**Rape of a Quiet Town** Dan Lees,1973-01-01      *Rape Fantasies* Alisa Kessel,2025 Alisa Kessel argues that preventing sexual violence requires confronting rape as a political act rather than a natural sexual impulse miscommunication or ethical failure She asserts that rape culture identifies who is dominable and who holds dominance reinforcing hierarchies of race gender sexuality and class In the US sexual violence functions as a deliberate tactic to maintain and embolden these social structures Kessel offers an intersectional analysis revealing how rape culture evolves to discipline groups that challenge the sociopolitical order She highlights how the myths and practices of this culture ensure sexual violence persists as a reliable technique of political domination With an ambitious and original approach Kessel exposes the deeply entrenched systems that perpetuate rape culture Provided by publisher

**The Cocoa Plantations America'S Chocolate Secret Forced Child Labor, Rape, Sodomy, Abuse of Children, Child Sex Trafficking, Child Organ Trafficking, Child Sex Slaves** Raymond C. Stone James M. Stone,James M Stone,2010-02 In March 1886 in the quiet town of Eatontown New Jersey a brutal beating and rape took place of a young white woman named Angelina Herbert She implicated an elderly African American man named Mingo Jack in the crime The townspeople wanted vengeance and lynched Mingo Jack before he could even be questioned about the crime What followed was an inquest to find the murderers and an attempt to prove Mingo Jack was not guilty of the crime Was Mingo Jack guilty of the assault against Angelina Herbert or was it a case of mistaken identity Largely

forgotten this story will be fascinating to anyone interested in the history of New Jersey      **Surviving the Silence: Black Women's Stories of Rape** Charlotte Pierce-Baker, 2000-06-17 In this intelligent stunning and honest book Charlotte Pierce Baker weaves together the accounts of black women who have been raped and who have felt that they had to remain silent in order to protect themselves and their race It opens with the author's harrowing and courageous account of her rape and includes the stories of the author's own family's response plus the voices of black men who have supported rape survivors

Craig, 2018-10-24 This multimethod study of crime and the elderly in a small town setting approaches the related issues from varied perspectives and ultimately presents a different picture of fear of crime among the elderly than that which dominates the current literature Three features contribute to this book's uniqueness The first is a departure from the urban view the second is an emphasis on phenomenology and the third is multimethodology With an emphasis on qualitative research this study allows the elderly and other key informants to present their own portrait relative to crime a portrait that is far more contextually varied and far less dominated by fear and vulnerability than is commonly assumed      Sexual Predators

Amongst Us Ronald A. Rufo, 2011-12-07 It is imperative that educators parents and potential victims be aware of sexual predators the danger they pose in our society and the resources available to help prevent this growing epidemic Written from a police perspective *Sexual Predators Amongst Us* examines the problem of sexual predation how the Internet has contributed to its growth      *Tribals, Empire and God* Zhodi Angami, 2017-04-06 Tribal biblical interpretation is a developing

area of study that is concerned with reading the Bible through the eyes of tribal people While many studies of reading the Bible from the reader's social cultural and historical location have been made in various parts of the world no thorough study that offers a coherent and substantive methodology for tribal biblical interpretation has been made This book is the first comprehensive work that offers a description of tribal biblical interpretation and shows its application by making a lucid reading of Matthew's infancy narrative from a tribal reader's perspective Using reader response criticism as his primary method Zhodi Angami brings his tribal context of North East India into conversation with Matthew's account of the birth of Jesus Since tribal people of North East India see themselves as living under colonial rule a tribal reader sees Matthew's text as a narrative that actively resists and subverts imperial rule Likewise the tribal experience of living at the margins inspires a tribal reader to look at the narrative from the underside from the perspective of those who are sidelined ignored belittled or forgotten Tribal biblical interpretation presented here follows a process of conversation between tribal worldview and

Matthew's narrative Such a method animates the text for the tribal reader and makes the biblical narrative not only more intelligible to the tribal reader but allows the text to speak directly to the tribal context
