Rape On Trial How The Mass Media Construct Legal Reform And Social Change:

Rape on Trial Lisa M. Cuklanz, 1996 Rape on Trial provides insight into the different roles news coverage and fictionalized texts play in adjudicating between traditional views of rape and those advanced by advocates of rape law reform

Sexual Violence on Trial Rachel Killean, Eithne Dowds, Anne-Marie McAlinden, 2021-02-28 Sexual Violence on Trial provides a contemporary critical examination of the investigation prosecution and cultural contexts of sexual violence It draws on Northern Ireland as a case study while also drawing on experiences from other jurisdictions across the United Kingdom and island of Ireland Public and academic debates concerning the high profile Belfast Rugby Rape Trial and the subsequent Gillen review of the arrangements to deliver justice in serious sexual offence cases have been mirrored at a global level with movements such as MeToo and TimesUp This book brings together the perspectives of practitioners and academics to discuss contemporary challenges surrounding the societal and legal framing of sexual violence It examines key aspects of the criminal justice process including the challenges of supporting victims of responding to a range of forms of sexual violence such as rape peer abuse intimate partner violence and forced to penetrate cases as well as alternative perspectives and future reforms It also considers broader debates including balancing the interests of victims and defendants the impact of cultural myths and stereotypes the challenges of the digital age models of consent legal representation for victims and anonymity and publicity surrounding trials Written by leading authorities in the field Sexual Violence on Trial will be of great interest to students and scholars of Criminology Law and Sociology

Crimes of the Centuries Steven Chermak Ph.D., Frankie Y. Bailey, 2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson

Domestic Abuse and Sexual Assault in Popular Culture Laura L. Finley, 2016-04-18 Using historical and current examples from film television literature advertisements and music this book reveals the ways that rape and abuse are typically presented and misrepresented and evaluates the impact of these depictions on consumers Incidences of domestic abuse and sexual assault

aren't only commonplace nationwide and the source of a shockingly large number of serious injuries and deaths they're also problems that are often subject to myths and misleading depictions in popular culture and media. The author of this important book seeks to shed light on the situation by examining the specific issues related to domestic violence and sexual assault from the scope and extent of the problem to victim and offender characteristics and from common misconceptions to societal, cultural and judicial responses and prevention efforts. Each chapter discusses movies, music, literature and other forms of popular culture that address issues of domestic abuse and sexual assault, identifying both accurate depictions and problematic examples. The final section of the book addresses how our culture responds to and attempts to prevent domestic abuse and sexual assault, covering depictions of police response to these kinds of crimes in popular culture, how the justice system handles these cases and individual and community efforts to curb domestic abuse and sexual assault. A compendium of films, documentaries, popular books and song lyrics featuring domestic abuse and sexual assault enables readers to easily investigate the subject further.

Groundwork for the Practice of the Good Life Omedi Ochieng, 2016-10-14

What makes for good societies and good lives in a global world? In this landmark work of political and ethical philosophy, Omedi Ochieng offers a radical reassessment of a millennia-old question. He does so by offering a stringent critique of both North Atlantic and African philosophical traditions, which he argues unfold visions of the good life that are characterized by idealism, moralism and parochialism. But rather than simply opposing these flawed visions of the good life with his own set of alternative prescriptions, Ochieng argues that it is critically important to step back and understand the stakes of the question. Those stakes, he suggests, are to be found only through a social ontology, a comprehensive and in-depth account of the political, economic and cultural structures that mark the boundaries and limits of life in the twenty-first century. It is only in light of this social ontology that Ochieng then proffers an alternative normative account of the good society and the good life, which he spells out as emergent from ecological embeddedness, social entanglement, embodied encounter and aesthetic engenderment. At once sweeping and rigorous, incisive and subtle, original and revisionary, this book does more than just appeal to intellectuals and scholars across the humanities and social sciences; rather, it opens up the academic disciplines to a whole new landscape of exploration into the biggest and most pressing questions animating the human experience.

Postfeminist War Mary Douglas Vavrus, 2018-12-10

By examining news and documentary media produced since September 11, 2001, Vavrus demonstrates that news narratives that include women use feminism selectively in gender equality narratives. She ultimately asserts that such reporting advances post-feminism, which in tandem with banal militarism subtly pushes military solutions for an array of problems women and girls face.

Sexual Generations Robin Roberts, 1999

Boldly going where no one has gone before, Robin Roberts forges intriguing links between feminist politics and theory and the second Star Trek series, *Star Trek: The Next Generation*. This lively discussion shows how science fiction's ability to make the familiar strange allows *Star Trek* to expose and comment on entrenched attitudes toward gender roles and feminist

issues By having aliens or sexually neutral beings enact female dominance or passivity experience pregnancy or maternity or suffer rape or abortion Star Trek provides viewers with a new perspective on these experiences and an antidote to explicit and implicit cultural biases Roberts maintains that the relevance of Star Trek The Next Generation to feminist issues accounts as no other factor can for the program s huge following of female fans The incisive and innovative readings in Sexual Generations provide food for thought about how the final frontier can clarify pressing questions of our own space and time **Watching Women's Liberation, 1970** Bonnie J. Dow, 2014-10-30 In 1970 ABC CBS and NBC the Big Three of the pre cable television era discovered the feminist movement From the famed sit in at Ladies Home Journal to multi part feature stories on the movement s ideas and leaders nightly news broadcasts covered feminism more than in any year before or since bringing women s liberation into American homes In Watching Women s Liberation 1970 Feminism s Pivotal Year on the Network News Bonnie J Dow uses case studies of key media events to delve into the ways national TV news mediated the emergence of feminism s second wave First legitimized as a big story by print media the feminist movement gained broadcast attention as the networks eagerness to get in on the action was accompanied by feminists efforts to use national media for their own purposes Dow chronicles the conditions that precipitated feminism s new visibility and analyzes the verbal and visual strategies of broadcast news discourses that tried to make sense of the movement Groundbreaking and packed with detail Watching Women s Liberation 1970 shows how feminism went mainstream and what it gained and lost on the way

Gender, Pleasure, and Violence Agnieszka Kościańska, 2021-01-01 Behind the Iron Curtain the politics of sexuality and gender were in many ways more progressive than the West While Polish citizens undoubtedly suffered under the oppressive totalitarianism of socialism abortion was legal clear laws protected victims of rape and it was relatively easy to legally change one s gender In Gender Pleasure and Violence Agnieszka Kościańska reveals that sexologists experts such as physicians therapists and educators not only treated patients but also held sex education classes at school published regular columns in the press and authored highly popular sex manuals that sold millions of copies Yet strict gender roles within the home meant that true equality was never fully within reach Drawing on interviews participant observation and archival work Kościańska shares how professions like sexologists defined the notions of sexual pleasure and sexual violence under these sweeping cultural changes By tracing the study of sexual human behavior as it was developed and professionalized in Poland since the 1960s Gender Pleasure and Violence explores how the collapse of socialism brought both restrictions in gender rights and new opportunities Gendered Asylum Sara L McKinnon, 2016-09-01 Women filing gender based asylum claims long faced skepticism and outright rejection within the United States immigration system Despite erratic progress the United States still fails to recognize gender as an established category for experiencing persecution Gender exists in a sort of limbo segregated from other aspects of identity and experience Sara L McKinnon exposes racialized rhetorics of violence in politics and charts the development of gender as a category in American asylum law Starting with the late 1980s when gender based requests

first emerged in case law McKinnon analyzes gender and sexuality related cases against the backdrop of national and transnational politics Her focus falls on cases as diverse as Guatemalan and Salvadoran women sexually abused during the Dirty Wars and transgender asylum seekers from around the world fleeing brutally violent situations She reviews the claims evidence testimony and message strategies that unfolded in these legal arguments and decisions and illuminates how legal decisions turned gender into a political construct vulnerable to American national and global interests She also explores myriad related aspects of the process including how subjects are racialized and the effects of that racialization and the consequences of policies that position gender as a signifier for women via normative assumptions about sex and heterosexuality Wide ranging and rich with human detail Gendered Asylum uses feminist immigration and legal studies to engage one of the hotly debated issues of our time

Environmental Risks and the Media Barbara Adam, Stuart Allan, Cynthia Carter, 2013-01-11 *Environmental Risks and the Media* explores the ways in which environmental risks threats and hazards are represented transformed and contested by the media At a time when popular conceptions of the environment as a stable natural world with which humanity interferes are being increasingly contested the medias methods of encouraging audiences to think about environmental risks from the BSE or mad cow crisis to global climate change are becoming more and more controversial Examining large scale disasters as well as everyday hazards the contributors consider the tensions between entertainment and information in media coverage of the environment How do the media frame expert counter expert and lay public definitions of environmental risk What role do environmental pressure groups like Greenpeace or eco warriors and green guerrillas play in shaping what gets covered and how Does the media emphasis on spectacular events at the expense of issue sensitive reporting exacerbate the public tendency to overestimate sudden and violent risks and underestimate chronic long term ones

Communication Yearbook 24 William Gudykunst, 2012-03-22 The Communication Yearbook annuals publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Sponsored by the International Communication Association each volume provides a forum for the exchange of interdisciplinary and internationally diverse scholarship relating to communication in its many forms This volume re issues the yearbook from 2001

Communication Yearbooks Vols 6-33 Set Various, 2021-12-02 The Communication Yearbook annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training

Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication *Gender and the Media* Rosalind Gill, 2015-10-02 Written in a clear and accessible style with lots of examples from Anglo American media *Gender and the Media* offers a critical introduction to the study of gender in the media and an up to date assessment of the key issues and debates Eschewing a straightforwardly positive or negative assessment the book explores the contradictory character of contemporary gender representations where confident expressions of girl power sit alongside reports of epidemic levels of anorexia among young women moral panics about the impact on men of idealized representations of the six pack but near silence about the pervasive re sexualization of women s bodies along with a growing use of irony and playfulness that render critique extremely difficult The book looks in depth at five areas of media talk shows magazines news advertising and contemporary screen and paperback romances to examine how representations of women and men are changing in the twenty first century partly in response to feminist queer and anti racist critique *Gender and the Media* is also concerned with the theoretical tools available for analysing representations A range of approaches from semiotics to postcolonial theory are discussed and Gill asks how useful notions such as objectification backlash and positive images are for making sense of gender in today s Western media Finally *Gender and the Media* also raises questions about cultural politics namely what forms of critique and intervention are effective at a moment when ironic quotation marks seem to protect much media content from criticism and when much media content from *Sex and the City* to revenge adverts can be labelled postfeminist This is a book that will be of particular interest to students and scholars in gender and media studies as well as those in sociology and cultural studies more generally *Wording the World* Roma Chatterji, 2014-12-01 The essays in this book explore the critical possibilities that have been opened by Veena Das s work Taking off from her writing on pain as a call for acknowledgment several essays explore how social sciences render pain suffering and the claims of the other as part of an ethics of responsibility They search for disciplinary resources to contest the implicit division between those whose pain receives attention and those whose pain is seen as out of sync with the times and hence written out of the historical record Another theme is the co constitution of the event and the everyday especially in the context of violence Das s groundbreaking formulation of the everyday provides a frame for understanding how both violence and healing might grow out of it Drawing on notions of life and voice and the struggle to write one s own narrative the contributors provide rich ethnographies of what it is to inhabit a devastated world Ethics as a form of attentiveness to the other especially in the context of poverty deprivation and the corrosion of everyday life appears in several of the essays They take up the classic themes of kinship and obligation but give them entirely new meaning Finally anthropology s affinities with the literary are reflected in a final set of essays that show how forms of knowing in art and in anthropology are related through work with painters performance artists and writers *Media, Sex, Violence, and Drugs in the Global Village* Yahya R. Kamalipour, Kuldip R. Rampal, 2001 Providing a multicultural analysis of the impact of globalized Western media this guide

specifically deals with sex violence and drugs The text proposes a framework for understanding the political social and economic problems that face media policy makers in an age of globalization **Sexting Panic** Amy Adele

Hasinoff,2015-02-28 Sexting Panic illustrates how anxieties about technology and teen girls sexuality distract from critical questions about how to adapt norms of privacy and consent for new media Though mobile phones can be used to cause harm Amy Adele Hasinoff notes that criminalization and abstinence policies meant to curb sexting often fail to account for the distinction between consensual sharing and the malicious distribution of a private image Hasinoff challenges the idea that sexting inevitably victimizes young women Instead she encourages us to recognize young people s capacity for choice and recommends responses to sexting that are realistic and nuanced rather than based on misplaced fears about deviance sexuality and digital media Desperately Seeking Women Readers Dustin Harp,2007-01-01 Desperately Seeking Women

Readers considers explicitly named women s pages in U S newspapers to understand how the newspaper industry has constructed women readers Special pages for women developed in the 1890s but by the 1960s had disappeared The book investigates the creation and collapse of these pages before considering contemporary case studies to articulate why newspapers during the 1990s recreated sex specific pages The author argues that women s sections reinforce women as consumers and men as citizens **Assault on the Small Screen** Molly Ann Magestro,2015-07-22 Over the last few decades television programs have attempted to depict some of the more troubling elements of society with a more conscientious approach Issues that networks were once reluctant to broadcast such as sexual abuse sexual assault and rape have become frequent plot points for many popular shows Narratives that portray important social issues could potentially affect the ways individual viewers understand such incidents in the real world so it is important to pay close and critical attention to the stories about rape that are broadcast to mass audiences In Assault on the Small Screen Representations of Sexual Violence on Prime Time Television Dramas Molly Ann Magestro examines the ways in which police and legal dramas on network and cable channels portray rape narratives In this discussion the author focuses on eight successful shows NCIS Criminal Minds CSI The Closer Rizzoli Isles Dexter Law and Order Special Victims Unit and The Good Wife Each chapter offers a close reading and analysis of how one or more of the shows represent rape narratives and rape victims in ways that more or less address feminist understandings of rape and rape culture The arguments in each chapter explore the specific narrative content of individual series rather than a single critical approach Each of the eight shows considered within the book is the focus of its own argument as the representations of rape narratives on television are as complex as issues surrounding rape can be in the real world In a time when rape narratives are frequently making headlines taking the time to examine and understand the messages broadcast by a medium as ubiquitous as television serves an important role in developing an understanding of rape culture A significant step toward this understanding Assault on the Small Screen will be of interest to scholars of film and television media studies gender studies criminology and sociology *Local Story* John P.

Rosa, 2014-08-31 The Massie Kahahawai case of 1931-1932 shook the Territory of Hawaii to its very core. Thalia Massie, a young Navy wife, alleged that she had been kidnapped and raped by some Hawaiian boys in Waikiki. A few days later, five young men stood accused of her rape. Mishandling of evidence and contradictory testimony led to a mistrial, but before a second trial could be convened, one of the accused, Horace Ida, was kidnapped and beaten by a group of Navy men, and a second, Joseph Kahahawai, lay dead from a gunshot wound. Thalia's husband, Thomas Massie, her mother, Grace Fortescue, and two Navy men were convicted of the lesser charge of manslaughter despite witnesses who saw them kidnap Kahahawai and the later discovery of his body in Massie's car. Under pressure from Congress and the Navy territorial governor, Lawrence McCully Judd, commuted their sentences. After spending only an hour in the governor's office at Iolani Palace, the four were set free. Local Story is a close examination of how Native Hawaiians, Asian immigrants, and others responded to challenges posed by the military and federal government during the case's investigation and aftermath. In addition to providing a concise account of events as they unfolded, the book shows how this historical narrative has been told and retold in later decades to affirm a local identity among descendants of working-class Native Hawaiians, Asians, and others. In fact, this understanding of the term "local" in the islands dates from the Massie Kahahawai case. It looks at the racial and sexual tensions in pre-World War II Hawaii that kept local men and white women apart and at the uneasy relationship between federal and military officials and territorial administrators. Lastly, it examines the revival of interest in the case in the last few decades: true crime accounts, a fictionalized TV mini-series, and most recently, a play and a documentary, all spurring the formation of new collective memories about the Massie Kahahawai case.

As recognized, adventure as without difficulty as experience not quite lesson, amusement, as competently as deal can be gotten by just checking out a book **Rape On Trial How The Mass Media Construct Legal Reform And Social Change** also it is not directly done, you could tolerate even more just about this life, on the subject of the world.

We meet the expense of you this proper as competently as easy pretentiousness to acquire those all. We meet the expense of Rape On Trial How The Mass Media Construct Legal Reform And Social Change and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Rape On Trial How The Mass Media Construct Legal Reform And Social Change that can be your partner.

Rape On Trial How The Mass Media Construct Legal Reform And Social Change Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rape On Trial How The Mass Media Construct Legal Reform And Social Change PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rape On Trial How The Mass Media Construct Legal Reform And Social Change PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rape On Trial How The Mass Media Construct Legal Reform And Social Change free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rape On Trial How The Mass Media Construct Legal Reform And Social Change Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rape On Trial How The Mass Media Construct Legal Reform And Social Change is one of the best book in our library for free trial. We provide copy of Rape On

Trial How The Mass Media Construct Legal Reform And Social Change in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rape On Trial How The Mass Media Construct Legal Reform And Social Change. Where to download Rape On Trial How The Mass Media Construct Legal Reform And Social Change online for free? Are you looking for Rape On Trial How The Mass Media Construct Legal Reform And Social Change PDF? This is definitely going to save you time and cash in something you should think about.
