## Reverend Randollph Unholy:

**Modern Capitalist Culture** Leslie A White, 2016-06-16 This lost classic by famous anthropological theorist Leslie A White published now for the first time represents twenty five years of his scholarship on the anthropology of modern capitalism Drawing out his now classic formulations of social organization cultural evolution and the relationship between technology ecology and culture this major theoretical work traces a vast expanse of history from the earliest forms of capitalism to the detailed inner workings of contemporary democratic institutions A substantial foreword by Burton J Brown Benjamin Urish and Robert Carneiro both situates this posthumous work within the history of anthropological theory and shows its importance to contemporary debates within the discipline War and State Terrorism Mark Selden, Alvin Y. So, 2004-10-26 If the past hundred years will be remembered as a century of war Asia is surely central to that story Tracing the course of conflicts throughout the region this groundbreaking volume is the first to explore systematically the nexus of war and state terrorism Challenging states definitions of terrorism which routinely exclude their own behavior the book focuses especially on the nature of Japanese and American wars and crimes of war The authors also assess significant acts of terror instigated by other Asian nations including China Cambodia and Indonesia Offering a rare comparative perspective the authors consider how state terror leads to massive civilian casualties crimes of war and crimes against humanity In counterbalance they discuss anti war and anti nuclear movements and international efforts to protect human rights and the interwoven issues of responsibility impunity and memory Interdisciplinary and deeply informed by global perspectives this volume will resonate with readers searching for a deeper understanding of an epoch that has been dominated by war and terror *In Guns We Trust* William J. Kole, 2025-10-14 In this investigation into white evangelicals fusion of the gospel and guns reporter William J Kole exposes how some Christians are standing in the way of reasonable restrictions on firearms and how it makes us all less safe Our nation is awash in more guns than citizens Kole pulls back the curtain on locked and loaded Christianity **Song of the Shenandoah** Brenda George, 2013-05-23 Jed Buchanan is one of the Blue Ridge mountain people displaced by the formation of the Shenandoah National Park Through a quirk of fate he is offered a job as a farm manager on one of the loveliest farms in the Shenandoah Valley Though he loves the life dire danger lurks in the form of a fanatical old style Ku Klux Klan klavern that has been operating in the rural areas of Northern Virginia Jed falls in love with two very different women the beautiful sultry sophisticate Virginia Chadwick whom he saves from being savaged by a vicious dog This leads to the humble hillbilly giving regular lectures to one of the most powerful groups in Washington DC Then theres lovely spunky Sage Kelly who has left three men at the altar However Jed has good reason to suspect that she and her brother Tom are members of the Ku Klux Klan Sequel to the widely acclaimed *Falling Leaves and Mountain Ashes* this compelling epic novel set in the 1940s and 1950s displays once again what a master storyteller George is **Reflecting on the Word of the Lord** Reverend Randolph Kesler, 2020-06-18 We Christians live in a rushed and hurried culture which our

churches have accepted without thinking through the consequences It seems that we have allowed ourselves to equate busyness with spirituality and bible study with the loudest opinion in the room Reflecting attempts to call us back to a matured time in Christian history when congregants did not read the Bible speedily One of my high school English teachers used to warn us that just vocalizing words aloud was different than truly reading This book calls us to read the Scripture reread the Scripture think about what we have read and to meditate on the concepts of a passage following them throughout Scripture By this means we should be able to grasp a more complete understanding of the ideas the verses have presented to us Moreover a slower reading and a rereading allows time for the Holy Spirit to speak to us Often I hear someone express that as often as they have read a certain passage of Scripture they did not gain the newest understanding from their latest reading Why is that It is because we have just called words without reflecting on them Reflecting and meditating are old ways of studying the Word of God You will be richly blessed by beginning and maintaining the practice It is indeed food for the hungry Christian s soul *Dos Passos* Virginia Spencer Carr,2004-11-11 An intimate biography of a great American writer **Who Goes There?** Rebecca Price Janney,2009-02-01 Princess Diana John Ritter Saddam Hussein Mother Teresa Chris Farley Does it seem reasonable to guess where each of these people ended up after they died While it is comforting to suppose that everyone who s good goes to a better place when they die and everyone who s bad doesn t on what is that hope based To adequately understand how these thoughts influence us today Rebecca Price Janney goes back to the colonization and founding of the United States From the Great Awakening to the American Revolution through the tumultuous 19th century and all the way past two world wars and a technological revolution Who Goes There pieces together a thoughtful narrative of American beliefs about the afterlife [AB Bookman's Weekly](#) ,1987 **Black Women's Christian Activism** Betty Livingston Adams,2018-04-03 2017 Wilbur Non Fiction Award Recipient Winner of the 2018 Author s Award in scholarly non fiction presented by the New Jersey Studies Academic Alliance Winner 2020 Kornitzer Book Prize given by Drew University Examines the oft overlooked role of non elite black women in the growth of northern suburbs and American Protestantism in the first half of the twentieth century When a domestic servant named Violet Johnson moved to the affluent white suburb of Summit New Jersey in 1897 she became one of just barely a hundred black residents in the town of six thousand In this avowedly liberal Protestant community the very definition of the suburbs depended on observance of unmarked and fluctuating race and class barriers But Johnson did not intend to accept the status quo Establishing a Baptist church a year later a seemingly moderate act that would have implications far beyond weekly worship Johnson challenged assumptions of gender and race advocating for a politics of civic righteousness that would grant African Americans an equal place in a Christian nation Johnson s story is powerful but she was just one among the many working class activists integral to the budding days of the civil rights movement Focusing on the strategies and organizational models church women employed in the fight for social justice Adams tracks the intersections of politics and religion race and gender and place and

space in a New York City suburb a local example that offers new insights on northern racial oppression and civil rights protest As this book makes clear religion made a key difference in the lives and activism of ordinary black women who lived worked and worshiped on the margin during this tumultuous time *Unholy Pursuits* E. S. Turner, 1998 Two centuries ago a surprising number of Anglican clergymen were to be found moonlighting as journalists Even more surprisingly a number of them engaged in vicious mudslinging or worse The Reverend Sir Henry Bate Dudley editor of the Morning post fought a string of duels went to gaol for libelling a duke and exercised a mysterious hold over the Prince Regent the Reverend Dr William Dodd unstoppable scribbler and spendthrift was hanged for forgery and the Reverend William Jackson committed suicide after being found guilty of high treason Here in fascinating detail are the histories of these and other susceptible divines who were lured away from the drudgeries of their parishes by the dangerous glitter of Grub Street Jacket
