Return To The Sea Reflections On Anne Morrow Lindbergh's Gift From The Sea:

Return to the Sea Anne M. Johnson, 2005-02-17 In 1955 Anne Morrow Lindbergh published her timeless book of reflections *Gift from the Sea*. This perennial favorite used the metaphor of seashells to explore the inner spiritual path gently guiding readers to practice simplifying, quieting, shedding, and centering in a too frantic world. Two generations later in a far more fast-paced world, Anne M. Johnson asks women to discover the beauty and meaning of Lindbergh's timeless shells all over again. In *Return to the Sea*, she uses experiences from her own spiritual journey as a busy mother, career woman, and therapist to offer a renewed vision of ways to create intentional space in our lives for personal and spiritual growth. Shell illustrations along with centering exercises, meditations, and journal writing exercises enhance each chapter's reflections on Lindbergh's original shell passages. Readers who loved *Gift from the Sea* the first time and women who have yet to be introduced welcome these reflections in a beautiful new gift edition.

Sacred Selfishness Bud Harris, 2005 While growing up, selfishness is defined for most people as a destructive force: power-driven self-obsession, a tyranny against others, and a drain on energy. Early lessons teach that the needs of others must be put above one's own. This has created a culture of outward-directed people cut off from the inner sources of energy and vitality. Failing to develop one's individuality can eventually lead to depression and ill health. Only after becoming whole can one help others as well as society. This is the lesson of *Sacred Selfishness*, in which Jungian analyst Bud Harris argues persuasively that one must live authentically in order to be whole, happy, healthy, and a truly contributing member of society. This essential guide offers many strategies readers can use in order to live a sacredly selfish life: from analyzing dreams to keeping a detailed journal that teaches seekers to understand themselves, their worth, and their needs.

A Study Guide for A. Scott Berg's "Lindbergh" Gale, Cengage Learning, 2016 A Study Guide for A. Scott Berg's *Lindbergh* excerpted from Gale's acclaimed *Nonfiction Classics for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. Living Water, Klara Tammany is a professional Christian educator who goes about her calling with a joyous urgency. This book demonstrates her impassioned approach to religious instruction. She starts with the premise that ongoing Christian education must be central to a life of faith and then proceeds from the corollary that baptism must be central to all Christian education. Eight group sessions focus repeatedly on water: first as a natural element necessary to life, then as a symbolic element necessary to spirituality. Gradually, through prayer, song, scripture, silence, poetry, visual arts, storytelling, group discussion, and personal reflection, water as baptismal element gains ascendancy. No longer mere occasional refreshment, *Living Water* inundates, becomes life's very medium. This text makes for excellent catechumenal preparation but is intended for use by all Christians: those who are years into their journeys as well as those who are beginning. Designed for small groups of adult Episcopalians, the program is easily adaptable to other denominations, to one on

one spiritual mentoring to children young adult or intergenerational groups and even to individuals for private meditation
