MacDonald, 2022-08-10 The following study of the development of the religious and political views of Shelley is made with the view to help one in forming a true estimate of his work and character That there is a real difficulty in estimating correctly the life and works of Shelley no one acquainted with the varied judgments passed upon him will deny By some our poet is regarded as an angel a model of perfection by others he is looked upon as a rare prodigy of crime and pollution whose look even might infect Mr Swinburne calls him the master singer of our modern poets but neither Wordsworth nor Keats could appreciate his poetry W M Rossetti in an article on Shelley in the ninth edition of the Encyclopedia Britannica writes as follows In his own day an alien in the world of mind and invention and in our day scarcely yet a denizen of it he appears destined to become in the long vista of years an informing presence in the innermost shrine of human thought Matthew Arnold on the other hand in one of his last essays writes But let no one suppose that a want of humor and a self delusion such

as Shelley's have no effect upon a man's poetry The man Shelley in very truth is not entirely sane and Shelley's poetry is not entirely sane either Views so entirely different coming as they do from such eminent critics are surely perplexing Nevertheless there seems to be a light which can illuminate this difficulty render intelligible his life and works and help us to form a just estimate of them This light is a comprehension of the influence which inspired him in all he did and all he wrote in a word a comprehension of his radicalism **Catalogue of Autographs, Etc** Dobell, P.
