Lynch, 2014-07-25 These three inter related stories describe the lives of three generations of the McGowan family and their personal battles to make a living by working on the Boston waterfront The common thread that runs through them is the challenges presented by the shape up or pick up system a procedure that was archaic and rife with favoritism and was the sole determining factor whether you received a salary that day *The Longshoremen* details the working conditions and challenges of working on the Boston waterfront and is based on the real life experiences of longshoremen page 4 cover

We Are All Armenian Aram Mrjoian, 2023-03-14 A collection of essays about Armenian identity and belonging in the diaspora **Weapon of Choice** Kevin Paul DeCoste, 2019-03-05 Kevin sat quietly in the two man cell His new cellmate was trying to whip up support among his inmate friends to do something about his new cellmate me This was definitely not going well I could almost feel an assault or a knife attack coming I made a decision If I was going to die in prison then I would take myself out rather than let some self righteous low brow punk s do it I could fight the Army had trained me well but how many

would come at me Would there be weapons I quietly wrote a letter home and explained what I was going to do After that I placed the thirty day supply of Atenolol in my pocket Atenolol controls blood pressure by slowing your heart rate If things went badly I would take all of them at once hopefully stopping my heart with a minimum of pain I also spoke silently with God I told Him If I have to do this please don t send me to hell I sincerely believe Lord that the guilt of this sin should be given to this animal Doherty This event was survived There was a long road ahead From false accusation to trial to false imprisonment then probation this is a story of defeat and survival that nothing could prepare a person for Say My Name

When a million-dollar bail is mysteriously posted and a hot-shot defense lawyer arrives from San Francisco, her friends want answers, so does the FBI. Delving into the investigation, head first, authorities hit a wall when they find no record of the petite office manager's history before her arrival 20 years ago.
