a taste for Western myths with a trading post on a Navajo reservation and a guest ranch for tourists on the upper Rio Grande Whether they tell of dabbling in antebellum reforms like spiritualism vegetarianism and water cures building schools for free blacks in Ohio or championing Indian rights in the West serving in the US Army or confronting the struggles of early women doctors and educators these letters reveal the sweep of American history on an intimate scale as it was lived and felt and described by individuals their family story reflects the richness and complexity of the genealogy of the nation Extension Review ,1981

As recognized, adventure as competently as experience just about lesson, amusement, as well as conformity can be gotten by just checking out a books **Ranchers Old West** plus it is not directly done, you could put up with even more on this life, on the subject of the world.

We allow you this proper as capably as simple pretension to acquire those all. We allow Ranchers Old West and numerous book collections from fictions to scientific research in any way. along with them is this Ranchers Old West that can be your partner.
