

Cuba: Bibliography of a Revolution

John D. Harbron

Toronto

The first four years of the Cuban revolution are already behind us and most of the principals as well as many of its interpreters have already appeared in print in book form. These include Fidel Castro himself; the once-adulating liberal and left-wing intellectuals in the United States and, interestingly, in France; Earl T. Smith, the controversial American ambassador in Havana during the last years of Batista's dictatorship when Castro's jungle revolt had already assumed serious proportions; and some of the important "children of the revolution." Unfortunately, but probably inevitably, the right-wing propagandists in the United States of the "I-told-you-so-school" about Castro and his revolution have won an increasing if unjustified popularity since last fall's nuclear confrontation over Cuba with their heavily-researched but half-baked paperbacks trying to prove that "Castro was a communist from the start."

In terms of hard-cover reporting, books about the revolution, like the revolution itself began with Fidel Castro. The title of his small book *History Will Absolve Me!*,¹ basically an enlarged political pamphlet, employs the first and still the most famous of his characteristically dramatic phrases about the purposes of his revolution. Uttered during his military trial following his unsuccessful attack on the Moncada Barracks on July 26, 1953, it outlined the high principles he sought and promised for the new Cuba. The book is now conveniently out-of-print. An occasional copy of the third edition published in English in Havana in May, 1960, appears from time to time in out-of-the-way bookstores in Canada and the United States.

The latest book about Cuba brings the wheel full circle for the growing bibliography about the revolution, reaches past the last four years, and concentrates on U.S. foreign policy and Cuba during 1957-58.

¹ Fidel Castro: *History Will Absolve Me!* (Third edition. Havana, Cooperativa Obrera de Publicidad, Confederacion de Trabajadores Cubanos, May, 1960) 79pp. \$1.00.
