For twelve years he rode as an officer of the United States Army For one year he served as an apprentice warrior of the Apaches Torn between two loyalties Nathaniel Barrington prays he has found the peace he sought for so long By the side of Clarissa his star crossed mate he marks his stake as a rancher on land no one else dares claim deep in Apache territory But Barrington s respite is short lived For the Apache nation is caught between the pincers of the bluecoats from the north and the Mexicans from the south And under the fiery leadership of Geronimo Barrington s brother warrior the tribe is ready to break free Bloodshed abduction and revenge strike close to Barrington s home and heart Now taking the name Sunny Bear the White Apache Nathaniel Barrington will don the skin of a cougar and venture out on a hunting foray that will leave him prey to every man s greatest fear Night of the Cougar The spectacular sixth novel of the authentic Apache Wars Saga series that includes Desert Hawks War Eagles Savage Frontier White Apache and Devil Dance Glory Denied Tom

Philpott,2012-05-28 Now hailed as a classic one of the most unforgettable and heartbreaking books ever written about the Vietnam War Glory Denied is the harrowing and heroic story of Floyd Jim Thompson captured in March 1964 who became the longest held prisoner of war in American history Tom Philpott juxtaposes Thompson s capture torture and multiple escape attempts with the trials of his young wife Alyce who feeling trapped made choices that forever tied her fate to the war she despised One of the most honest books ever written about Vietnam Oliver Stone Glory Denied demands that we rethink the definition of a true American hero *Old Glory Stories* Cole Kingseed,2013-11-15 Saying that no generation of Americans

has produced a finer array of combat commanders than that of World War II a thirty year army veteran examines combat leadership throughout the war at every level of command in the U S Army The author argues that although Army chief of staff George C Marshall s organization and training policies were indispensable the ultimate victory was the result of spirited leadership and the undaunted courage of those who served from individual riflemen to the upper echelons of army command Rather than a history of battles and campaigns this book is an analysis of leadership in combat over three continents and across two oceans It looks at how soldiers react in war how sergeants lieutenants captains and generals direct soldiers in the most intense of all human dramas The first part focuses on the generals and takes a thematic approach examining such topics as restoring the fighting spirit and analyzing the unique characteristics required to command special units in combat The second part examines a special breed of junior leaders who fought the German and Japanese armies on the front lines and whose contributions merit attention Like war correspondent Ernie Pyle Kingseed includes both the big and the little to offer a balanced view of what makes a good combat leader **The Demon Apostle** R.
