Rare and valuable books and some manuscripts Sotheby's (London), 1858 **Guide to Security Considerations and Practices for Rare Book, Manuscript, and Special Collection Libraries** Everett C. Wilkie, 2011-09 The Guide to

Security Considerations and Practices for Rare Book Manuscript and Special Collection Libraries is the first such book intended specifically to address security in special collection libraries. Containing nineteen chapters, the book covers such topics as background checks, reading room and general building design, technical processing, characteristics and methods of thieves' materials recovery after a theft, and security systems. While other topics are touched upon, the key focus of this volume is on the prevention of theft of rare materials. The work is supplemented by several appendices, one of which gives brief biographies of recent thieves, and another of which publishes Allen's important Blumberg Survey, which she undertook after that thief's conviction. The text is supported by illustrations, a detailed index, and an extensive bibliography. The work, compiled and edited by Everett C. Wilkie Jr., contains contributions from Anne Marie Lane, Jeffrey Marshall, Alvan Bregman, Margaret Tenney, Elaine Shiner, Richard W. Oram, Ann Hartley, Susan M. Allen, and Daniel J. Slive, all members of the ACRL Rare Books Manuscripts Section (RBMS) and experts in rare materials and the security of these materials within special collections. This work is essential reading for all those concerned with special collection security, from general library administrators to rare book librarians. c From Amazon.com

[Creating the John Brown Legend](#) Janet Kemper Beck, 2009-04-21. One of the triggering events of the Civil War helped divide a nation but also launched a cannonade of persuasive essays and propaganda. Early press reaction to John Brown's raid on Harpers Ferry ranged from indignant horror in the South to stunned disbelief in the North. Brown's supporters wielded great power with their pens. Ralph Waldo Emerson, Henry David Thoreau, Frederick Douglass, Thomas Wentworth Higginson, and Lydia Maria Child. This book explores the moment when literature and history collided and literature rewrote history. This volume features 30 photographs, maps, proclamations, and broadsides and a detailed timeline of events surrounding the raid.
