## **Rapture A Question Of Timing:**

*The Rapture* William R. Kimball, 1985      *Solving the Mystery of Babylon the Great* Edward Hendrie, 2011 The evidence presented in this book leads to the ineluctable conclusion that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion and is the core of a world conspiracy against man and God      *The Rapture Question Answered* Robert Van Kampen, 1997-05-01 Answers the question surrounding the Rapture of the church at Christ's second coming and the timing of the end time events as clearly taught in Scripture      **Antichrist: The Beast Revealed** Edward Hendrie, 2015-04-16 The antichrist is among us here and now This book proves it by comparing the biblical prophecies about the antichrist with the evidence that those prophecies have been fulfilled This book documents the man of sin's esoteric confession that he is the antichrist You will learn how the antichrist has changed times and laws as prophesied by Daniel and how he is today sitting in the temple of God shewing himself that he is God in fulfillment of Paul's prophecy in 2 Thessalonians 2:4 The beast of Revelation has come into the world after the working of Satan with all power and signs and lying wonders And with all deceivableness of unrighteousness as prophesied in 2 Thessalonians 2:10      [HOAX of Biblical Proportions](#) Edward Hendrie, 2023-12-22 Satan knows that God has promised to preserve his words found in the Holy Scriptures so it would be futile for him to try to destroy them Thus Satan's strategy is to obscure God's words by flooding the world with counterfeit Bibles That way he can flimflam people into reading his corrupt Bibles instead of God's infallible Scriptures The devil can then lead men astray from the true gospel This book will prove that the Authorized King James Version of the Holy Bible is given by inspiration of God It will reveal how Satan is using profane Bible versions to divert the world away from God's inspired Holy Scriptures The changes in the new Bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine The new Bible versions have demoralized churches by proclaiming a different Jesus and a different gospel from what is in God's inspired King James Holy Bible      *The Seer* Jake Friesen, 2003 The Seer is a prophetic analysis of Scriptures and current events pointing to an End Times scenario in the making It steers away from the traditional pre tribulation rapture position while endorsing the place of Israel the people and the land as part of God's sovereign plan The book is written by Jake H Friesen B A ThB after serving in active ministry for over 50 years including pastoral work teaching and counselling It is our prayer that The Seer may provide a refreshing if non traditional addition to your prophetic library Click here to visit the official website of THE SEER      **101 Answers to the Most Asked Questions about the End Times** Mark Hitchcock, 2013-03-06 For many believers the subject of the End Times stirs confusion apprehension and dread No longer This user friendly manual answers 101 of the most frequently asked questions about everything from the Pre Tribulation Rapture the Antichrist and Tribulation to the Second Coming and the Millennium Prophecy expert Mark Hitchcock offers a biblically authoritative resource for understanding God's plan and a reason for peace instead of anxiety about each believer's role in it This eBook contains links to online charts for viewing and printing

What's the Difference in a Millennium and a Millipede? David Reagan, 2022-04-22 Would you like to get a grasp on what the Bible says about the end times and where we currently fit into end time chronology Are you mystified by end time Bible prophecy Are you confused by all the various end time viewpoints Have you decided that end time prophecy is a subject appropriate only for seminary graduates This book will clear up end time confusion Come learn the difference between a Millennium and a Millipede with Dr David Reagan      *Revelations of the End* Dr. Robert "Andy" Gowins, 2025-02-05

*Revelations of the End* A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days      The Debate Over Christian Reconstruction Gary DeMar, 1988      **An Outline of the End Times** PT Nicholson, 2016-12-15

*An Outline of the End Times* is written by a layperson for laypeople In an attempt to be comprehensive yet concise and thorough PT Nicholson explores prophetic scripture in relation to the end times He weighs up counterarguments of key issues that divide Christians regarding the tribulation and the millennium and carefully synthesizes an outline of events without overlooking difficulties Combined with exhaustive scripture references he uses charts tables maps sketches and graphs to explain issues and analyse topics as succinctly as possible About 25 percent of the Bible is prophecy and according to a well known and respected scholar on Bible prophecy John Walvoord five hundred of one thousand prophetic events remain unfulfilled Yet many Christians have only a vague notion of how end time events will unfold due to inadequate teaching and a shortage of comprehensively researched books on the subject *An Outline of the End Times* serves as a reference resource to help meet this need      *The End of the World According to Jesus of Nazareth* Jeff Kinley, 2024-07-09

*What Jesus Own Teachings Reveal About the Last Days* Why talk about end times doomsday subjects Because Jesus Christ talked about them and in great detail For that reason alone we should pay attention And as we rapidly approach the last days his message is more relevant to us than ever *The End of the World According to Jesus of Nazareth* takes you to the definitive authority on the future Christ himself for a clear understanding of what will take place when it will happen and how God desires for us to be prepared Centering on the Olivet Discourse in Matthew's Gospel bestselling author Jeff Kinley examines Jesus words in their original context providing clear and engaging overviews of the tribulation the antichrist the second coming the judgments and Jesus invitations to believers and unbelievers In this inspiring and approachable guide Jeff provides you with clear biblical answers about what is to come Jesus revealed the future not only for

his followers but for all of humanity that we may turn to him for salvation live in hope and be ready for his glorious return

*Questions About the End Times* S. Michael Houdmann Houdmann, 2015-06-19 Wars and rumors of wars blood moons natural disasters the onslaught of terrorism spreading heresies the news is filled with reports of such things But which of them are truly signs of the times according to biblical prophecy God says I make known the end from the beginning from ancient times what is still to come Isaiah 46 10 The One who knows the future has revealed much about it in His Word the Bible This book contains one hundred questions concerning the end times answered from a biblical perspective How can I understand the book of Revelation What is Israel's role What is the rapture Should I be worried about 666 Are we living in the end times We don't have all the details of what will happen but this book will point you consistently to the Bible for answers The student of Scripture should have an advantage when it comes to prophecy You brothers and sisters are not in darkness so that this day should surprise you like a thief 1 Thessalonians 5 4 Eschatology is a fascinating and beneficial study Following current events is sometimes like watching pieces of a puzzle fall into place We know God's purposes will stand and what He has decreed will come to pass The Great Tribulation! Richard Guthrie, 2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if there is a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice **The Time of the Signs** Barry Stagner, 2024-01-16 What will be the sign of Your coming and of the end of the age Matthew 24 3 The disciples could not wait Christ had said He would bring an end to human rule and establish His kingdom But when Eager to learn how the future would unfold they asked Him about the signs of His coming and the end times What should they expect to take place In The Time of the Signs pastor Barry Stagner explores the events that will

precede Christ's return. As he describes Earth's final days, he answers the many questions people ask, including: Why is the rebirth of Israel the most significant sign that the end times are near? What other important clues evident today reveal the closeness of the tribulation and Christ's return? Where does the rapture fit in the chronology of all that will occur in the last days? After Christ returns, what is next? As you study the signs Jesus foretold, you'll see amazing evidence that we are living in the very time of these signs and gain a clear understanding of what will happen and when.

**40 Questions about the End Times** Eckhard J. Schnabel, 2012-01-12 Benjamin L. Merkle is professor of New Testament at Malaysia Baptist Theological Seminary and is the author of numerous articles which have appeared in journals such as JETS and Trinity Journal. He earned his Ph.D. from Southern Baptist Theological Seminary where he wrote his dissertation on deacons and elders. *Exploring Christian Theology : Volume 3* Nathan D. Holsteen, Michael J. Svigel, 2014-01-21 Dallas Seminary Professors Make Basic Theology Accessible for All Theology doesn't have to be complicated. In this book, trusted Dallas Seminary professors present a concise systematic theology that distills the essential spiritual truths in a way that makes sense to readers, students, lay people, and pastors. Here are introductions, overviews, and reviews of key tenets of orthodox, Protestant, evangelical doctrines. The book also includes an annotated list of key applicable Bible texts, a quick-paced story of doctrine throughout church history, heresies or distortions to be aware of, and more. *Exploring Christian Theology* is useful for discipleship, catechism, membership training, preview or review of doctrine, or quick personal reference. It can also be used by ministry training programs, Bible colleges, or seminaries as an introductory primer to orient students in preparation for a more in-depth study of theology.

**The True Understanding of the End-Times** Lance Morgan, 2016-09-22 The book possesses some nuggets, sweet and delicious. There are several points raised that will leave some readers in awe. They will wonder if what they read is true or not. It will cause much introspection, analysis, new and different thought processes, and much research. This is especially so with the points raised in the discussion of the timing of the rapture, the arrival of the antichrist on the world stage, and the order of the seals, trumpets, and plagues of the book of Revelation. There is also the explanation of Daniel 11 from verse 21-45 that I am quite sure many people will find enlightening. The area where the antichrist will arise is of much interest to Bible scholars, students, and other historians. I have narrowed it down to Iraq based on my extensive studies and from the understanding of the vision given to me by the Lord God. From my online friend, there is also the contribution of the pictorial route of the antichrist on his march to Jerusalem just prior to the mid-way point of the Week. So this book holds many exciting new ideas for readers. Do not start the book with a pre-set mind, but rather open your mind for a new adventure. It is a must-read.

**Conditional Futurism** James Goetz, 2012-01-11 Conditional Futurism introduces a new perspective of end-time theology, eschatology. The book holds to Christian futurism while integrating the Apocalypse of John with the conditional dynamics of prophecy taught in Jeremiah, Ezekiel, Daniel, and various other books throughout the Old Testament. The new paradigm concludes that the final antichrist, also known as the man of lawlessness, the beast, and the eighth king, may read the

apocalyptic prophecy of his doom while deciding instead to repent of evil and turn to the Lord which is a biblical option that would fulfill the divine purposes of the apocalypse This cutting edge scholarship also develops new biblical models of angels appearing as humans the descent of Christ into hell and the kings in Revelation that incorporate with this end time theology that encourages hope in all circumstances

**The Sola Scriptura Challenge** Brian E. Barnes, 2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church
