Revenge Is Bitter:

Revenge Is Bitter Michael S. Smith, 2005-03-01 Eric Prendergast a successful but arrogant detective meets his match when his path crosses an evil conniving school teacher Derek Swanston This must read novel is a story of hope despair love hate sadness and humour The unforgettable characters are brought to life as each chapter unfolds The Hotel World, 1917

Eye for an Eye William Ian Miller, 2005-12-19 This book is a historical and philosophical meditation on paying back and buying back that is it is about retaliation and redemption It takes the law of the talion eye for an eye tooth for a tooth seriously In its biblical formulation that law states the value of my eye in terms of your eye the value of your teeth in terms of my teeth Eyes and teeth become units of valuation But the talion doesn't stop there It seems to demand that eyes teeth and lives are also to provide the means of payment Bodies and body parts it seems have a just claim to being not just money but the first and precisest of money substances In its highly original way the book offers a theory of justice not an airy theory though It is about getting even in a toughminded unsentimental but respectful way And finds that much of what we take to be justice honor and respect for persons requires at its core measuring and measuring up Love and Forgiveness for a More Just World Hent de Vries, Nils F. Schott, 2015-11-03 One can love and not forgive or out of love decide not to forgive Or one can forgive but not love or choose to forgive but not love the ones forgiven Love and forgiveness follow parallel and largely independent paths a truth we fail to acknowledge when we pressure others to both love and forgive Individuals in conflict sparring social and ethnic groups warring religious communities and insecure nations often do not need to pursue love and forgiveness to achieve peace of mind and heart They need to remain attentive to the needs of others an alertness that prompts either love or forgiveness to respond By reorienting our perception of these enduring phenomena the contributors to this volume inspire new applications for love and forgiveness in an increasingly globalized and no longer quite secular world With contributions by the renowned French philosophers Jacques Derrida and Jean Luc Marion the poet Haleh Liza Gafari and scholars of religion Leora Batnitzky Nils F Schott Hent de Vries psychoanalysis Albert Mason Orna Ophir Islamic and political philosophy Sari Nusseibeh and the Bible and literature Regina Schwartz this anthology reconstructs the historical and conceptual lineage of love and forgiveness and their fraught relationship over time By examining how we have used and misused these concepts the authors advance a better understanding of their ability to unite different individuals and emerging groups around a shared engagement for freedom and equality peace and solidarity Bitter Sweet Revenge L.
