Kaminski Jr. M.D.,Rose Lopez de Vaughan Ph.D., **1 John, Revised and Extended** L. Daniel Cantey,2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality *Vital Statistics of the United States* ,1988
