Worship with Teenagers Eric L. Mathis, 2022-02-15 This book addresses the vital role of public Christian worship in adolescent spiritual formation and shows how important youth ministry and worship ministry are to each other. Despite numerous research projects, books, articles, and resources that have been published about teenagers and about worship in recent years, the relationship between the two has been addressed only peripherally if not altogether overlooked. Drawing on his extensive experience in worship ministry and youth ministry, Eric Mathis offers insights into the worship practices of teenagers, corrects common misperceptions about worship, and critically examines four prominent worship models in current practice. Mathis invites youth pastors, worship leaders, ministerial students, and congregations to elevate the voices of young people in the worshipping community and enhance worship for all ages. The book includes a foreword by Kenda Creasy Dean.
