Revelation And The Fall Of Judea:

Revelation Maurice A Williams,2008-04 The Book of Revelation has been interpreted many different ways throughout history Revelation Fall of Judea Rise of the Church focuses on three concepts from Scripture John the Baptist announced who the Messiah is those who try to destroy the Messiah s mission will themselves be destroyed Judea ceased to exist as a nation from A D 135 until recent times and Satan will be released after one thousand years to deceive the nations Unlike many popular interpretations of Revelation that predict a future rapture and tribulation the author proposes that many of the predictions happened during the early Church age as unbelievers tried to destroy Christ s Church Satan as predicted was released to deceive the nations one thousand years after the Church was firmly established As a result the world today is filled with thousands of conflicting Christian sects and with non Christian occult even anti Christian movements that have propelled humans to as dangerous a rebellion against God as the one before the flood **The Decline and Fall of the**

Kingdom of Judah Thomas Kelly Cheyne,1908 *Egypt My People... and Israel My Inheritance* Daniel C.

Timmer,2025-07-01 Few parts of the OT are more challenging to read than the prophets Not only are so called messianic passages relatively rare but apart from Jonah these books seem to present a message that is particularly negative if not xenophobic when it comes to the nations Daniel Timmer contends that this impression is not only mistaken but diametrically opposed to the books message Following the direction established by God s foundational promise to Abram in Genesis 12 Timmer examines the presentation of the nations in the Latter Prophets in their original contexts through the NT and into the church s contemporary mission He explains how the prophets negative presentations of the nations fit into God s purpose to redeem people from every tribe and nation and explores the radical significance of the prophets frequent predictions that non Israelites will become integral members of God s chosen people The volume also deals with practical issues including the place of ethnicity and nationality in Christian identity and the church s fraught relationships with secular and political power structures **Judah, Tell Ephraim It's Time** Thomas H. Perdue,2013-01-18 Judah Tell Ephraim Its Time is a book that looks toward the glorious time of Yeshuas second advent to the Sabbath Kingdom Israels Golden Age to eternity

Biblical Eschatology, Second Edition Jonathan Menn,2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible s overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of

Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians including pastors, students, and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible.

The Illustrated Bible Story by Story DK, 2024-02-27. The greatest story ever told is explored and explained in unprecedented detail inside this spectacular illustrated family Bible. This indispensable best-selling Bible incorporates the history of the book, the Old Testament, the New Testament, and a special section on Biblical people and places. The stories are retold by experts from all denominations, resulting in an absorbing volume designed to educate and entertain readers young and old. Key figures are also introduced from Adam and Abraham to Peter and Paul, while important sites such as Jericho, Jerusalem, and Mount Sinai are depicted alongside photographs and specially commissioned maps to truly set the scene. All the most important episodes are brought to life with beautiful illustrations, works of art, historical artifacts, and pull-out quotations. The Illustrated Bible takes an innovative and inspiring visual approach to this classic book, resulting in the only reference you'll ever need for the whole family.

One Layman's Contemporary Theology Michael S. K. Toh, 2014-07-17. The credential of the author is based upon the fact that he is a trained psychologist, a biologist, and a scientist and has been in management/business fields for many years, having been exposed in all aspects of commerce and finance. He has a Master's degree in Industrial Psychology from the University of Sydney, a Bachelor of Science degree with a double major in psychology from Australian National University, and a major in Biology from RMIT. Was awarded the Elizabeth and Martin Summit Prize in Psychology, an annual award given to the most outstanding student in Psychology at Sydney University. He has been teaching in a university for several years and was involved in politics for some time but voluntarily chose to pursue a different path because of the incompatible sets of values that are required against what he believed in. He has a background of Buddhist and Confucian upbringing and was converted to being a follower of Jesus as a Catholic. However, he had been battling with what the churches taught and his knowledge and understanding in the fields of biology and psychology, new discoveries of physical sciences in which he was trained against the background of his upbringing in a culture that was homogenous and has survived for more than 5000 years of history and his life experiences in the modern commercial/materialistic world/culture. He believes in doing God's work in whatever circumstances he was placed to be guided by the principles of what he believed Jesus has taught in establishing a consistent logical framework that is universal and more holistic, the result of which is the writing of this book. One of his greatest gifts is his ability to analyze things logically, and he has been a good debater when he was at school. He has thus put all his thoughts down, gathered from his training, life experiences, and his wide exposure in the modern world environment to establish an overall consistent logical framework in understanding the meaning of life in the order of things and the role religion plays in assisting each individual to achieve the universal objective of a salvation and the conflicts that are generated as a result of different derivatives of history and culture.

of the world **King of Israel** Glen P. Carlin,2024-08-08 In King of Israel Glen Carlin delves deeply into biblical eschatology focusing on the ultimate survival of a fragment of Jewish people known as the remnant of Israel who will be redeemed by their Messiah at the end of the Great Tribulation period Mr Carlin walks readers through the chronology of the persecution of the Jewish people by Satanic world powers Led by the Antichrist ten kingdoms invade the Holy Land during the Great Tribulation The Israelites are forced to escape Jerusalem and Judea and their brethren Jews endure a worldwide expulsion from their adopted countries Under the LORD s protection they are gathered at Mount Nebo in the Middle East There they will recover the Ark of the Covenant and the Temple vessels removed by the prophet Jeremiah from Solomon s Temple At Mt Nebo they also recover the body of Moses and are then led by the prophet Elijah into the wilderness where they are reconciled with the LORD Here they are given grace and the veil covering their eyes is lifted to recognize their Messiah Jesus At the battle of Armageddon the remnant of Israel is victorious returning to possess the Promised Land Built on scripture and historical research King of Israel pulls together prophecy from the Old and New Testament demonstrating the Grand Narrative of Redemption written by God and revealed through His Word It s a fascinating storyline and a message of hope and promise to His people today and in the future **Israel, Or The Ten Tribes, Identified with the Anglo-Saxon and Other Branches of the Teutonic Race. Being the Report of a Meeting of the Anglo-Ephraim Association, Held in St. Jude's Lecture Hall, Mildmay Park, Wednesday, 24th June, 1874, Etc** Anglo-Ephraim Association (London),1874 **Paul and the Resurrection of Israel** Jason A. Staples,2023-11-23 Promotes an exciting new idea Paul s gospel of Gentile inclusion is intrinsic to Israel s salvation promised in the Hebrew Bible
