Dismantling Rape Culture Tracey Nicholls, 2020-11-15 This book analyses rape culture through the lens of the me too era Drawing feminist theory into conversation with peace studies and improvisation theory it advocates for peace building opportunities to transform culture and for the improvisatory resources of culture jamming as a mechanism to dismantle rape culture The book's key argument is that cultural attitudes and behaviours can be shifted through the introduction of disrupting narratives so each chapter ends with a culture jammed re-telling of a traditional fairy tale Chapter 1 traces an overlap of feminist theory and peace studies arguing that rape culture is most fruitfully understood through the concept of structural violence Chapter 2 investigates the gender scripts that rape culture produces considering a female counterpart to the concept of toxic masculinity complicit femininity Chapter 3 offers analysis of non-consensual sex and a history of consent education culminating in an argument that we need to move beyond consent to conceptualise a robust respectful mutuality Chapter 4's history of sexual harassment in the workplace and the rise of metoo argues that its global manifestations are a powerful peace building initiative Chapter 5 situates me too within a culture jamming history using improvisation theory to show how this movement's potential can shape cultural reconstruction This is a provocative and interventionist addition to feminist theory scholarship and is suitable for researchers and students in women's and gender studies feminist theory sociology and peace studies

Giambatista Viko; or, The Rape of African Discourse Georges Ngali,2022-03-25 Georges Ngali's pathbreaking satire Giambatista Viko explores the vexed relations between metropolitan centers and peripheral former colonies through its titular antihero an African professor at an African studies institute divided between European focused cosmopolitans and Africanists Struggling to write the great African novel and subject to abuse Viko realizes he can no longer separate the African and the European parts of his multilayered African francophone culture Viko's fate is a warning about the perils of artistic creation in a world where power is not shared Part of the wave of African novels of the 1960s and 1970s that grappled with the disenchantments of decolonization Giambatista Viko can be read at once as a Congolese novel a francophone novel and a work of world literature

Women's Studies in Religion Kathleen McIntosh,Kate Bagley,2017-09-19 Women's Studies in Religion A Multicultural Reader uses essays written by today's most respected feminist voices to examine the impact of contemporary feminism on the practice and study of religion Many in the field have expressed the need for a reader that is both accessible to undergraduates who have little background in the study of religion and that shows the transforming impact of feminism on the religious lives of American women This book meets that need

American Culture and the Nigerian Society Innocent Emechete,2007-01-09 American Culture and the Nigerian Society by Innocent Emechete Visit the Order Page Description About the book An experiential observation of behavioral problems in some American and Nigerian children by the author sparks off this inquiry Thus American Culture and the Nigerian Society an investigation into whether America has influenced other countries like Nigeria and to what extent is born It starts by looking at the word culture which makes a people unique and the cultural ramifications within and outside America The author researches into whether or not these American influences are for better or for worse in the recipient countries Incidentally Nigeria and the United States have something in common both were once British Colonies Nigeria for two months shy of forty seven years Jan 1 1914 to Oct 1 1960 and America for one hundred and twenty four years 1651 1775 The author finds out that technological advancements have made it possible for American culture to take root in other countries like Nigeria There are cultural exchanges in goods and services the good the bad and the ugly are also exchanged crime and drug culture and sexual revolutions of the sixties are no exceptions In Churches there are religious cultural exchanges too Through televangelism American religious views spread through many countries like Nigeria The sense of the sacred disappears within a few decades The author discovers too that the Church loses its moral fiber and its moral high ground by the day and replaces them with money the almighty dollar The congregation in the pews is desensitized by losing a big chunk of the sense of humanity and feeling Killing

innocent lives becomes a common place activity that does no longer raise eyebrows Moral decadence sets in because there is nothing sacred and no more sanctity of life in the very young and the very old The lawmakers being part of the congregation in the pews across America almost resoundingly say amen to the foregoing After all they make the laws which the Presidents sign The third branch of Government the courts register their consent through activist Judges Then things completely fall apart Who are the victims in all this Our children Since children do not stay passive they become negatively active We see it school shootings students cutting school or classes drug activities bank robberies and other deviant behaviors that land about two million of our children in prison The author has some suggestions that can rescue our children from this downward trend if all hands are on deck As in America so it is in satellite countries associated with America The author focuses on Nigeria in particular and makes some recommendations to help Nigerian children to fight with the giant and not be crushed unto death *Gleanings in Bee Culture* ,1873 *Re-Thinking Men* Anthony Synnott,2016-04-08 Much writing on men in the field of gender studies tends to focus unduly almost exclusively on portraying men as villains and women as victims in a moral bi polar paradigm Re Thinking Men reverses the proclivity which ignores not only the positive contributions of men to society but also the male victims of life including the homeless the incarcerated the victims of homicide suicide accidents war and the draft and sexism as well as those affected by the failures of the health education political and justice systems Proceeding from a radically different perspective in seeking a more positive balanced and inclusive view of men and women this book presents three contrasting paradigms of men as Heroes Villains and Victims With the development of a comparative and revised gender perspective drawing on US Canadian and UK sources this book will be of interest to scholars across a range of social sciences Gender in the 2016 US Presidential Election Dustin Harp,2019-04-09 Using a discourse analysis Dustin Harp investigates media during the 2016 US presidential election to explore how traditional patriarchal and feminist ideas about gender played out during the campaign The book illustrates how these two ideologies competed for space and struggled for discursive authority A broad range of media texts is examined and gender moments where gender became a dominant part of the political conversation are identified These include the nasty woman and grab them by the pussy comments of Donald Trump and the woman card played by and against Hillary Clinton Furthermore Harp reveals how binary notions of gender and stereotypical ideas of how men and women should behave look and sound structured the ways Donald Trump and Hillary Clinton were talked about in the media As a counterpoint the research also shows the ways feminist ideologies worked against the sexism and misogyny and became mainstream in media discourse during the campaign Students and researchers of Gender Studies will find that the gender moments in *Gender in the 2016 US Presidential Election* tell a broader story about women gender expectations and power They offer important and timely insights about misogyny and sexual harassment in contemporary US culture and feminist resistance in a mediated public sphere

Guo,2010-02-23 Because I am a girl I am less likely to go to school Because I am a girl I am more likely to suffer from malnutrition Because I am a girl I am more likely to suffer violence in the home Because I am a girl I am more likely to marry and start a family before I reach my twenties Eight authors have visited eight different countries and spoken to young women and girls about their lives struggles and hopes The result is an extraordinary collection of writings about prejudice abuse and neglect but also about courage resilience and changing attitudes Proceeds from sales of this book will go to PLAN one of the world s largest child centered community development organisations *Bodies in Society* Margaret R. Miles,2008-08-01

Education is about learning to think Much of what we call thinking however is a hodge podge of repetitious self talk opinion and cutting and pasting of second hand ideas Moreover thinking in the present has often been alien to scholars who were tempted to think abstractly But life and thought belong together and require each other as Plotinus pointed out many centuries ago T he object of contemplation is living and life and the two together are one Ennead 3 8 8 Presently many women and men in the academic world are thinking concretely within the context of their own lives and with acknowledged accountability to broader communities with whom they think and to whom they are answerable The essays in this volume consider Christianity as an aspect of North American culture bringing the critical tools of the academy to thinking about some of the perplexing and pressing problems of contemporary public life Three interactive and interdependent themes traverse these essays gender the effects of media culture and institutions Each of these themes has been central to Margaret Miles s work for thirty years Each understands corporeality as fundamental both to subjectivity and society Miles finds that Christianity critically appropriated provides ideas and methods for thinking concretely about life in North American society

Raping Of American Culture The Tell Me All About It: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
