theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective *Are We Living in the End Times?* Tim LaHaye, Jerry B. edition of this classic title noted scholar Dr Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation Understanding prophecy can be difficult and confusing This book takes away all of the mystery and the intimidation It is user friendly for the layperson yet remarkably complete for the scholar **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

The Secrets of the Book of Enoch Full Reginaldo Terron, 2024-09-28 The origin of the book of Enoch and its message for the present day The resurrection of a truth that leads us to understand our existential journey The ascension of the soul in the search for self awareness Who are we What is our existential mission What are we doing here These and other questions place us in a terrible deep abyss of our own ignorance and make us unknown to ourselves And when we find it we can be disappointed Thus arises the proposal to obtain a new essence that of Christ However there will be many challenges for us Leaving the territory of ignorance we set out to seek an elevation in our consciousness In self knowledge and in a new

proposal offered by Christ Decipher me or I will devour you I believe everyone has heard this phrase An enigma still speculated on today and without answers for many Did the Egyptians want to eternalize the truth of self knowledge Why is it so difficult to know about ourselves It seems like a veil has been placed over ourselves and we need to uncover it After publishing many of my books in previous editions now I want to go deeper into the subject I believe that in all his messages and content he makes us know a little about the trajectory of the soul in the search for self understanding At least we have opened our eyes to what we may consider to be the enemies of our soul I speak of mysteries revelation and corruption of consciousness responsible for the vast majority of political and religious systems in this world which contribute to the unconscious collective operating by creating a mental structure in men extinguishing their humanity Systems that devour our own humanity as the enigma narrates A corrupt society is like a lion that roars around trying to swallow our soul
