Return To Zion:

The Return to Zion ,1974 Return to Zion Ben Witherington,Ann Witherington,2015-10-23 Time is running out for Khalil el Said as his cancer treatments have become less and less effective And so it is that his old friends Art West and his new wife Marissa and Grace Levine plan something very special for Khalil while there is still time the opening of an el Said wing of the Israeli Museum of Antiquities which includes many of the items he bequeathed to the museum over many years All of this might be quite enough but as the Wests and others arrive in Jerusalem a huge explosion blows the top off of the Dome of the Rock How did it happen Will there be war And who is this person hiding in the shadows who seems to be the spitting image of the well known dead villain el Tigre Along the way new archaeological discoveries come to light and Yelena the adopted daughter of Grace and Manny must decide if her future lies in Israel or not The old friends discover they are at a crossroads in all their lives which avenues will they take as the future beckons **The Return to Zion** Bodie Thoene,1987 With Moshe and Rachel trapped behind the walls of the Old City British forces prepare to leave Palestine David recruits help from America to join in the efforts of the Jewish Agency to arm its people against the Arab onslaught **The Return to Zion** Aryeh Rubinstein,1974 **Redemption of Israel and Return to Zion** ,1962 Holocaust and Return to Zion Shubert Spero,2000 The author analyzes the idea of history from both a Jewish and a philosophical perspective with emphasis on its special significance for Judaism **Return to the Garden of Eden** Thaddeus Kedziora,2015-08-06 Return to the Garden of Eden is dedicated to refuting the unbiblical error of Replacement Theology which supposes that God has spiritually replaced Israel with the Church The problem with this understanding is if God replaced Israel who was promised an everlasting possession of land then what good is His promise of an everlasting salvation to the Church This book concentrates on the multitude of verses in scripture which indicate that the national restoration of Israel is an absolute imperative It demonstrates that Israels existence today was not only predicted but necessary for Christ to return to earth just as He said He would This book illuminates the fact that Israel being a nation in our time is a miracle to be witnessed by we Christians and a comfort and encouragement that God always keeps his word literally not allegorically As it Was in the Beginning Mark D Owens,2016-05-26 The meaning of Paul s comments about the new creation in 2 Corinthians 5 17 and Galatians 6 15 has long been obscured Debate has raged for years with some arguing that the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ and others that this phrase should be understood cosmologically and linked with Isaiah s new heavens and new earth Still more advocate an ecclesiological interpretation of this phrase that centres Paul in the new community formed around Jesus Christ In As It Was in the Beginning Mark Owens argues that the concept of new creation should be understood within the realm of Paul s anthropology cosmology and ecclesiology Paul s understanding of new creation belongs within an Urzeit Endzeit typological framework especially within 2 Corinthians 5 6 and Ephesians 1 2 Owens s reading of new creation gives due weight to the

use of Isaianic traditions in Paul's letters and to demonstrate that the vision of new creation in 2 Corinthians and Galatians is in striking harmony with that of Ephesians

The Book of Joel Elie Assis, 2013-04-11

Prophetic sayings are generally a reaction to immediate realities and therefore attempts to understand prophetic literature without the benefit of the prophet's historical milieu are limited or inaccurate. Contrary to the prevailing opinion that Joel is post-exilic, the book is located within the exilic period, recognising the lack of any rebuke consistent with a people experiencing deep despair. The Book of Joel places great emphasis on the motif of the divine presence residing in the midst of Israel, and it is asserted that the prophet's main purpose was to bring the people to renew their connection with the Lord after the destruction of the Temple, which though physically ruined, had not lost its religious significance. A literary and rhetorical analysis demonstrates how the prophet sought to influence his audience. Literary devices and rhetorical tools are investigated, and their relevance and contribution to the book's meanings are explored. One central feature of the book is its focus on a detailed discussion of the position and purpose of the locust plague, employing recent literary approaches.
