The Making of Romantic Love William M. Reddy, 2024-05-31 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In *The Making of Romantic Love Longing and Sexuality in Europe South Asia and Japan* William M Reddy illuminates the birth of a cultural movement that managed to regulate selfish desire and

render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire

Criticism Register ,1991 **Research Methods and Statistics** Janie H. Wilson,Shauna W. Joye,2016-07-21 This innovative text offers a completely integrated approach to teaching research methods and statistics by presenting a research question accompanied by the appropriate methods and statistical procedures needed to address it Research questions and designs become more complex as chapters progress building on simpler questions to reinforce student learning Using a conversational style and research examples from published works this comprehensive book walks readers through the entire research process and includes ample pedagogical support for SPSS Excel and APA style Cyberbullying in Schools, Workplaces, and Romantic Relationships Gary W. Giumetti,Robin M. Kowalski,2019-03-13 This volume brings together research on cyberbullying across contexts age groups and cultures to gain a fuller perspective of the prevalence and impact of electronic mistreatment on individual group and organizational outcomes This is the first book to integrate research on cyberbullying across three contexts schools workplaces and romantic relationships providing a unique synthesis of lifespan contexts For each context the expert chapter authors bring together three different lenses existing research on the predictors and outcomes of cyberbullying within that context a cross cultural review across national borders and cultural boundaries and a developmental perspective that examines age related differences in cyberbullying within that context The book closes by drawing commonalities across these different contexts leading to a richer understanding of cyberbullying as a whole and some possible avenues for future research and practice This is fascinating reading for researchers and upper level students in social psychology counseling school psychology industrial organizational psychology and developmental psychology as well as educators and administrators Adolescent Romantic Relationships as Precursors of Healthy Adult Marriages Benjamin R. Karney,2007 Policymakers are interested in promoting healthy marriages in adulthood by providing services to strengthen the adolescent precursors of healthy marriage especially within low income populations But if programs and curricula targeting adolescent romantic relationships are to be effective they must be grounded in an accurate understanding of how adolescent relationships function and the role that they play in the development of healthy adult marriages This report evaluates the current landscape of theory research and interventions addressing the role of adolescent romantic relationships in the development of healthy adult marriages Drawing on a thorough review of the existing theoretical and empirical literature in this area as well as interviews with practitioners directly involved with developing or administering relationship education to adolescents the authors bring together relevant research and theory from a wide range of disciplines that have examined these issues and suggest future directions for research and intervention In particular they note that although research describing romantic relationships in low income populations is sparse there are already existing nationally representative data sets that include data from substantial numbers of well sampled low income adolescents Analyses of these data would have relatively low cost and a potentially high yield for informing policies that target low income youth **The Social Psychology of Attraction and Romantic Relationships** Madeleine A.

Fugère, Jennifer P. Leszczynski, Alita J. Cousins, 2017-09-16 Why are we attracted to some people and not to others Are first impressions accurate Why do some romantic relationships succeed while others fail Are our romantic choices influenced by evolution In tackling questions like these *The Social Psychology of Attraction and Romantic Relationships* reviews the theory and research behind this fascinating area It combines real life anecdotes and popular media examples with the latest psychological studies making it a lively and engaging read Ideal for students of social psychology and intimate relationships courses this is a comprehensive introduction to an everyday subject that on closer investigation proves to be a dynamic intriguing and sometimes surprising area Lessons of Romanticism Thomas Pfau, Robert F. Gleckner, 1998 Explores how the Romantic period gave birth to a seductive cognitive cultural program that retains far reaching implications for contemporary views on individuality and relationships between the individual and larger groups of identification Established
