RJ Alexander

Rather Light Candles Than Rage Against The Darkness:

Rather Light Candles E. Rawlins, 2003-11 Amazingly succinct and timely poetry uplifts and inspires the reader to feel more powerful in today's unsettling world. This is an eclectic free flowing high spirited volume of deep insights and spiritual challenges including interfaith observations and an inspiring pilgrimage to Lourdes. Included in this collection are descriptions of a Darshan with Mother Meera, an ode to the mystical mountain Montserrat, a hymn of praise for Mary Baker Eddy and a transformational evening at Carnegie Hall listening to the works of composers sentenced to death during World War II. Chance encounters with strangers and poignant everyday miracles give the reader indelible impressions of truth, joy, compassion and humility. A must read for anyone devoted to becoming part of the solution rather than contributing to the problems we are as a world community experiencing at this time in history. Science Fact and Science Fiction Brian M.

Dean, 2017-02-14 If you are

passionate about participating in the recovery of preaching for the spiritual formation of God's people, then you will want to jump into this lively collection of biblically rigorous, culturally intuitive, grace-drenched sermons. Robert Dean sets the bar very high even as he throws the gauntlet down with these remarkable expressions of all that preaching was supposed to be and can still become. Animated by the conviction that the preached word is the playground of the Living Word, the pages of *Leaps of Faith* are populated by saints and sinners, pimps and prophets. Unexpectedly and delightfully, Bono works alongside Bonhoeffer. Dr. Phil learns a lesson from the Amish and a discussion of body odor primes the senses for contemplating the mission of God. Rooted deeply in the lives of actual worshipping communities, these wonder-laden sermons from the prophetic imagination of an emerging pastor-theologian dare the reader to leap into the continuing story of the Triune God and in doing so discover that all of life has been taken up in the Gospel of Jesus Christ. *Saying Yes to Life* Ruth Valerio, 2019-12-19 Ruth Valerio's book is perfect for individuals and groups to think, reflect, pray and be challenged together. JUSTIN WELBY from the Foreword: An arresting and thought-provoking book brilliantly conceived by turns beautiful and sobering, encouraging and challenging. PETE WILCOX, BISHOP OF SHEFFIELD. *Saying Yes to Life* originally published as the Archbishop of Canterbury

s Lent Book 2020 lifts our focus from natural everyday concerns to issues that are having an impact on millions of lives around the world As people made in the image of God we are entrusted to look after what he has created to share in God s joy and ingenuity in making a difference for good Ruth Valerio imaginatively draws on the Days of Creation Genesis 1 as she relates themes of light water land the seasons other creatures humankind Sabbath rest and resurrection hope to matters of environmental ethical and social concern Foundational to Saying Yes to Life is what it means to be human and in particular to be a follower of Jesus Voices from around the world are heard throughout and each chapter ends with discussion questions and a prayer to aid action and contemplation

□□□□ □□□ Ron Wolfson,1996 Designed to help celebrate and enrich the holiday season explores the holiday s origins the reasons for the Hanukkah candles and customs and provides everything from recipes to family activities Putting the holiday in a larger timely context December Dilemmas deals with ways in which a Jewish family can cope with Christmas
