Rank And Rivalry The Politics Of Inequality In Rural West Bengal:

Rank and Rivalry Marvin Davis, 1983 Rank and Rivalry Marvin G. Davis, 1983-03-10 Anthropological enquiry is best done by attending equally to both social and cultural material This is the view propounded here by Marvin Davis who uses such an holistic approach to develop an original perspective on hierarchy and politics in rural Bengal In the first part of the book Professor Davis describes the indigenous theory of rank held by Hindus in rural West Bengal and shows that the premise of inequality is a central organising principle of their entire society and cosmos In the second part he shows that the Bengali preoccupation with rank generates frequent political rivalries at each level of rural social organisation His book will interest all anthropologists and other social scientists concerned with the social and political organization of rural India In addition his explication of the links between ideology and social structure often viewed in isolation from each other makes the book an important contribution to anthropological theory and method **Labour Mobility and Rural Society** Arjan de Haan, Ben Rogaly, 2015-12-22 Comprising seven edited pieces of detailed empirical work drawn from recent research this title reveals the dynamics behind the movements of poor people in South and South East Asia and Africa *The Egalitarian Moment* D. A. Low, 1996 An account of the unsuccessful attempts in Asia and Africa to create egalitarian rural societies

Alternatives in Development Liyiyu, Abhijit Dasgupta, 2021-10-22 This book deals with the dynamics of local level politics in China and India China introduced new policies to restructure local politics in 1978 In place of communes civil society organizations and cooperatives were introduced in villages More changes came about with the introduction of the Organic Law of the Villagers Committees of the People's Republic of China in 1998 The new local power structure includes state sponsored institutions like Villagers Committees and the traditional civil society organizations CSOs and non government organizations NGOs As in China local politics in India undergoes considerable changes during the last few decades Panchayati Raj Institutions PRIs were reformed in 1992 with a constitutional amendment act CSOs and NGOs were allowed to function Against this background the present book is undertaken with the objectives first to present two different models of local politics and second to compare the two finally to focus on the two different models of development This book will interest scholars of rural governance rural transformation and the role of the grassroots CSOs and NGOs in shaping development program and growth in the two large countries in Asia **The State and the Poor** John Echeverri-Gent, 2023-12-22 This comparison of rural development in India and the United States develops important departures from economic and historical institutionalism It elaborates a new conceptual framework for analyzing state society relations beginning from the premise that policy implementation as the site of tangible exchanges between state and society provides strategic interaction among self interested individuals social groups and bureaucracies It demonstrates how this interaction can be harnessed to enhance the effectiveness of public policy Echeverri Gent's application of this framework to poverty alleviation programs generates provocative insights about the ways in which institutions and social structure

constrain policy makers In the process he illuminates new implications for the concepts of state autonomy and state capacity The book s original conceptual framework and intriguing findings will interest scholars of South Asia and American politics social theorists and policy makers This comparison of rural development in India and the United States develops important departures from economic and historical institutionalism It elaborates a new conceptual framework for analyzing state society relations beginning from the premise that

Caste Matters in Public Policy Rahul Choramudi, Sony Pellissery, N. Jayaram, 2022-08-19 Caste in India despite its historical resilience has been undergoing transformation since independence If caste as a system of rigid stratification has been on the decline castes as autonomous interest serving groups have been on ascendance This book critically engages with the changing notions of caste and its intersection with public policy in India It discusses key issues such as social security internal reservation the idea of Most Backward Classes caste issues among non Hindu religious communities caste in census caste in market and service castes and urban planning Drawing on in depth case studies from states including Andhra Pradesh Delhi Karnataka Punjab Tamil Nadu Telangana and West Bengal the volume explores the cyclical process of how caste drives policies and how policies in turn shape the reality of caste in India It looks at the impact of factors like protective discrimination adult franchise and democratic decentralisation horizontal and vertical mobilisation land reforms and religious conversion on social mobility and traditional hierarchy in India Empirically rich and analytically rigorous this book will be an excellent reference for scholars and researchers of public policy public administration sociology exclusion studies social work law history economics political science development studies social anthropology and political sociology It will also be of interest to public policy and development practitioners

Gender and Migration Caroline Sweetman, 1998-01-01 The articles in this collection explore the vast array of different reasons for women and men moving within and outside their native countries whether it be for employment upon marriage or in the midst of conflict The authors who include Uma Kothari and Emma Crewe Ben Rogaly and Alex Jones stress the importance of seeing an individual migrant in her or his context as a member of a social network spanning different locations Understanding these links means that migration can be seen as part of a wider strategy for making a living

The Micro-politics of Microcredit Mohammad Jasim Uddin, 2015-05-01 Microcredit has been seen in recent decades as having great potential for aiding development in poor developing countries with Bangladesh being one of the countries which has pioneered microcredit and implemented it most widely This book based on extensive original research explores how microcredit works in practice and assesses its effectiveness It discusses how microcredit usually channelled through women is often passed to the men of the family a practice disapproved of by some but regarded as acceptable by borrowers who have a communal approach to debt rather than viewing debt as something held by single individuals The book demonstrates how the rules around microcredit are often seen as irksome by the borrowers how lenders often charge high rates of interest and work primarily to preserve their institutions thereby going against the spirit of the microcredit movement and how borrowers often

end up on a downward spiral deeper and deeper in debt Overall the book argues that although microcredit does much good it also has many drawbacks

Two Faces of Protest Amrita Basu, 2023-11-15 Drawing on case studies of the Communist Party of India Marxist in West Bengal and Shramik Sangathana in Maharashtra this ground breaking new work examines Indian women s political activism Investigating institutional change at the state level and protest at the village level Amrita Basu traces the paths of two kinds of political activism among these women With insights gleaned from extensive interviews with activists government officials and ordinary men and women she finds that militancy has been fueled by pronounced sexual and class cleavages combined with potentially rancorous ethnic division Thorough in its fieldwork incisive in its political analysis Two Faces of Protest offers a richly textured and sensitive view of women s political activism in the Third World This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1992

The Institutional Approach to Labour and Development Klára Fóti, Gerry Rodgers, Laurids Lauridsen, 2005-06-28 Bringing together the work of economists and sociologists this collection analyses how social institutions contribute to an understanding of development

The Modern Anthropology of India Peter Berger, Frank Heidemann, 2013-06-03 The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947 It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India and which possibly gained a pan Indian or even trans Indian significance Structured according to the states of the Indian union contributors raise several key questions including What themes were ethnographers interested in What are the significant ethnographic contributions How are peoples communities and cultural areas represented How has the ethnographic research in the area developed Filling a significant gap in the literature the book is an invaluable resource to students and researchers in the field of Indian anthropology ethnography regional anthropology and postcolonial studies It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India

Marginalised Groups in India Kunal Debnath, Souvik Chatterjee, 2024-11-18 This book intersects marginality politics and policies by focusing on the narratives of selective marginalised groups within India Encouraging inclusive government policies that consider the diverse identities of individuals and groups within India this book is a systematic documentation of the lived experiences of various marginalised collectives such as the Naths of Bengal the De notified Tribes of Maharashtra the Kukis of Manipur and the beggars The chapters use historiography as a method to understand narratives of marginality in India illuminating how power imbalances in Indian society lead to the marginalisation of specific groups

depriving them of fundamental rights and opportunities while others enjoy privileges The political analysis of this edited volume introspects the political dynamics that perpetuate marginalisation It details the aspirations of various marginal groups in evolving and changing socio political circumstances This book offers a deeper understanding of the intricate issues faced by marginalised groups It will be of interest to students academicians and researchers in South Asian Studies

Subaltern Studies Political Science Sociology Social History and Migration Refugee Studies **From Popular Movements to Rebellion** Ranabir Samaddar, 2018-11-21 From Popular Movements to Rebellion The Naxalite Decade argues that without an understanding of the popular sources of the rebellion of that time the age of the Naxalite revolt will remain beyond our understanding Many of the chapters of the book bring out for the first time unknown peasant heroes and heroines of that era analyses the nature of the urban revolt and shows how the urban revolt of that time anticipated street protests and occupy movements that were to shake the world forty fifty years later This is a moving and poignant book Some of the essays are deeply reflective about why the movement failed and was at the end alienated Ranabir Samaddar says that the Naxalite Movement has been denied a history The book also carries six powerful short stories written during the Naxalite Decade and which are palpably true to life of the times The book has some rare photographs and ends with newspaper clippings from the period As a study of rebellious politics in post Independent India this volume with its focus on West Bengal and Bihar will stand out as an exceptional history of contemporary times From Popular Movements to Rebellion The Naxalite Decade will be of enormous relevance to students and scholars of history politics sociology and culture and journalists and political and social activists at large Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *Caste, Marginalisation, and Resistance* Kunal Debnath, 2023-11-13 The identity politics of the householder Naths Yogis on the one hand is one of the oldest and most persistent identity assertions in Bengal and Assam On the other for an array of reasons the identity assertion of the householder Naths of Bengal and Assam has failed to draw academic curiosity so far Since the late nineteenth century a segment of the Naths largely educated and elite has been crafting their identity as Brahman grounded on their origin myth negotiating with the British colonial administration through different census enumerations as well as internal social reforms One of the primary reasons for their current lagging is that the Naths never politicised their identity and demands and did not mobilise themselves in the democratic political arena

The Untouchable as Himself Ravindra S. Khare, 1984 This book is a study of the new frame of mind of the Indian Untouchable **Negotiating Adolescence in Rural Bangladesh** Nicoletta Del Franco, 2014-03-11 The book interrogates the experience of being young and becoming adult in rural Bangladesh in a context of profound processes of socio economic change Throughout South Asia new educational opportunities and an increase in the age at which girls and boys get married are opening new spaces for young people to live the passage to adulthood This book documents and describes the everyday reality of this changing gendered transition for young people in a rural area of South West Bangladesh It focuses on three

main areas that are central to young people's experience those of college and student life friendships and relationships with those of the same sex and across sexes and marriage and the issues involved in the choice of a marriage partner Published by Zubaan
