English Passengers Matthew Kneale, 2008-12-10 In 1857 when Captain William Quillian Kewley and his band of rum smugglers from the Isle of Man have most of their contraband confiscated by British Customs they are forced to put their ship up for charter The only takers are two eccentric Englishmen who want to embark for the other side of the globe The Reverend Geoffrey Wilson believes the Garden of Eden was on the island of Tasmania His traveling partner Dr Thomas Potter unbeknownst to Wilson is developing a sinister thesis about the races of men Meanwhile an aboriginal in Tasmania named Peevay recounts his people's struggles against the invading British a story that begins in 1824 moves into the present with approach of the English passengers in 1857 and extends into the future in 1870 These characters and many others come together in a storm of voices that vividly bring a past age to life

A Soul Returns Phillip Wayne Cummins, 2020-08-10 Two ancient civilizations and two ancient religions collide once again For generations Sayyid Rashid the wealthiest man in the world has been manipulating the policies of both the Middle East and the United States to achieve his ultimate goal the destruction of Israel The owner of the world's largest pharmaceutical corporation he uses his vast wealth and modern medical technology to create a leader like the world has not seen since ancient times However he does not anticipate the evil that will be brought in to the world Could this be the fulfillment of two ancient prophecies The Templar Knights is an ancient organization whose modern day reason for existence is to protect the nation of Israel Searching for the only people who can disrupt Rashid's plans the Templars are led to the remote mountains near the Salmon River in Idaho Will the Templars succeed in protecting them from Rashid's men or will they be destroyed by their own internal struggles Caught in the middle are twin brothers who were separated at birth and raised on opposite sides of the world Now one's creation is out to destroy the world the other is out to destroy the creation Will one or both survive As the world moves toward peace is it true peace or the greatest deception ever seen
