**21: 12: 2012 The Day of the Rapture** Ken Jackson, 2010 **Revelation, the Rapture, and What Jesus Says** Brian Davis, 2024-04-08 When it comes to the last days God has provided believers with everything we need to know about what is coming This includes the order of events to take place and even at what point the rapture will occur When teaching on these subjects Jesus goes as far as telling us But take heed behold I have told you everything in advance Mark 13:23 Brian Davis examines the words of Jesus and compares His teachings directly to scriptures in the Old and New Testaments with a focus on the timing of the rapture the day of the Lord and how they relate to events in the book of Revelation Having maintained particular attention to scriptural harmony throughout the study it is possible for anyone to see the undeniable consistency in end time events discussed by Jesus the apostles and Old Testament prophets The result provides answers to many questions including What did Jesus teach about end time events How do His teachings compare to events as described in the rest of the Bible What is the day of the Lord Are the seals a part of God's wrath How do our beliefs today align with what Jesus the prophets and the apostles taught Using simple language and biblical insights *Revelation the Rapture and What Jesus Says* is tailored for both beginners and those who have studied prophecy for years to help understand critical teaching in the Bible that details what the world may soon be about to face

**Pure Rapture** Aja James, 2022-01-26 Their love is outlawed by both their kinds Tal Telal the legendary General who led the Pure Ones to freedom paid the ultimate price for his people breaking the heart of his one True Love Her shattered heart continues to yearn Ishtar Anshar once royalty reigning over a vast ancient empire lost everything she held dear Deceived by those she trusted the most she blamed the one male who sacrificed all to protect her No matter the distance and time love is a renegade that cannot be ruled Now Fate has reunited them in this modern time to combat a burgeoning threat Can they put the darkness behind them and forge a brighter future together

**RAPTURE of the CHURCH** Michael E. Pfeil, 2013-11-07 WHAT Would this headline mean we've missed the Rapture Absolutely Not In light of the rampant evil permeating so much of our world few would deny that Daniel's seventieth week appears to be rapidly approaching Even so we are secure in God's promise that we will be taken to heaven prior to His end time judgments BUT Do the Lord's judgments begin with the peace treaty Surprisingly NO The Bible does not tell us

when we will be raptured but it does tell us what must happen prior to that glorious event There are no hidden secrets to understanding end times prophecy It is astounding how clear the Scriptures are If you have been taught the Pretrib Rapture position a second look is in order Walk with Mike through Old and New Testament passages that shed light on the timing of the Rapture and its relationship to the seven sealed scroll of Revelation

**The Rapture of God** William Lloyd Newell, 2020-07-02 This is a book offering Balthasar's theological oeuvre as a kerygma of Christ's love proclaimed theologically as Christ's esthetics of glory in his mission to reinvent himself the world and us as beauty and glory Balthasar's hypothesis is that there is true theology and there is false theology For him theology is the unique science across the methods of which the decision of faith cuts and divides it into two halves that cannot be united to each other a genuine theology which presupposes faith and does its thinking within the nexus of Christ and the Church and a false theology which rejects faith as methodologically dubious and irresponsible and subsumes the truth of the phenomenon which discloses itself under an anthropological truth however this may be understood In William Newell's book he deeply reflects on the radical thinking being done in Catholic theology since the 1940s in Europe and now in the United States Each chapter each excursus each elision ushers the reader towards consolations without previous causes the essence of mysticism in its first stages The book as with true theology is a come and see beckoning the reader to an endless furtherance of the archetypal experience of Christ

*The Posttribulational Rapture of the Church* Bruce Tucker, 2001-12-17 There are numerous texts written about the rapture and the end times A brief excursion to your local Christian bookstore will provide ample evidence of the interest in this topic From time to time people will attempt to give their text a twist or a slant in order to make their text different from the others Nevertheless most books about the rapture present the standard pretribulational argument and their unique nesses rest primarily in the contemporary issues which have stimulated the renewed discussion New developments in the Middle East will usually generate a new set of books Today the New World Order Y2K and even El Nino have provided fresh grist for predicting an imminent rapture The interest enthusiasm publications and even movies about the rapture are still increasing A series of fictional novels about the tribulation period are cranked out monthly Recent Hollywood motion pictures including Left Behind are based upon this This book is different for several reasons It does not emphasize any contemporary issue or current events which relate to the pretribulational scenario Instead it will spend its energies on specific biblical principles and doctrines and leave the application of those doctrines to the reader What is more unique is that this book promotes a posttribulational rapture a position which is different from most of the other books and it critiques the theology of the pretribulational rapture which is the foundation for most of the other texts Books which promote a posttribulational rapture are few indeed and they are often too technical for the average lay person There is a need for a book which is a comprehensive look at the rapture question and yet attempts to keep the language more understandable To achieve the goal of being comprehensive this book is divided into three parts 1 a critique of the major arguments for a pretribulational rapture

2 an analysis of the major biblical sections which discuss the rapture and 3 a selective commentary on the Book of Revelation The first section defines and evaluates the major pretribulational arguments These arguments are repeated time and again in books promoting a pretribulational rapture They are significant because they either help sustain a pretribulational rapture if justified or they weaken it significantly if not The church is not destined for wrath The rapture must be imminent The distinction between the church and Israel The posttribulationists spiritualize the Bible The types and parables teach a pretribulational rapture The differences between the rapture and second coming The second part of the book is an exposition of the major sections of the Bible which discuss the rapture As the first part writes from the perspective of systematic theology the second part deals with biblical theology The Bible is evaluated independently from a system of theology and attempts to interpret the major texts on the rapture Here are the passages to be addressed The rapture passages in the Gospels The rapture passages In First and Second Thessalonians The rapture passages in First Corinthians The rapture passages in Second Peter The third part focuses upon the Book of Revelation No discussion of the issue of the rapture or eschatology could be complete without including a discussion on this book This book is both complicated and controversial and my intent is not to write a complete commentary about Revelation but only to discuss what is necessary to **No Rapture** Jack Wasson,2009-03 Forty million copies of the Left Behind series have been sold The authors state freely their series is a work of fiction Fiction is not a sin nor even criminal But should fiction evolve into theology The first rule of authorship Identify your audience This book is not for everyone It is only for those who have ever wondered about the scriptural basis for the Rapture Jack Wasson has been a student of the Bible since he was a teenager In 1972 he graduated from Southwestern Assemblies of God College Waxahachie Texas In 1979 he graduated summa cum laude from the University of Texas Arlington with multiple bachelor s degrees that included modern European history international political science and psychology He served in the Army as an officer in military intelligence As an independent businessman he has worked in real estate oil development construction and finance He has been actively involved in evangelistic and mission s work since 1972 He travels frequently to the Middle East This is his first book Amulet's Rapture Linnea Tanner,2019-10-29 Blood stains her Celtic home and kingdom The warrior Druid princess will do anything to retake her kingdom Although Catrin is the rightful heir to the Celtic throne in Britannia she is lucky to be alive After witnessing the slaughter of her family at the hands of her half brother who was aided by the Romans she is enslaved by a Roman commander He disguises her as a boy in the Roman Legion with the belief that she is an oracle of Apollo and can foretell his future The sole bright spot in her miserable new life is her forbidden lover Marcellus the great grandson of the famed Roman General Mark Antony But Marcellus has been wounded and his memories of Catrin and their secret marriage were erased by a dark Druidess Though Marcellus reunites with Catrin in Gaul and becomes her ally as she struggles to survive the brutality of her Roman master he questions the legitimacy of their marriage and hesitates to help her escape and retake her kingdom

If their forbidden love and alliance are discovered her dreams of returning to her Celtic home with Marcellus will be shattered

**Rapture and Melancholy** Edna St. Vincent Millay, 2022-02-22 The first publication of Edna St Vincent Millay's private intimate diaries providing a candid self portrait of the bad girl of American letters Kirkus Reviews Endlessly intriguing and illuminating The publication of Edna St Vincent Millay's diaries is a major literary event providing astonishing insight into the great poet's art and life Chloe Honum author of *The Tulip Flame* The English author Thomas Hardy proclaimed that America had two great attractions the skyscraper and the poetry of Edna St Vincent Millay In these diaries the great American poet illuminates not only her literary genius but her life as a devoted daughter sister wife and public heroine and finally as a solitary tragic figure This is the first publication of the diaries she kept from adolescence until middle age between 1907 and 1949 focused on her most productive years Who was the girl who wrote *Renascence* that marvel of early twentieth century poetry What trauma or spiritual journey inspired the poem And after such celebrity why did she vanish into near seclusion after 1940 These questions hover over the life and work and trouble biographers and readers alike Intimate eloquent these confessions and keen observations provide the key to understanding Millay's journey from small town obscurity to world fame and the tragedy of her demise

**From Rapture to Revelation** Michelle Grace Lysterly, 2006-08-01 Ever since the September 11 2001 attacks on the World Trade Center in New York City there has been a renewed interest in the area of Islamic fundamentalism Consequently the interest in Christian fundamentalism has shifted into the background as it had been a chief concern of a number of authors since the 1970s In 1993 the World Alliance of Reformed Churches WARC the Lutheran World Federation LWF and the Pontifical Council for Promoting Christian Unity PCPCU conducted a multilateral dialogue addressing the worldwide phenomena of Christian fundamentalism and they eventually published a report on their findings entitled *Christian Fundamentalism Today The Papers and Findings of the WARC LWF PCPU Consultation 22-26 February 1993* ed H S Wilson Geneva World Alliance of Reformed Churches 1994 While such writings serve to inform the reader on the issue of Christian fundamentalism they offer no practical steps on how ecumenically minded Christians can more effectively address the spiritual and theological concerns of those who are seeking refuge from the fundamentalist worldview especially within the context of the United States This work will focus on the problem of how ecumenically minded Christians could more effectively address the spiritual and theological concerns of former fundamentalists in the United States especially when dealing with the difficult theological topics of biblical inerrancy and eschatology Since evangelicals closely resemble fundamentalists in doctrine and practice the author will approach this task by conducting a textual analysis of the documents that came out of some of the official bilateral dialogues between evangelical and non evangelical groups in hopes that the results of these documents will offer some clues as to how to improve relations between former fundamentalists and ecumenically minded Christians especially when it comes to dealing with the aforementioned theological issues

**Evidence for the Rapture** John Hart, 2015-07-24 Is the rapture still going to

happen And if so when With contributing scholars from schools like Moody Bible Institute Dallas Theological Seminary and The Master s Theological Seminary Evidence for the Rapture is a convincing and thoroughly biblical case for the rapture This collection of exegetical essays looks at the rapture from a number of biblical angles the words of Jesus in the Gospels Paul s teachings in the epistles and even prophetic and apocalyptic literature In sound exegetical technique the authors corroborate Scripture s main teachings on the end times to provide a trustworthy and concise treatment of a multi faceted issue For the last several hundred years the doctrine of a pretribulation rapture has been a fixture in many churches and institutions Evidence for the Rapture is a fresh polish upon this long standing doctrine     The Particulars of Rapture Avivah Gottlieb Zornberg,2011-02-01 Avivah Zornberg grew up in a world of rabbinic tradition and scholarship and received a Ph D in English literature from Cambridge University The Particulars of Rapture the sequel to her award winning study of the Book of Genesis takes its title from a line by the American poet Wallace Stevens about the interdependence of opposite things such as male and female and conscious and unconscious To her reading of the familiar story of the Israelites and their flight from slavery in Egypt Avivah Zornberg has brought a vast range of classical Jewish interpretations and Midrashic sources literary allusions and ideas from philosophy and psychology Her quest in this book as she writes in the introduction is to find those who will hear with me a particular idiom of redemption who will hear within the particulars of rapture what cannot be expressed Zornberg s previous book The Beginning of Desire Reflections on Genesis won the National Jewish Book Award for nonfiction in 1995 and has become a classic among readers of all religions The Particulars of Rapture will enhance Zornberg s reputation as one of today s most original and compelling interpreters of the biblical and rabbinic traditions     *The Rapture 2028: America's Countdown to Apocalypse!* David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God s will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the

dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14      **A Beginner's Guide to the Rapture** Greg Legge,2019-05-08 The Lord himself will come down from heaven We will hear a loud command We will hear the voice of the leader of the angels We will hear a blast from God s trumpet We will be taken up in the clouds We will meet the Lord in the air And we will be with him forever 1

Thessalonians 4 16 17 NIV Many are waiting for the return of Jesus Christ But what if it s already happened Rapture is the biblical prophecy of Christ s promise to physically return to the earth and gather his followers to meet him in the sky and be granted eternal life in heaven In A Beginner s Guide to the Rapture The History of Christ s Return Greg Legge presents a thorough study of historical evidence to argue that Christ fulfilled this promise nearly two thousand years ago Legge makes a compelling argument that the rapture has come and gone by pairing history with relevant biblical scripture From analyzing the works of 19th century Adventists to detailing the lives of the 1st century leaders of the Roman Empire Legge proves that what society has come to assume about the Second Coming may be completely wrong      **Rapture** David Currie,2003-07-31 The end times error that leaves the Bible behind Author David Currie grew up convinced that one day all true Christians will suddenly be snatched up to heaven The unfortunate souls left behind by this rapture will endure seven horrible years of tribulation at the end of which Christ will return to earth for a glorious thousand year reign Today millions of Christians accept this end times theology assuming as Currie did that the Bible clearly teaches it Many plan their whole lives around it But after studying Scripture for decades Currie has come to see that if you accept the Bible you have to reject the rapture In these remarkable pages which constitute the world s most careful and thorough scriptural study of the rapture Currie demonstrates why He considers all the relevant verses and there are hundreds and examines them in the light of ancient history the writings of the earliest Christians and the claims of rapturist theologians With painstaking thoroughness he unlocks the meanings of the key biblical prophecies that culminate in Christ s Messianic Kingdom including those verses in Daniel Matthew and Revelation that rapturists turn to most Marshalling evidence that s as startling as it is compelling Currie argues that these prophecies of war and tribulation don t point to some still unrealized apocalyptic future Rather most of them were fulfilled long ago the spiritual priestly Kingdom prefigured in the Old Testament was inaugurated on Calvary consummated in 70 A D with the destruction of the Temple and continues to exist today in the Catholic Church That may surprise you Yet shows Currie it s the only conclusion that fits all the scriptural and historical evidence Rapture The End Times Error That Leaves the Bible Behind makes Scripture prophecy and history come alive and it demonstrates that if you open your Bible you ll find that God s plan for the future of the world is not filled with darkness and disaster but with light mercy and hope We can all learn much from David Currie not only from what he says which is wise but from how he says it which is Catholic and Christian From the Foreword by Scott Hahn Special features Over 1 300 references to Scripture the

*Exporting the Rapture* Donald H. Akenson, 2018-08-14 Apocalyptic millennialism is one of the most powerful strands in evangelical Christianity It is not a single belief but across many powerful evangelical groups there is general adhesion to faith in the physical return of Jesus in the Second Coming the affirmation of a Rapture heavenward of saved believers a millennium of peace under the rule of Jesus and his saints and eventually a final judgement and entry into deep eternity In *Discovering the End of Time* 2016 Donald Harman Akenson traced the emergence of the primary packaging of modern apocalyptic millennialism back to southern Ireland in the 1820s and 30s In *Exporting the Rapture* he documents for the first time how the complex theological construction that has come to dominate modern evangelical thought was enshrouded in an organizational system that made it exportable from the British Isles to North America and subsequently around the world A key figure in this process was John Nelson Darby who was at first a formative influence on evangelical apocalypticism in Ireland then the volatile central figure in Brethren apocalypticism throughout the British Isles and also a crusty but ultimately very successful missionary to the United States and Canada Akenson emphasizes that as strong a personality as John Nelson Darby was the real story is that he became a vector for the transmission of a terrifically complex and highly seductive ideological system from the old world to the new So beguiling adaptable and compelling was the new Dispensational system that Darby injected into North American evangelicalism that it continued to spread logarithmically after his death By the 1920s the system had become the doctrinal template of the fundamentalist branch of North American evangelicalism and the distinguishing characteristic of the bestselling Scofield Bible

*Ancient Aliens, the Rapture and the Return of Christ* Chet Cataldo, 2011-05-24 Many cultures around the world have records of ancient aliens who visited them gave them knowledge and left Who are these aliens This book will identify these ancient aliens and describe a coming day

when these aliens will return to the earth The day of the aliens return to the earth will be integrated into the idea of the Rapture and the Return of Christ      **Apostasia in 2 Thessalonians 2:3 — Rapture or Apostasy?** Lee W.

Brainard,2021-11-18 The Greek word apostasia in 2 Thessalonians 2 3 has long been understood to be a reference to an exceptional apostasy or departure from the faith in the last days that comes to an explosive climax during the seventieth week under the tyranny of the antichrist Recently some prophecy teachers have advanced the idea that apostasia in this verse 3 does not refer to apostasy but the rapture They claim that the semantic range of apostasia is not limited to spiritual departure but includes physical departure They also insist that all of the early Bible versions translated apostasia in 2 Thessalonians 2 3 by departure which they regard as a reference to the church s physical departure for heaven Are they correct Is apostasia in 2 Thessalonians 2 3 a reference to the rapture Is it a reference to physical departure that should be translated by the word departure Are translations like falling away revolt and apostasy wrong In this volume I present a mountain of overlooked evidence from Koine Greek the Church Fathers and the Bible versions that shouts an emphatic No to all four questions      **The Rapture Exposed** Barbara R. Rossing,2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture Exposed Barbara Rossing argues that this script for the world s future is nothing more than a disingenuous distortion of the Bible The truth Rossing argues is that Revelation offers a vision of God s healing love for the world The Rapture Exposed reclaims Christianity from fundamentalists destructive reading of the biblical story and back into God s beloved community
