Julia Schneider

Raptured A Novel On The Second Coming Of The Lord:

Raptured Ernest Angley,1990 **Raptured** Geraldine Cool,2015-07-23 This book is written to test the faith of every Christian This book will answer questions such as 1 Will the Lord come again 2 Will people be carried away at the rapture 3 Will millions of Christians disappear from the face of the earth 4 Before the full wrath of God falls upon sinful humanity will people have to endure the reign of the beast 5 Or will hideous torture inflicted upon innocent be a prelude to the glorious eternity in Christ The Great Tribulation will be hell on earth You will either have to take the mark of the beast or give up your life Decide for yourself with God s help whether the days of rapture are fact or a fairy tale *The Paperback Apocalypse* Robert M. Price,2011-04-26 The great popularity of the Left Behind novels attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities Biblical scholar Price traces the origin and scriptural basis for such beliefs as the Rapture the Second Coming the Antichrist and Messianic prophecy and explains the popularity of the books Rapture, Revelation, and the End Times Bruce David Forbes,Jeanne Halgren Kilde,2004-06-12 An objective look at the Left Behind series the significance of the Biblical references in the books and what they can tell us about apocalyptic Christian fiction in general **Faith Healers and the Bible** Stephen J. Pullum,2015-04-14 An insightful read for anyone who is interested in religion this book offers fresh biblical insight into the preaching of faith healing from a Christian perspective Faith healing has been a popular religious phenomenon in this country for well over a hundred years gaining thousands of followers and raking in millions of dollars annually What faith healers teach however often goes unchallenged Faith Healers and the Bible What Scripture Really Says offers an informed critique of many of the themes found in faith healers preaching that documents that much of what they teach is not biblically based contrary to what they would like their listeners to believe Drawing on a lifetime of study and nearly two decades of teaching a university course titled The Rhetoric of Faith Healing Stephen J Pullum PhD provides scriptural insight into the false claims frequently found in the preaching of healing revivalists After an introductory chapter that explains why faith healers have been so persuasive the author addresses a breadth of topics including the miraculous the providential demon possession the call of God the indwelling of the Holy Spirit and the health and wealth gospel Meeting faith healers on their own turf the Bible Pullum clearly demonstrates that much of what faith healers preach cannot be scripturally supported **Writing Fundamentalism** Axel Stähler,Klaus Stierstorfer,2009-05-27 Given its discursive amplification and its very real impact on contemporary societies fundamentalism has become the focus of much scholarly attention However whereas it is commonly recognized to be centred on texts the complex and at times paradoxical relationship of fundamentalism with literature remains as yet largely unexplored Based on new research by an international team of scholars working in the fields of literary and cultural studies the essays gathered in this volume are based on a number of theoretical frameworks and debates and open up a historical perspective which engages critically with received notions of fundamentalism by exploring literary representations of fundamentalisms and the

function of literature in fundamentalism they enquire into the underlying generic differences and incompatibilities as well as perhaps more unexpected the similarities and affinities between fundamentalism and literature Opening up a historical perspective reaching back to the early sixteenth century concepts of fundamentalism as a response to exclusively modernist tendencies since the beginning of the twentieth century are challenged in this volume and several contributors begin to explore the rise of fundamentalisms at various points in history characterized by the crisis experience of cultural change While taking this conceptual base as a point of departure the articles collected here then spread out on a plurality of theoretical frameworks Alert to the productive friction between these discourses which it aims to elicit the volume confronts earlier research in the disciplines of theology history of religion sociology political history anthropology and if less copious literary studies with postcolonial and cultural studies With its general focus on writing in English including American and British literatures as well as the new literatures in English worldwide the collection takes into account cultural and historical affinities and differences which have contributed to the ongoing negotiations of fundamentalism and literature in the English language and transcends borders of both nations and academic disciplines In exploring new perspectives on fundamentalism and literature the volume offers tools for a better understanding of this interrelation which should be of interest to scholars across all disciplines concerned with fundamentalism as a social and cultural phenomenon of ever growing global importance and impact

Rapture Culture Amy Johnson Frykholm, 2004-03-04 In the twinkling of an eye Jesus secretly returns to earth and gathers to him all believers As they are taken to heaven the world they leave behind is plunged into chaos Cars and airplanes crash and people search in vain for loved ones Plagues famine and suffering follow The antichrist emerges to rule the world and to destroy those who oppose him Finally Christ comes again in glory defeats the antichrist and reigns over the earth This apocalyptic scenario is anticipated by millions of Americans These millions have made the *Left Behind* series novels that depict the rapture and apocalypse perennial bestsellers with over 40 million copies now in print In *Rapture Culture* Amy Johnson Frykholm explores this remarkable phenomenon seeking to understand why American evangelicals find the idea of the rapture so compelling What is the secret behind the remarkable popularity of the apocalyptic genre One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life This also helps explain why they appeal to female readers despite the deeply patriarchal worldview they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism's renewed popular appeal has rendered such themes obsolete *Left Behind* evinces a new embrace of technology and consumer goods as tools for God's work while retaining a protest against modernity's transformation of traditional family life Drawing on extensive interviews with readers of the novels *Rapture Culture* sheds light on a mindset that is little understood and far more common than many of us

suppose **Christian Fundamentalism and the Culture of Disenchantment** Paul Maltby, 2013 Within the familiar clash of religious conservatism and secular liberalism Paul Maltby finds a deeper discord an antipathy between Christian fundamentalism and the postmodern culture of disenchantment Arguing that each camp represents the poles of America's virulent culture wars he shows how the cultural identity lifestyle and political commitments of many Americans match either the fundamentalist profile of one who cleaves to metaphysical and authoritarian beliefs or the postmodern profile of one who is disposed to critical inquiry and radical democratic values Maltby offers a critique that operates in both directions His use of the resources of postmodern theory to contest fundamentalism's doctrinal claims ultra right politics anti environmentalism and conservative aesthetics informs his engagement with contemporary fundamentalist painting spiritual warfare fiction dominionist attitudes to nature and a profoundly undemocratic interpretation of Christianity At the same time Maltby identifies some of fundamentalism's legitimate spiritual concerns assesses the cost of perpetual critique and exposes the deficit of spiritual meaning that haunts the culture of disenchantment

Religion and Popular Culture in America Bruce David Forbes, Jeffrey H. Mahan, 2005-11-17 The connection between American popular culture and religion is the subject of this multifaceted and innovative collection In fourteen lively essays whose topics range from the divine feminine in The Da Vinci Code to Madonna's Like a Prayer and from the world of sports to the ways in which cyberculture has influenced traditional religions this book offers fascinating insights into what popular culture reveals about the nature of American religion today Revised throughout this new edition features three new essays including a fascinating look at the role of women in apocalyptic fiction such as the Left Behind series and editor Bruce David Forbes has written a new introduction In addition to the new textual material each chapter concludes with a set of suggested discussion questions

Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-05-25 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss's Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers

The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and

authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense The Charismatic Movement Charles Edwin Jones,1995-04-28 indispensable for all theological libraries and upper division undergraduate and graduate collections generally METHODIST HISTORY the standard bibliographic source for the topic Recommended for any library supporting the study of religion in the present day U S CHOICE *The Oxford Handbook of Eschatology* Jerry L. Walls,2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence *A Testimony of Jesus Christ - Volume 2* Anthony Charles Garland,2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides **Encyclopedia of Fundamentalism: Volume 3 of Religion & Society** Brenda Brasher,2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others **The Publishers' Trade List Annual** ,1977 God at War Mark Juergensmeyer,2020 Based on the author's thirty years of fieldwork interviewing activists involved in religious related

terrorist movements around the world this book explains why desperate social conflict and personal fears lead to extremes of both religion and war and why invariably God is thought to be engaged in battle Virtually every religious tradition leaves behind it a bloody trail of stories legends and images of war and most wars call upon the divine for blessings in battle This book probes the remarkably similar alternative realities that are created in the human imagination by both religious ideas and images of war in response to crises both personal and social **Jacob's Trouble** Michael Pennino,2003-03

Gathering Over Jerusalem Joel C. Graves,2003-08 *Biblical Studies on the Prophecies of the Rapture and Revelation* Larry Phillip Russell,2017-11-16 Biblical Studies on the Prophecies of the Rapture and Revelation is an introduction to and exploration of the Bibles teachings on the Second Advent of Jesus Christ It distinguishes the Rapture from the Revelation It affirms the Premillennial Pre tribulation Rapture and Dispensational views Explored are various theological positions of the Return of Christ Biblical history Church history and insights from key Scripture passages Russell writes for inquiring laity clergy and seminarians This work provides edification inspiration a wealth of Biblical knowledge working together strands of history theology Biblical studies statistics and even humor The book addresses the Unconditional Covenant God made with Israel kindly refutes Replacement theology the Amil and Postmil views defines Daniels 70th Week considers the future Tribulation Millennium reminds of Gods Sovereignty and Providence warns of sensationalism date setting presents signs of the times and touches on Apostasy The book is a comprehensive eschatological work with significant amounts of doctrine Biblical history the history of Christianity and interrelated eschatological considerations It also admonishes practical Christian living and encourages seeking paths of holy living If you desire to understand the distinctions between the Rapture and the Revelation seek a challenging and rewarding journey of study and if you would find your faith strengthened and your understanding increased this book will be a helpful guide to your exploration

Raptured A Novel On The Second Coming Of The Lord Introduction

In the digital age, access to information has become easier than ever before. The ability to download Raptured A Novel On The Second Coming Of The Lord has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Raptured A Novel On The Second Coming Of The Lord has opened up a world of possibilities.

Downloading Raptured A Novel On The Second Coming Of The Lord provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Raptured A Novel On The Second Coming Of The Lord has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Raptured A Novel On The Second Coming Of The Lord. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Raptured A Novel On The Second Coming Of The Lord. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Raptured A Novel On The Second Coming Of The Lord, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In

conclusion, the ability to download Raptured A Novel On The Second Coming Of The Lord has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Raptured A Novel On The Second Coming Of The Lord Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Raptured A Novel On The Second Coming Of The Lord is one of the best book in our library for free trial. We provide copy of Raptured A Novel On The Second Coming Of The Lord in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Raptured A Novel On The Second Coming Of The Lord. Where to download Raptured A Novel On The Second Coming Of The Lord online for free? Are you looking for Raptured A Novel On The Second Coming Of The Lord PDF? This is definitely going to save you time and cash in something you should think about.
