Revelations The Final Harvest:

Revelations Douglas J. Edgel, 2012-05-01 2012 Edition This is a sweeping novel chockablock with story lines and disastrous events mixed with a compelling undercurrent of inspiration A graphic look at Armageddon by a talented author Santa Barbara News Press Author Douglas Edgel paints a vivid picture of carnage and destruction as we follow the lives of four Americans trying to find their way through the cataclysms of the approaching apocalypse With the end of the Mayan calendar quickly approaching what a great time to release the 2012 Edition An apocalyptic thriller that you won't be able to put down In the twenty first century an unthinkable chain reaction has manifested itself in an apocalyptic nightmare for the inhabitants of the Earth Who could have imagined it could have been born out of seemingly innocuous comet Shoemaker Levi 9 which slammed into Jupiter in 1994 Astrophysicist Levon Halston is summoned to a meeting of internationally renowned scientists to discuss the possible consequences of Jupiter's orbital deviation Within months his dire predictions are dwarfed as the barely perceptible orbital deviation escalates into rapidly occurring celestial upheavals With the entire planet of Earth in the midst of devastation and chaos Levon is plunged into an anxiety ridden quest across the United States to find his 12 year old daughter Along the way he converges with Michelle and Jordan who are fleeing California's destruction Together they go through the furious struggles of a horrifying reality at the same time trying to define their own utopia *The Book of the Lord* J. Z., 2018-04-12 Two thousand years of waiting is over The great revelation of the Lord is here to answer all fundamental questions of the humanity The mystery of the Kingdom of God and the truth of life are presented to you fully and clearly for the first time ever This is the Lord's invitation to the mankind to make the covenant of life before the harvest

Revelations of the End Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days *Revelation* Joel R. Beeke, 2016-10-21 Are you confused by the great variety of interpretations of the book of Revelation such as the preterist the historicist the futurist the idealist and an eclectic approach that embraces the strengths of all these Would you like a clear understanding of various millennial approaches related to the last times In this book of sermons on Revelation Joel Beeke gives you all this and much more as he preaches through Revelation in a thoroughly biblical doctrinal experiential and practical way intended to comfort and mature believers to warn the unsaved to flee to Christ for salvation and to exalt Christ as the King of kings and only

Head of His church Revelation Wayne D Mueller,1996-07-01 What is the book of Revelation about in the Bible Who wrote Revelation The last book of the Bible Revelation provides Christians with a beautiful assurance of Christ s final victory The seven visions the apostle John records in Revelation describe the ongoing struggle between Christ and Satan In this book God assures believers that they will have eternal victory in the new Jerusalem above and that Satan finally will be defeated just as God promised Want to learn more If you re wondering what the book of Revelation is all about this helpful resource is for you Revelation is a reliable Bible commentary It s down to earth clearly written easy to read and understand and filled with practical and modern applications to Scripture It also includes the complete text of the book of Revelation from the NIV Bible The Christ centered commentaries following the Scripture sections contain explanations of the text historical background illustrations and archaeological information Revelation is a great resource for personal or group study This book is a part of The People s Bible series from Northwestern Publishing House Revelation Grant R. Osborne,2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne s commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer s central message and the theology found therein Throughout he presents his conclusions in an accessible manner When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective Revelation Gordon D Fee,2013-04-25 Revelation is a book that many Christians find confusing due to the foreign nature of its apocalyptic imagery It is a book that has prompted endless discussions about the end times with theological divisions forming around epicenters such as the rapture and the millennium In this book award winning author Gordon Fee attempts to excavate the layers of symbolic imagery and provide an exposition of Revelation that is clear easy to follow convincing and engaging Fee shows us how John s message confronts the world with the Revelation of Jesus Christ so that Christians might see themselves as caught up in the drama of God s triumph over sin evil and death Fee draws us into the world of John and invites us to see the world through John s eyes as themorbid realities of this world have the joyous realities of heaven cast over them In this latest installment in the New Covenant Commentary Series we see one of North America s best evangelical exegetes at his very best **Revelation** Brian K. Blount,2013-03-01 This new title in the New

Testament Library Series provides a concise and confident guide through the complex passages of the book of Revelation

Revelation (THNTC) John Christopher Thomas, Frank D. Macchia, 2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book's most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the book

Revelation John Walvoord, Philip E. Rawley, 2011-04-01 The book of Revelation has long fascinated and even confused readers and students of the Bible Yet the Bible is written to be understood and Revelation is no exception Who better to help you understand the seals trumpets vials woes and plagues than John F Walvoord one of evangelicalism's most prominent leaders and Mark Hitchcock today's leading Bible prophecy expert In this first in a renewed series of commentaries from Dr Walvoord he points out that much of the book's symbolism can be interpreted literally At key points different views and approaches to interpretation are explored Walvoord devotes special attention to textual and doctrinal issues while avoiding technical language Refined updated with the English Standard Version ESV and streamlined this classic text is set to help you interpret the last book of the Bible and gain a better grasp of current trends and the climax of history
