Rashomon and Other Stories 雨月物語, 1952 For contents see Author Catalog Rashomon Ryunosuke Akutagawa, 2003-01-01 **Encyclopedia of Literary Translation Into English: A-L** O. Classe, 2000 **RASHŌMON and other stories** RYUNOSUKE AKUTAGAWA, 2025-01-04 Rashomon The story is set in a dilapidated Rashomon gate in Kyoto during a time of social and economic decline. A nameless servant recently dismissed by his master takes refuge under the gate to escape a rainstorm. He is faced with a moral dilemma: should he uphold his principles and starve, or abandon his ethics to survive? While under the gate, the servant encounters an old woman plucking hair from the corpses left there. She explains that she uses the hair to make wigs to sell and survive. The woman justifies her actions by claiming that the dead in life were also dishonest, so her deeds are no worse. Moved by desperation, the servant decides to abandon his morality. He attacks the old woman, robs her, and leaves her unconscious, resolving to do whatever it takes to survive. **Rashomon and Other Stories** Ryūnosuke Akutagawa, 1972 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1952 Includes Part 1A Books The Poem in the Story Harold Scheub, 2002-12-05 Fact and fiction meet at the boundaries between where transformations occur. This is the area of ambiguity where fiction and fact become endowed with meaning, and this is the area where ambiguity, irony, and metaphor join forces that Harold Scheub exposes in all its nuanced and evocative complexity in *The Poem in the Story*. In a career devoted to exploring the art of the African storyteller, Scheub has conducted some of the most interesting and provocative investigations into nonverbal aspects of storytelling: the complex relationship between artist and audience and most dramatically, the role played by poetry in storytelling. This book is his most daring effort yet: an unconventional work that searches out what makes a story artistically engaging and emotionally evocative: the metaphorical center that Scheub calls the poem in the story. Drawing on extensive fieldwork in southern Africa and decades of experience as a researcher and teacher, Scheub develops an original approach: a blend of field notes, diary entries, photographs, and texts of stories and poems that guides readers into a new way of viewing even experiencing meaning in a story. Though this work is largely focused on African storytelling, its universal applications emerge when Scheub brings the work of storytellers as different as Shakespeare and Faulkner into the discussion.

Heredity of Taste Soseki Natsume, 2012-02-07 Written in eight days in December 1905 and published in the January 1906 issue of the magazine *Teikoku Bungaku* Imperial Literature. Shumi no iden *The Heredity of Taste* is Soseki Natsume's only anti-war work. Chronicling the mourning process of a narrator haunted by his friend's death, the story reveals Soseki's attitude to the atrocity of war, specifically to the Russo-Japanese War of 1904-5 and to the personal tragedies and loss of individuality of young men like his hero Ko-san and the sacrifices made by both the living and the dead. Although the first part of the story powerfully describes the narrator's visions of the war dead, including the recurring vision of Ko-san who cannot climb out of a ditch and return from the war, it is the second half in which a beautiful and mysterious woman appears before

the narrator at Ko san s grave with the promise of transcendence that grips our attention The story centers on finding out the identity of this woman and her relationship with Ko san with it s implication that what should have been a love story has been shattered by the reality of war a reminder of the magnitude of Japan s sacrifice for it s so called victory *Kojiki*,2012-06-19 Written by imperial command in the eighth century The Kojiki Records of Ancient Matters is Japan s classic of classics the oldest connected literary work and the fundamental scripture of Shinto A more factual history called the Nihongi or Nihon Shoki Chronicles of Japan was completed in A D 720 but The Kojiki remains the better known perhaps because of its special concern with the legends of the gods with the divine descent of the imperial family and with native Shinto Both works have immense value as records of the development of Japan into a unified state with a well defined character Indeed even the mythological aspects were accepted as fact throughout most of subsequent Japanese history until the defeat and disillusionment of the nation in 1945 This classic text is a key to the historical roots of the Japanese people their early life and the development of their character and institutions as well as a lively mixture of legend and history genealogy and poetry It stands as one of the greatest monuments of Japanese literature because it preserves more faithfully than any other book the mythology manners language and traditions of Japan It provides furthermore a vivid account of a nation in the making The work opens when chaos had begun to condense but force and form were not yet manifest and there was nought named nought done It recounts the mythological creation of Japan by the divine brother and sister Izanami and Izanagi tales of the Sun Goddess and other deities the divine origin of Jimmu the first emperor and the histories of subsequent reigns Epic material is complemented by a fresh bucolic vein expressed in songs and poetry This famous translation by the British scholar Basil Hall Chamberlain is enhanced by notes on the text and an extensive introduction discussing early Japanese society as well as The Kojiki and its background Important for its wealth of information The Kojiki is indispensable to anyone interested in things Japanese Flower Mat Shugoro Yamamoto,2012-01-09 First published as Hanamushiro in 1948 the setting for The Flower Mat is eighteenth century Japan a time when families were bound together by a rigid code of honor and individual lives were of necessity valued far less than the interests of the group It tells of a young bride Ichi born into such a tradition groomed in the virtues of ideal womanhood and finally tempered by tragedy Her life and fate are bound up inexorably with the fortunes of her in laws high ranking officials She soon becomes aware that something is dreadfully wrong that something is threatening her home and her peaceful way of life Uneasy and frightened she tries to put clues together but her questions go unanswered Political intrigue and sudden tragedy force her into a new and unfamiliar world We follow Ichi as she grows from passive observer a wife suppressing her own passions to active agent a woman who will risk anything for justice Struggling for truth and justice Ichi finds her only weapons are her own strength and the lovely mats decorated with delicate flowers that she designs Readers everywhere will find this a solid account of personal development and responsibility in the life of one Japanese woman **To the Spring Equinox and Beyond** Natsume Soseki,2012-02-14 This

classic Japanese story by Soseki Natsume the foremost novelist of the Meiji Period is a masterpiece of Japanese literature This book demonstrates Soseki Natsume's ability to dissect and elucidate the human personality in all its complexity Here his facile blending of narrative extended monologue and sharp dialog leaves the reader with an almost personal knowledge of the characters We are introduced to Keitaro a recent college graduate hunting for his first job he is the hero through whose eyes the other characters are seen There is also Morimoto the young adventurer with his tall tales Sunaga a troubled young man whose moving story forms the center of the novel Taguchi Sunaga's fun loving yet practical uncle Matsumoto another uncle a high class idler but wise in his own way and Chiyoko Sunaga's cousin and apparently the cause of much of his distress Keitaro does not merely tell us the story of the others however Their lives are a part of his elucidation beyond that of the world of academia and his knowing them enables him eventually to experience however directly or indirectly the romantic the practical the philosophical and the existential
