Rape Of The Sun:

The Rape of the Sun Ian Wallace, 1982 **Abuses of the Erotic** Josh Cerretti, 2019-07 Events ranging from sexual abuse at Abu Ghraib to the end of Don't Ask Don't Tell hint that important issues surrounding gender and sexuality remain at the core of political and cultural problems Nonetheless intersectional analyses of militarism that account for questions of race class and gender remain exceedingly rare *Abuses of the Erotic* fills this gap by offering a comprehensive picture of how military values have permeated the civilian cultural sphere and by investigating connections between sexuality and militarism in the United States since the late 1980s Josh Cerretti takes up the urgent task of applying an interdisciplinary transnational framework to the role of sexuality in promoting expanding and sustaining the war on terror to understand the links between what Cerretti calls domestic militarism and later projects of state backed violence and intervention This work brings together scholarship on domestic and international militarization in relation to both homosexuality and heterosexuality to demonstrate how sexual and gender politics have been deployed to bolster U S military policies and by tracking over a decade of militarized sexuality how these instances have foundationally changed how we think of sexual and gender politics today **Football and Sexual Crime, from the Courtroom to the Newsroom** Deb Waterhouse-Watson, 2020-01-02 This book interrogates the process of court reporting on rape and other sexual crime cases involving Australian footballers At the intersection of sport gender media and the law it uncovers the story behind rape myths and stereotypes in media This book analyses newspaper reporting alongside transcripts of the trials they represent and interviews with the journalists themselves Waterhouse Watson's work maps structural factors within newsrooms and the complex relationship between the judiciary and media that affect the practice of court reporting This book approaches key journalism concepts like objectivity and balance critically illustrating the layers of mediation that surround a complainant's testimony the way sport shapes the meaning of courtroom and media narratives in these cases and the tension between racism and sexism when race is thematised or otherwise highlighted Ultimately the book proposes an ethics of court reporting that protects individual complainants as well as advancing public understandings of the crime *The Annals of Electricity, Magnetism, and Chemistry; and Guardian of Experimental Science*, 1841 **The Bedtrick** Wendy Doniger, 2005-12 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger *The Bedtrick* brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the *Weekly World News* to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln's truly terrible poem about a bedtrick You will learn that in Hong

Kong the film *The Crying Game* was retitled *Oh No My Girlfriend Has a Penis* And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging *The Bedtrick* is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Variations in the subnational cost and affordability of a healthy diet for selected countries in Africa Holleman, C., Latino, L., 2023-12-15 This background paper to *The State of Food Security and Nutrition in the World 2023* presents an innovative analysis of within country variability of the cost and affordability of a healthy diet CoAHD The study uses an innovative spatial perspective by analysing the changes along the urban rural catchment areas URCA and using the Living Standards Measurement Studies LSMS of 11 African countries The results show that the cost of a healthy diet in peri urban areas is lower than it is in urban areas but the percentage of the population unable to afford a healthy diet is always higher in the surroundings of urban centres The gap is particularly large between small cities and their surrounding areas and the share of population unable to secure a healthy diet is disproportionally high in the more remote rural areas The paper also investigates three methodological issues that were encountered during the analysis to provide evidence on the validity of the FAO Healthy Diet Basket HDB methodology for the estimation of subnational cost and affordability of a healthy diet Sex Crime in the News Keith Soothill, Sylvia Walby, 2023-03-31 First published in 1991 *Sex Crime in the News* is a unique examination of the nature of sex crime reporting in the press Analysing examples from forty years of newspaper coverage the authors provide a systematic study of this controversial topic The book reveals the misleading and trivializing nature of sex crime coverage with serious research reports on rape and discussions on law reform being given short shrift The authors examine the increasing gap between the reality of sexual abuse and the coverage it receives in the press and they set their detailed empirical work within a context of broader concerns about the relationship between the media the individual and the state Critical though it is of the press this book will be of special interest to people working in the media and to legislators involved in debates about the press It will also be of value to students on course in women's studies cultural and media studies and deviancy *Psycho-Social Aspects of Human Sexuality and Ethics* Dhastagir Sultan Sheriff, 2021-01-27 With the emerging newer trends in sexuality and clashes with the traditional practice of human sexuality there is a need for introspection and a framework of ethical principles that may guide human sexuality and its practice Human sexuality is more than a biological phenomenon Open discussions about sexual identity and sexual practices will help people better understand themselves others and the world around them This book gives a panoramic view of certain aspects of human sexuality in health and disease **Annals of Electricity, Magnetism, and Chemistry**, 1841 Annual Minnesota Farmers' Institute, 1902 Interracial Intimacies Randall Kennedy, 2012-09-12 With the same piercing intelligence as the bestselling
