**Violence to Speaking Out** Leonard Lawlor, 2016-08-30 Drawing on a career long exploration of 1960s French philosophy Leonard Lawlor seeks a solution to the problem of the worst violence The worst violence is the reaction of total apocalypse without remainder it is the reaction of complete negation and death it is nihilism Lawlor argues that it is not just transcendental violence that must be minimised all violence must itself be reduced to its lowest level He offers new ways of speaking to best achieve the least violence which he creatively appropriates from Foucault Derrida and Deleuze and Guattari as speaking freely speaking distantly and speaking in tongues      Stephens' Book of the Farm Henry Stephens, 1908
