Revelation Redemption And Response:

Revelation, Redemption, and Response Philip Walker Butin, 2023 **A Worship Reader** Ron Man, 2025-10-16 This is a reader comprising short studies drawn from twenty years of the online monthly newsletter Worship Notes It covers a range of biblical theological and practical topics of interest to pastors worship pastors worship leaders and engaged laypeople The compact nature of each study provides a manageable and accessible vehicle for study and reflection The Way of Worship Student Workbook Michael Neale, Vernon Whaley, 2020-04-14 The Way of Worship Student Workbook is a practical guide that accompanies The Way of Worship providing questions for discussion and reflection as well as hands on activities to better prepare you for a lifestyle of worship It is a resource to encourage those who are answering the calling of God on their lives to lead worship The Way of Worship available separately provides a biblical theology of worship as well as a practical manual for practicing private and public worship as a way of life This accompanying workbook serves as a journal and guidebook allowing those who read and study The Way of Worship to further explore the concepts internalizing and applying them to life *John Calvin's Ideas* Paul Helm, 2004-11-11 This is a major study of the theological thought of John Calvin which examines his central theological ideas through a philosophical lens looking at issues in Metaphysics Epistemology and Ethics The study the first of its kind is concerned with how Calvin actually uses philosophical ideas in his work as a theologian and biblical commentator The book also includes a careful examination of those ideas of Calvin to which the Reformed Epistemologists appeal to find grounds and precedent for their development of Reformed Epistemology notably the sensus divinitatis and the internal testimony of the Holy Spirit **An Examination of the Problems of Inclusive Language in the Trinitarian Formula of Baptism** Thomas J. Scirghi, 2000 The recent attempts to change the traditional Trinitarian formula in baptism in order to rid it of masculine language raises questions concerning the nature of revelation and tradition The study also examines the work of feminist theology which has provided a means for a radical rethinking of religious experience **Trinity and Organism** James Eglinton, 2012-03-29 This book explores the organic motif found throughout the writings of the Dutch Calvinist theologian Herman Bavinck 1854 1921 Noting that Bavinck uses this motif at key points in the most important loci of theology Christology general and special revelation ecclesiology and so forth it seems that one cannot read him carefully without particular attention to his motif of choice the organic By examining the sense in which Bavinck views all of reality as a beautiful balance of unity in diversity James Eglinton draws the reader to Bavinck's constant concern for the doctrine of God as Trinity If God is the Father the Son and the Holy Spirit Bavinck argues the creation must be more akin to an organism than a machine Trinity and organism are thus closely linked concepts Eglinton critiques and rejects the two Bavincks one orthodox and the other modern hermeneutic so commonplace in discussions of Bavinck's theology Instead this book argues for a reunited Herman Bavinck as a figure committed to the participation of historic orthodox theology in the modern world **Calvin, Classical Trinitarianism, and the Aseity of the Son** Brannon Ellis, 2012-06-28 Brannon

Ellis investigates the various Reformation and post Reformation responses to Calvin's affirmation of the Son's aseity or essential self-existence a significant episode in the history of theology that is often ignored or misunderstood

The Identity and the Life of the Church Yosep Kim, 2014-07-09 This study of John Calvin's ecclesiology argues that Calvin's idea of the twofold identity of the Church its spiritual identity as the body of Christ and its functional identity as the mother of all believers is closely related to his understanding of Christian identity and life which are initiated and maintained by the grace of the triune God The anthropological basis of Calvin's idea of the Church has not been examined fully even though Calvin presents the important concepts of his ecclesiology in light of his anthropological ideas This study offers an overall evaluation for Calvin's ecclesiology arguing that it is ultimately his pastoral concern for the Christian and the Church under affliction that both governs his theological understanding of the Church and shapes his proposals for establishing and sustaining the life of the Church in the world

Paul through the Eyes of the Reformers Stephen J. Chester, 2025-04-03

A brilliant reappraisal of Protestant Reformers' views on Paul In this incisive book Stephen Chester challenges misconceptions and provides new insights into how sixteenth-century Protestant Reformers interpreted the writings of Paul Writing for those who are interpreting Pauline letters in and for today's world Chester demonstrates the value of a nuanced and accurate understanding of the Reformers' views on Paul Throughout the book Chester draws on key ideas from his monumental work *Reading Paul with the Reformers* which won Christianity Today's book of the year award in biblical studies In *Paul through the Eyes of the Reformers* Chester updates the argument and presents the ideas in a shorter and more accessible form designed for a broad readership To help readers better understand the Reformers' historical and theological context Chester surveys perspectives on Paul prior to the sixteenth century Against this background Chester illuminates the paradigm shifts in Pauline interpretation that unfolded during the Reformation paying special attention to the work of Martin Luther Philip Melancthon and John Calvin He also discusses the promise and challenge of reading Paul with the Reformers today highlighting the importance of engaging with the Reformers' work critically reaching different conclusions from them where necessary and taking inspiration from them when appropriate *Paul through the Eyes of the Reformers* is a remarkable resource for biblical scholars who care about Paul and his theology

Life in Christ Mark A. Garcia, 2008-04-01 In three wide-ranging case studies Mark A. Garcia offers a comprehensive yet focused analysis of the centrality of union with Christ in Calvin's thought It explains not only the distinctive nature of Calvin's response to Rome on justification but why this response must be carefully distinguished from that of his Lutheran counterparts The fruit of these investigations is the first extensive demonstration that Calvin's exposition of union with Christ in relating justification and sanctification points to an emerging Reformed theology of justification that diverges from the Lutheran tradition Calvin's exegetical and theological model of union with Christ accents the importance in the early Reformed tradition of the relationship between Christology and salvation
