Revolution X A Survival Guide For Our Generation:

Revolution X Rob Nelson, Jon Cowan, 1994 The twentysomething generation s call to arms from apathy to activism Revolution X contains an action kit that lists ways to get involved advocacy organizations alternative media how to get in touch with state and national leaders information on voter registration a brief guide to the Internet and the 100 Harshesht Facts About Your Future **The Next Generation** Gary Zustiak, 1996 Generation X has been called the least wanted generation of all time Things such as abortion and the pill have limited their numbers Zustiak puts a spin on the X factor an unknown quantity If this generation will find their value in Christ they could accomplish great things for Christ

GenXegesis John McAllister Ulrich, Andrea L. Harris, 2003 Resituating the term in its neglected sub cultural context this work offers a critical assessment of the Generation X phenomenon and its relation to the fashioning of different identities within and against the mainstream Topics include punk subculture the Internet and alternative music *American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History* Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index **Grassroots** Jennifer Baumgardner, Amy Richards, 2005-01-12 From the authors of Manifesta an activism handbook that illustrates how to truly make the personal political Grassroots is an activism handbook for social justice Aimed at everyone from students to professionals stay at home moms to artists Grassroots answers the perennial question What can I do Whether you are concerned about the environment human rights violations in Tibet campus sexual assault policies sweatshop labor gay marriage or the ongoing repercussions from 9 11 Jennifer Baumgardner and Amy Richards believe that we all have something to offer in the fight against injustice Based on the authors own experiences and the stories of both the large number of activists they work with as well as the countless everyday people they have encountered over the years Grassroots encourages people to move beyond the generic three check writing calling congresspeople and volunteering and make a difference with clear guidelines and models for activism The authors draw heavily on individual stories as examples inspiring readers to recognize the tools right in front of them be it the office copier or the family living room in order to make change Activism is accessible to all and Grassroots shows how anyone no matter how much or little time they have to offer can create a world that more clearly reflects their values **Americans at**

Midlife Rosalie G. Genovese, 1997-05-30 Americans at Midlife is an exploration of the middle years within the framework of trends in the larger society including longer life expectancy and an aging population changes in marriage divorce and family composition increased participation of women in the labor force and the growth of two income families Major interests at midlife center around work and careers current and future economic well being and planning for retirement Other major concerns involve relationships with younger and older generations boomerang kids who leave home and return and aging parents often healthy and active now who may need care in their later years The book begins with a discussion of how demographic and social changes affect midlife followed by chapters on work and retirement planning or looking for the good years the not so empty nest and aging parents A chapter on mid life women considers the implications of combining work and caregiving and raises concerns about their economic well being given their longer life expectancy and often more limited resources The book ends with a consideration of policy issues that may affect midlife in the future **Seminaries,**

Theologates, and the Future of Church Ministry Katarina Schuth, 1999 Seminaries Theologates and the Future of Church Ministry considers the context of ministry on the eve of the twenty first century and focuses on how Roman Catholic seminaries and schools of theology are preparing men and women for service in the Church The study is based on a first hand view of how human and spiritual formation as well as intellectual and pastoral programs are designed in these theologates Anyone interested in how people in ministry will transmit the faith to the next generation particularly people involved with seminary life and work faculty students administrators bishops vocation directors and trustees will find this book valuable BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Communicating Prejudice Michael L. Hecht, 1998-04-13 Prejudice pervades our society in many guises from pejorative remarks to acts of violence Communicating Prejudice explores the many dimensions of prejudice It presents a new and integrative conceptual model of prejudice the layered perspective of cultural intolerance and uses this model to analyze the communication of prejudice in a variety of spheres such as racism sexism homophobia ageism and classism Drawing on multidisciplinary perspectives the first two chapters present the model and theoretical foundation for the book and subsequent chapters deal with specific foci of prejudice including personal prejudice and prejudice in relationships organizations and the media Included is a series of personal narratives to illustrate specific types and instances of prejudice This book will be useful as a supplementary text in upper level undergraduate and graduate level courses examining issues of race gender and ethnicity **Intergenerational Communication Across the Life Span** Angie Williams, Jon F.

Nussbaum, 2013-02-01 Individuals of all ages interact with one another and their interactions have significance throughout their lives This distinctive volume acknowledges the importance of these interactions and provides a life span developmental view of communication and aging attempting to capture the many similarities and changes that occur in people s lives as they age The authors move the study of intergenerational contact closer to the actual participants examining what happens within

intergenerational interactions and how people evaluate their intergenerational experiences The volume concentrates on the micro context of the intergenerational interaction and the cognitions language and relationship behaviors related to intergenerational communication across the life span The volume employs the perspective that the understanding of human behavior across the life span is enhanced by studying communicative behavior in intergenerational interaction The authors integrate research from multiple disciplines concerned with intergenerational communication which is framed by several unique theoretical perspectives drawn from the communication discipline As a resource for the study of intergenerational communication across the life span this monograph offers important insights to scholars students and all who are involved in intergenerational communication

Guys and Guns Amok Douglas Kellner, 2015-12-03 From the recent shootings at Virginia Tech University to the tragedies at Columbine and Oklahoma City certain common traits can be traced through all of these events In *Guys and Guns Amok* media and cultural critic Douglas Kellner provides a fascinating diagnostic reading of these acts of domestic terrorism Skillfully connecting each case with the current environment for male socialization and the search for identity in an American culture obsessed with guns and militarism Kellner's work is a sobering reflection on these tragedies and the pervasive power of media and popular culture as well as a wake up call for the future
