Revelation The Grand Finale Of History:

The Grand Finale of History John L. Benson, 1972 **Revelation** John L. Benson, 1982 **The 50 Final Events in World History** Robert J. Morgan, 2022-04-12

How much do you know about the end of the world In *The 50 Final Events in World History* beloved and respected pastor Robert J Morgan takes readers on a journey through end times prophecy walking step by step through the end of the world to the dawn of the new kingdom of heaven Heard of worldwide pandemics Weapons of mass destruction flashing through the air Global water and air contamination The nation of Israel restored after 2 000 years encircled by hostile nations and buffered by the nation of Jordan Air evacuations with machines having two wings Threats from Russia and Asia Extremism in Turkey Clamor for globalization Hand implants for commerce and security The gospel penetrating unreached places Violent persecution Cascading wickedness The world falling apart All of this is predicted in the book of Revelation If you find yourself baffled and maybe even a little intimidated by end times and the book of Revelation *The 50 Final Events in World History* will be a comprehensive yet easy to understand overview of the book of Revelation resource you can turn to again and again helpful tool that translates the events of Revelation both literally and sequentially and guide to interpret present circumstances as well as future events Revelation is the Bible s final words on the world s last days The key is understanding its simple sequence of events one after another clearly laid out the fifty final events in world history This is information we need to know now since we might soon be on the doorstep of event 1 **The Grand Finale** Anton Wessels, 2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God s kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus **Origins and Grand Finale** Gary Haitel, 2014-05 *Origins and Grand Finale* presents an in depth study of how modern science and astronomy compare to the biblical narrative of the origin of the universe as well as the origin of life Distinguishing between scientific facts and fairy tales as well as biblical facts and poetry author Gary Haitel attempts to build a perfect harmony between science and theology In *Origins and Grand Finale* Haitel is not proposing new scientific theories Instead he merely examines current scientific theories however bizarre they may seem and explains how they relate to the biblical narrative

The second part of this guide focuses primarily on biblical end times and the abuse of political authority In the third part Haitel reflects upon not only the finale of humanity as described in the Bible but also the finale of an individual s physical life here on earth and what to expect after the body returns to the dust of the earth Are we just complex biological accidents or are we immortal spiritual eternal beings Written in a straightforward down to earth fashion Origins and Grand Finale offers a unique opportunity to understand the perfect harmony between science and theology God's Grand Finale Jeff Kinley,2023-06-06 A God Centered Overview of Revelation The Bible s last book is God s final word to mankind and the breathtaking revelation of our Lord Jesus Christ Though this letter describes depravity devils and destruction it also provides an incredible portrait of our almighty God delivering profound insights into who he really is God s Grand Finale examines the 13 characteristics of God that Revelation uniquely and vividly illustrates through its foretelling of earth s last days As you read you will develop a clear overview of end times events experience how God uses the apocalyptic realities of Revelation to reveal himself to you grow in faith as these transformational truths about God deepen your reverence for him When the dust of Revelation settles we behold the Lamb standing and ruling in triumphant sovereign and indescribable glory As God s Grand Finale illuminates how the end times will unfold you ll understand how the narrative arc of Bible prophecy reveals the awe inspiring attributes of God On Islam Abraham Kuyper,2018-01-17 At the beginning of the twentieth century famed theologian Abraham Kuyper toured the Mediterranean world and encountered Islam for the first time Part travelogue part cultural critique On Islam presents a European imperialist seeing firsthand the damage colonialism had caused and the value of a religion he had never truly understood Here Kuyper s doctrine of common grace shines as he displays a nuanced and respectful understanding of the Muslim world Though an ardent Calvinist Kuyper still knew that God s grace is expressed to unbelievers Kuyper saw Islam as a culture and religion with much to offer the West but also as a threat to the gospel of Jesus Christ Here he expresses a balanced view of early twentieth century Islam that demands attention from the majority world today as well Essays by prominent scholars bookend the volume showing the relevance of these teachings in our time
