Revolution and Political Instability Stephen J. Andriole, Gerald W. Hopple, 1984-01-01 *Towards a Strategic Management and Decision Technology* J.W. Sutherland, 2012-12-06 **Domestic Sources of Global Change** Zeev Maoz, 1996 Examines the relationship between domestic politics and international politics **The Military Intelligence Community** Gerald W. Hopple, Bruce W. Watson, 2019-06-21 The military intelligence community is one of the most misunderstood and maligned facets of the U S government To much of the American public intelligence means an organization of James Bonds sophisticated super individualists John Waynes who live slightly beyond the law To others military intelligence is considered as a constant threat to American democracy a danger that must be contained and minimized **American Intervention In Grenada** Peter M Dunn, 2019-03-13 Why did the United States invade the sovereign state of Grenada in October 1983 risking world condemnation and the possible escalation of violence outside the borders of the tiny Caribbean island According to the contributors to this book the invasion code named Urgent Fury was a product of the increasing concern with political instability in **Dangerous Commerce** Virginia Haufler, 2019-06-07 As businesses search increasingly for opportunities beyond their national borders they face the risk that political change in other countries will jeopardize their efforts Anything from minor shifts in regulations to sudden revolutions can threaten business investment trade and credit Virginia Haufler shows that a crucial factor in the expansion of global markets has been the private sector's creation of a sophisticated insurance industry to redistribute the risks entailed in foreign commerce a privately constructed safety net for international transactions Haufler believes that the network of relationships and institutions established by the insurers constituted a privately led regime for the management of international risk She analyzes political risks insurance during three periods of substantial uncertainty the era from the turn of the century to the beginning of World War I when British global power began to wane the interwar years leading up to the collapse of world trade and a second world war and the debt crisis decade of the 1980s Public and private involvement in supplying insurance against international risks has varied depending on demand the availability of resources and the norms of what can be insured As the scale and complexity of risks have expanded Haufler suggests responsibility has shifted from commercial insurers first to the state and now to multilateral institutions **A Comparative Historical Study of the Causes, Development, and Effects of the Revolutionary Movements in Northern Iran in 1920-21 and 1945-46** M. Reza Ghods, 1989 Arms Control and Disarmament, Defense and Military, International Security, and Peace Stephen E. Atkins, 1989 **A Comparative Historical Study of the Causes, Development, and Effects of the Revolutionary Movements in Northern Iran in 1920-21 and 1945-46** Mahmood Reza Ghods, 1988 *Bulletin of the Public Affairs Information Service* Public Affairs Information Service, 1929
