The Texas Rangers Mike Cox,2024-05-01 A lively enlightening history of one of the oldest most esteemed law enforcement agencies in America Booklist Starting in 1821 with just a handful of men the Rangers first purpose was to keep settlers safe from the feared and gruesome Karankawa Indians a cannibalistic tribe that wandered the Texas territory As the influx of settlers grew the attacks increased and it became clear that a much larger better trained force was necessary From their tumultuous beginning to their decades of fighting outlaws Comanche Mexican soldados and banditos as well as Union soldiers the Texas Rangers became one of the fiercest law enforcement groups in America In a land as spread out and sparsely populated as the west itself the Rangers had unique law enforcement responsibilities and challenges The story of the Texas Rangers is as controversial as it is heroic Often accused of vigilante style racism and murder they enforced the law with a heavy hand But above all they were perhaps the defining force for the stabilization and the creation of Texas From Stephen Austin in the early days through the Civil War the first eighty years of the Texas Rangers is nothing less than phenomenal setting the foundation for the Texas Rangers that keep Texas safe today Richly detailed This modern masterpiece does full justice to both the reality and the myth of the Texas Rangers a great organization of which I was honored to be a part for 27 years Joaquin Jackson Texas Ranger Ret author of One Ranger A Memoir **Sessional Papers** Ontario,1915 **The Canadian Rangers** P. Whitney Lackenbauer,2013-05-01 The Canadian Rangers stand sentinel in the farthest reaches of our country For more than six decades this dedicated group of citizen soldiers has quietly served as Canada s eyes ears and voice in isolated coastal and northern communities from coast to coast to coast How does this minimally trained and lightly equipped force make a meaningful contribution to national defence and to building sustainable communities One of Canada s leading experts on northern issues answers this question using official records extensive interviews and on the ground participation in Ranger exercises In this meticulously researched history Lackenbauer reveals why the Rangers have evolved into a flexible inexpensive and culturally inclusive way to promote sovereignty security safety and stewardship This unique organization reflects a successful partnership between the modern state and residents of remote communities a partnership rooted in local knowledge and crosscultural understanding Time of the Rangers Mike Cox,2025-09-23 The second installment of a no holds barred look at the history of the famed Texas Rangers from western author Mike Cox Following up on his magnificent history of the 19th century Texas Rangers Mike Cox now takes us from 1900 through the present From horseback to helicopters from the frontier cattle days through the crime ridden boom or bust oil field era from Prohibition to World War II espionage to the violent ethnic turbulence of the 50s and 60s which sometimes

led to demands that the Texas Rangers be disbanded Cox takes readers through the modern history of the famed Texas lawmen Cox's position as a spokesperson for the Texas department of Public Safety allowed him to comb the archives and conduct extensive personal interviews to give us this remarkable account of how a tough group of horse borne lawmen too prone to hand out roadside justice critics complained to one of the world's premier investigative agencies respected and admired worldwide At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Ranger Raid Phillip Thomas Tucker, 2021-06-01 A figure of legendary almost mythic proportions Robert Rogers is widely considered the father of U S Army Rangers He gained his fame during the French and Indian War fighting in the American and Canadian wilderness for the British colonies and the English Empire against the French and Indians but a decade later during the Revolution he was almost a man without a country During the American Revolution George Washington didn't trust him indeed he had Rogers arrested in 1776 nor did the British who desperate gave him a command anyway and Rogers was pivotal in arresting and executing American spy Nathan Hale However Rogers saga begins in the French and Indian War in what was a true American Odyssey Ranger Raid digs deep into Rogers most controversial battle the raid on St Francis in Canada during the French and Indian War On October 4 1759 Rogers and 140 Rangers raided the Native American town of St Francis Canada as part of British general Jeffery Amherst's plan to gain intelligence in the St Lawrence region At the time and for many decades thereafter this was seen as a great victory but now it seems like more of a massacre Phillip Thomas Tucker refreshes this story combining the biography of Robert Rogers the history of his Rangers and the history of the native peoples in this region to tell a new story of the St Francis raid and its influence in the French and Indian War the Revolutionary War and ever after
