Postrevolutionary Iran Mehrzad Boroujerdi,Kourosh Rahimkhani,2018-06-05 The 1979 revolution fundamentally altered Iran s political landscape as a generation of inexperienced clerics who did not hail from the ranks of the upper class and were

not tainted by association with the old regime came to power The actions and intentions of these truculent new leaders and their lay allies caused major international concern Meanwhile Iran s domestic and foreign policy and its nuclear program have loomed large in daily news coverage Despite global consternation however our knowledge about Iran s political elite remains skeletal Nearly four decades after the clergy became the state elite par excellence there has been no empirical study of the recruitment composition and circulation of the Iranian ruling members after 1979 Postrevolutionary Iran A Political Handbook provides the most comprehensive collection of data on political life in postrevolutionary Iran including coverage of 36 national elections more than 400 legal and outlawed political organizations and family ties among the elite It provides biographical sketches of more than 2 300 political personalities ranging from cabinet ministers and parliament deputies to clerical judicial and military leaders much of this information previously unavailable in English Providing a cartography of the complex structure of power in postrevolutionary Iran this volume offers a window not only into the immediate years before and after the Iranian Revolution but also into what has happened during the last four turbulent decades This volume and the data it contains will be invaluable to policymakers researchers and scholars of the Middle East alike *Serpent Rising* Frank Dirscherl,Greg Gick,2019-04-09 This is the never before told origin story of The Wraith s arch nemesis the Cobra Who he is how he came to be and how his and the original Paul Sanderson s lives intertwined at key moments causing them to become deadly adversaries It s all here action horror thrills and gut wrenching heroism *Female Sexual Slavery* Kathleen Barry,1984-12 Examines the nature and extent of female sexual slavery exploring the psychological foundations of male dominance and surveys the by products of a patriarchal society pimps procurers rapists enforced marriages and polygamous arrangements
