John Campbell

Revelation The Bible:

A Bible Handbook to Revelation Mal Couch, Foreword by John F Walvoord Leading evangelical educators discuss the text of Revelation and the issues that most interest twenty first century readers and students Includes a verse by verse explanation and background analysis *Revelation Bible Study The Last Seven Years* Kathleen Dalton, 2015-07-02 My goal for this chapter by chapter Bible study in Revelation is that we will be overtaken with that sitting in the back seat are we there yet longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history The first time He came as a baby The second time oh my Let s think of world history as a stage and imagine there are a series of curtains on that stage curtains that are fairly see through so that as each curtain is removed the one person standing on the stage gets easier and easier to see That may help us realize what has been happening since the creation of the world and what will be happening as the events of Revelation unfold Every event points to Jesus Every mercy every disaster every judgment every moment of grace all of them reveal Jesus to us more and more and more until finally we see Him clearly in Revelation Chapter 19 mounted on a white horse returning to be King over the world that was made for Him *The Book of Revelation* Thomas Nelson, 2010-01-31 The Book of Revelation is God s message to all who are concerned about the future No Bible guide makes Revelation more understandable than The Smart Guide to the Bible The Book of Revelation You ll grasp the meaning of each verse you ll understand every important symbol and you ll get the big picture of all that God has promised for those who believe in Him The Smart Guide to the Bible is a series of simplified commentaries designed to uncomplicate God s word for everyday Bible readers Every page contains handy features or learning aids like these Cross references to other Scriptures Brief commentaries from experts Points to ponder The big picture of how passages fit with the entire Bible Practical tips for applying biblical truths to life Simple definitions of key words and concepts Interesting maps charts and illustrations Wrap ups of each biblical passage Study questions Whether you re new to the Bible a long time student of Scripture or somewhere in between you ll appreciate the many ways The Smart Guide to the Bible The Book of Revelation goes far beyond your typical Bible study tool The practical relevant helps on each page lead you to get the most out of God s word **Revelation Revealed** Dr. Paul A Vallee, 2019-11-22 In popular culture the focus of the biblical book of Revelation has been on the identity of the antichrist and the end of the world Though Revelation speaks to these issues the book is primarily about Christ and how he addresses humanity s enemies including our greatest enemy death Revelation Revealed is an expository commentary that pushes through popular misconceptions and explains Revelation in a clear and engaging manner Often viewed as a confusing book that is difficult to understand filled with all kinds of incredible imagery Revelation actually brings a message of hope in times of perplexity and crisis In Revelation Revealed Dr Paul A Vallee addresses the cultural background in which the ancient readers understood the text and shows the relevancy of that message to today s readers This book is the culmination of forty years of biblical study The content was originally presented to a live

audience over the course of twenty six weeks The response encouraged Dr Vallee to put into print what the audience described as a positive message clarifying and removing misunderstandings and fear by instilling hope in a world that like the book of Revelation itself is often confusing and overwhelming **Revelation** J.E. Gulbrandsen,2019-05-15 Revelation is possibly the most controversial book in the bible Some famous theologians have even suggested to remove it from the bible canon because it is so hard to understand I will argue it is not that difficult to make sense of as long as we manage to place it on Gods timeline in history and understand Gods relation and reaction to an unrepentant Israel If we allow the bible text to be our theology in stead of trying to fit the bible into our theology it all comes together nicely It is Jesus speaking in Revelation It is not a book to be ignored but to be studied diligently It helps us understand where we are in history on Gods timeline The book in front of you is a commentary to the essential message chapter and verses in the biblical book Revelation You can not fully understand who Jesus is until you understand Revelation Suddenly the overall message of the bible comes together Exciting This book is for bible readers that would like to be challenged and to understand the bigger picture of what God is trying to teach us through his word If you on the other hand have a theology cemented in cherry picked bible verses and religious denominational tradition this book most likely is not for you *Thoughts on Revelation* John Campbell,2024-01-12 Reprint of the original first published in 1874 Revelation R. Berning,D. McMurdo,2007-10 What does Revelation really mean Writers in the past have tried to use their own understanding to explain Revelation instead of using the Bible The result is complicated confusing and difficult to understand The explanation in this book relies on the scriptures There are no complicated verses to connect together no going here and there for answers This book puts the scriptures right in front of you so you can see for yourself if what is said is right **Charts on the Book of Revelation** Mark Wilson,2007 This first of its kind charts book does not seek to support specific interpretations of end times prophecies Instead it depicts the literary historical and theological backgrounds of Revelation arguably the New Testament s most challenging book Includes seventy nine charts timelines and maps All charts are reproducible for classroom use

Exploring Revelation John Phillips,2001-09-01 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **The Book of Revelation** Ed Griffiths,2017-01-04 The Revelation of Jesus Christ which GOD gave unto Him to show unto His servants things which must shortly come to pass This book is structured for a personal study and a way to encourage others to spend time investigating the treasures awaiting all of us in the WORD If events in Revelation are not explicitly delineated in Revelation the meaning is found in other books of the bible This is the only book in the Bible that carries its own blessing for all who read and study this book Blessed is he that reads and they that hear the words of this prophecy and keep those things which are written therein for the time is at hand
