

REVOLUTION AND THE WORD

THE RISE OF THE NOVEL IN AMERICA

Expanded Edition

Cathy N. Davidson

Revolution And The Word The Rise Of The Novel In America

Richard Bell

Revolution And The Word The Rise Of The Novel In America:

Revolution and the Word Cathy N. Davidson, 2004 Now greatly expanded this classic study has been updated to include the major controversies developments in literary cultural theory over the past two decades It traces the co emergence of the United States as a nation the literary genre of the novel *Revolution and the Word : The Rise of the Novel in America* Cathy N. Davidson Professor of English Duke University, 1987-02-19 Revolution and the Word offers a unique perspective on the origins of American fiction looking not only at the early novels themselves but at the people who produced them sold them and read them It shows how in the aftermath of the American Revolution the novel found a special place among the least privileged citizens of the new republic As Cathy N Davidson explains early American novels most of them now long forgotten were a primary means by which those who bought and read them especially women and the lower classes moved into the higher levels of literacy required by a democracy This very fact Davidson shows also made these people less amenable to the control of the gentry who naturally enough derided fiction as a potentially subversive genre Combining rigorous historical methods with the newest insights of literacy theory Davidson brilliantly reconstructs the complex interplay of politics ideology economics and other social forces that governed the way novels were written published distributed and understood Davidson also shows in almost tactile detail how many Americans lived during the Constitutional era She depicts the life of the traveling book peddler the harsh lot of the printer the shortcomings of early American schools the ambiguous politics of novelists like Brackenridge and Tyler and the lost lives of ordinary women like Tabitha Tenney and Patty Rogers Drawing on a vast body of material the novels themselves as well as reviews inscriptions in cherished books letters and diaries and many other records Davidson presents the genesis of American literature in its fullest possible context

Women and Authorship in Revolutionary America Angela Vietto, 2017-03-02 Exploring the wealth of writings by early American women in a broad spectrum of genres Women and Authorship in Revolutionary America presents one of the few synthetic approaches to early US women s writing Through an examination of the strategic choices writers made as they constructed their authorial identities at a moment when ideals of both Author and Woman were in flux Angela Vietto argues that the relationship between gender and authorship was dynamic women writers drew on available conceptions of womanhood to legitimize their activities as writers and often simultaneously drew on various conceptions of authorship to authorize discursive constructions of gender Focusing on the half century surrounding the Revolution this study ranges widely over both well known and more obscure writers including Mercy Otis Warren Judith Sargent Murray Sarah Wentworth Morton Hannah Griffitts Annis Boudinot Stockton Elizabeth Graeme Fergusson Deborah Gannett and Sarah Pogsom Smith The resulting analysis complicates and challenges a number of critical commonplaces presenting instead a narrative of American literary history that presents the novel as women s entr e into authorship dichotomized views of civic and commercial authorship and of manuscript and print cultures and a persistent sense that women of letters constantly

struggled against a literary world that begrudged them entrance based on their gender

Imagining the British Atlantic after the American Revolution Michael Meranze, Saree Makdisi, 2016-01-28 Between 1750 and 1820 tides of revolution swept the Atlantic world From the new industrial towns of Great Britain to the plantations of Haiti they heralded both the rise of democratic nationalism and the subsequent surge of imperial reaction In *Imagining the British Atlantic after the American Revolution* nine essays consider these revolutionary transformations from a variety of literary visual and historical perspectives On topics ranging from painting and poetry to prison reform the essays challenge and complicate our understandings of revolution and reaction within the transatlantic imagination Drawing on examples from different local and regional contexts they demonstrate the many remarkably local ways that revolution and empire were experienced in London Pennsylvania Pitcairn Island and points in between Published by the University of Toronto Press in association with the UCLA Center for Seventeenth and Eighteenth Century Studies and the William Andrews Clark Memorial Library

Rogue Performances P. Reed, 2009-06-22 *Rogue Performances* recovers eighteenth and nineteenth century American culture s fascination with outcast and rebellious characters Highwaymen thieves beggars rioting mobs rebellious slaves and mutineers dominated the stage in the period s most popular plays Peter Reed also explores ways these characters helped to popularize theatrical forms such as ballad opera patriotic spectacle blackface minstrelsy and melodrama Reed shows how both on and offstage these paradoxically powerful persistent and troubling figures reveal the contradictions of class and the force of the disempowered in the American theatrical imagination Through analysis of both well known and lesser known plays and extensive archival research this book challenges scholars to re think their assumptions about the role of class in antebellum American drama

We Shall Be No More Richard Bell, 2012-03-20 Though suicide is an individual act Richard Bell reveals its broad social implications in early America From Revolution to Reconstruction everyone parents newspapermen ministers and abolitionists alike debated the meaning of suicide as a portent of danger or of possibility in a new nation struggling to define itself and its power

American Literature Before 1880 Robert Lawson-Peebles, 2003-11-13 *American Literature Before 1880* attempts to place its subject in the broadest possible international perspective It begins with Homer looking westward and ends with Henry James crossing the Atlantic eastwards In between the book examines the projection of images of the East onto an as yet unrecognised West the cultural consequences of Viking Colombian and then English migration to America the growth and independence of the British American colonies the key writers of the new Republic and the development of the culture of the United States before and after the Civil War It is intended both as an introduction for undergraduates to the richness and variety of American Literature and as a contribution to the debate about its distinctive nature The book therefore begins with a lengthy survey of earlier histories of American Literature

The Oxford Handbook of the American Revolution Edward G. Gray, Jane Kamensky, 2015 *The Oxford Handbook of the American Revolution* introduces scholars students and generally interested readers to the formative event in American history In thirty three

individual essays the Handbook provides readers with in depth analysis of the Revolution s many sides **The World of the American Revolution** Merrill D. Smith,2015-08-28 This two volume set brings to life the daily thoughts and routines of men and women rich and poor of various cultures religions races and beliefs during a time of great political social economic and legal turmoil What was life really like for ordinary people during the American Revolution What did they eat wear believe in and think about What did they do for fun This encyclopedia explores the lives of men women and children of European Native American and African descent through the window of social cultural and material history The two volume set spans the period from 1774 to 1800 drawing on the most current research to illuminate people s emotional lives interactions opinions views beliefs and intimate relationships as well as connections between the individual and the greater world The encyclopedia features more than 200 entries divided into topical sections each dealing with a different aspect of cultural life for example Arts Food and Drink and Politics and Warfare Each section opens with an introductory essay followed by A Z entries on various aspects of the subject area Sidebars and primary documents enhance the learning experience Targeting high school and college students the title supports the American history core curriculum and the current emphasis on social history Most importantly its focus on the realities of daily life rather than on dates and battles will help students identify with and learn about this formative period of American history The American Revolution Edward Countryman,2024-08-06 A revised version of an American history classic exploring the people and culture of the Revolutionary era that birthed the nation When The American Revolution was first published in 1985 it was praised as the first synthesis of the Revolutionary War to use the new social history Bancroft Prize winning professor of history Edward Countryman offered a balanced view of how the Revolution was made by a variety of groups ordinary farmers as well as lawyers women as well as men blacks as well as whites who transformed the character of American life and culture In this revised edition Countryman stresses the painful destruction of British identity and the construction of a new American one He expands his geographical scope of the Revolution to include areas west of the Alleghenies Europe and Africa and he draws fresh links between the politics and culture of the independence period and the creation of a new and dynamic capitalist economy This innovative interpretation of the American Revolution creates an even richer more comprehensive portrait of a critical period in America s history Fine concise history Better than any comparable treatment New York Times bestselling author Sean Wilentz As a synthesis of modern scholarship on the Revolution this important book has no rival Pauline Maier author of American Scripture Making the Declaration of Independence

Revolution And The Word The Rise Of The Novel In America Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolution And The Word The Rise Of The Novel In America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revolution And The Word The Rise Of The Novel In America has opened up a world of possibilities. Downloading Revolution And The Word The Rise Of The Novel In America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revolution And The Word The Rise Of The Novel In America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revolution And The Word The Rise Of The Novel In America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revolution And The Word The Rise Of The Novel In America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revolution And The Word The Rise Of The Novel In America, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revolution And The Word The Rise Of The Novel In America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Revolution And The Word The Rise Of The Novel In America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolution And The Word The Rise Of The Novel In America is one of the best book in our library for free trial. We provide copy of Revolution And The Word The Rise Of The Novel In America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revolution And The Word The Rise Of The Novel In America. Where to download Revolution And The Word The Rise Of The Novel In America online for free? Are you looking for Revolution And The Word The Rise Of The Novel In America PDF? This is definitely going to save you time and cash in something you should think about.
