Revelation And Theology The Knowledge Of God In Balthasar And Barth:

Revelation and Theology Roland Chia, 1999-01-01 This book examines the theological epistemologies of two of this century's most prominent theologians Hans Urs von Balthasar and Karl Barth. Both theologians responded to modernist theologies by drawing from the best of their own traditions. Both tried to reinstate theology as a true science which takes its object namely the revelation of God in Jesus Christ seriously. They therefore make excellent conversation partners. This book closely traces their arguments as they seek to formulate their understanding of theological knowledge and theological science from a christological and trinitarian perspective based on the concrete self-disclosure of God in Jesus Christ.

Contents

Part One The Theological Epistemology of Hans Urs von Balthasar A Theological Aesthetics The Unfolding of the Form Perceiving the Form

Part Two The Knowledge of God According to Karl Barth The Knowability of God The Revelation of God The Limits and Veracity of Our Knowledge of God

Part Three Dialogue Revelation and Theology Karl Barth and Catholic Analogy Balthasar and Analogical Analogy

Karl Barth and Hans Urs von Balthasar Stephen Wigley, 2007-09 Two of the most important theologians of the last century Karl Barth and Hans Urs von Balthasar one a Protestant and the other a Catholic kept a lifelong friendship which also influenced their theological work. This book argues that it is von Balthasar's debate with Barth over the analogy of being which is to determine the shape of von Balthasar's subsequent theology.

Als in Een Spiegel Cornelis Van Der Kooi, 2005-01-01 What is meant by knowing God? By sounding the work of John Calvin and Karl Barth as mirrors of reflection and experience justice is done to the tension between the premodern and postmodern situation and a stimulus is given for a contemporary position.

The Dramatizing of Theology Matthew S. Farlow, 2017-07-14 Matthew Farlow traces the thoughts of Balthasar and Barth so as to enter into the theological truth of God's Being in Act. This exploration embarks on a journey into the reality of our Triune God who has engaged his creation so as to elicit fellow actors. God seeking out humanity is God with us, a truth that not only informs our theological endeavors but invites us into the dramatic performance of reconciliation. As Farlow illumines, God is an acting God who seeks fellow participants in his ongoing drama of salvation. Through the dramatizing of theology the church and her theologians come to realize God's threefold movement: revelation, invitation, and reconciliation. It is a unified act that startles humanity and thus theology out of its spectator's seat so as to drag it onto the world's stage. As Farlow discusses it is through the dramatizing of theology that we find ourselves best equipped to participate faithfully in the role of a lifetime.

Karl Barth's Infralapsarian Theology Shao Kai Tseng, 2016-02-17 Scholars of Karl Barth's theology have been unanimous in labeling him a supralapsarian largely because Barth identifies himself as such. In this groundbreaking and thoroughly researched work Shao Kai Tseng argues that Barth was actually an infralapsarian, bringing Barth into conversation with recent studies in Puritan theology.

Berkouwer and Catholicism Eduardo Echeverria, 2013-04-28 Gerrit Cornelis Berkouwer 1903-1996 was a great master of dogmatic and ecumenical theology. He was a Reformed Protestant thinker with roots in Dutch neo-Calvinism, a holder of the Chair in

Dogmatics 1945 1974 at the Free University Amsterdam a position previously held by his two illustrious neo Calvinist predecessors Abraham Kuyper 1837 1920 and Herman Bavinck 1854 1921 Echeverria provides a much needed in depth analysis and critique of his theology particularly his evolving relationship with Catholicism in light of Vatican II His contention is that Berkouwer's careful and nuanced examination of Catholic theology as well as possible responses to his critiques offers important clues for the contemporary ecumenical project *Karl Barth's Trinitarian Theology* Peter S Oh, 2007-01-20 Analysis of the theme of the Trinity through the thoughts and works of Karl Barth **Hebrews** David L.
