Dept. of Public Works, 1907 *Jokey Horse-Jockey North-South Rapport* Mhango, Nkwazi, 2018-06-08 No doubt North South relationship involving poor and rich countries is very convoluted based and built on exploitative unequal and unfair equilibria It is purely jockey horse like connubium that serves one party as it disserves the other This is why deconstructing and detoxifying this relationship is sine qua non The author argues that the parties in this relationship must revisit it to make sure it equally benefits both for the benefit of the whole world Importantly the major question posed is Why did the two global halves maintain and tolerate such toxic rapport while knowingly it is but colonial and unjust The question is answered in this academic treatise which asks the parties to hark back and thereby do justice to each other by viewing themselves as humans with shared needs and future whose lesson from the past may buttress them to be major thespians in realising world peace This is because their parasitic relationship has fueled many conflicts revolving around the struggle for controlling resources in the South in order to sell to the North

**How To Get Instant Trust, Belief, Influence and Rapport!** Tom “Big Al” Schreiter, 2019-12-05 Why can t we convince others And why won t people listen We say great things to people We offer great products to prospects We share our vision and passion with others And they don t believe us they don t buy and they don t share our vision and passion We say great things but people don t believe us or act on our message Why Well we don t need more good things to say Instead we need to learn how to get people to believe and trust the good things we are saying already It s not about the price It s not about the salesman s breath It is not about the leader s PowerPoint presentation It is all about the magical first few seconds when we meet people What

happens In the first few seconds people make an instant decision to 1 Trust us Believe us Or in the first few seconds people make an instant decision to 2 Turn on the salesman alarm Put on the too good to be true filter Be skeptical Look for the catch This decision is immediate and unfortunately usually final Tom Big Al Schreiter shows us exactly how to build a bond of trust and belief with prospects in seconds How By talking directly to the decision making part of the brain the subconscious mind In this book How To Get Instant Trust Belief Influence And Rapport 13 Ways To Create Open Minds By Talking To The Subconscious Mind we will learn easy four and five word micro phrases and simple natural techniques that you can master within seconds Yes this is easy to do Our message should be inside of other people s heads not bouncing off their foreheads Our obligation is to get our message inside of their heads so they will have options and choices in their lives Now if we can t get people to trust and believe our message then we will effectively be withholding our message from them Use these short easy tested clear techniques to build that instant rapport with other people Then everything else is easy If you are a leader a salesman a network marketer an influencer a teacher or someone who needs to communicate quickly and efficiently this book is for you Order your copy now      *Rapport de la Huitième Session Du Comité Scientifique Consultatif* General Fisheries Commission for the Mediterranean (Food and Agriculture Organization of the United Nations).
