Sayings Of Jesus:

The Complete Sayings Of Jesus Arthur Hinds, 2014-06-02 The number of words in the New Testament is 181 253 Only 36 450 of these 181 253 words are the words of Christ barely over 20 per cent Considered as verses the New Testament has 7 959 verses of which but 1 599 are sayings of Christ These relatively few sayings of Jesus have not a place apart but run in an uneven distribution through the four Gospels a few in other Books and in each of the four Gospels Matthew Mark Luke John the sayings are unevenly distributed through the narrative Often a saying recorded it may be by Matthew is paraphrased or even duplicated by one or more of the other three biographers none of whom seems to have intended either a chronological harmony with the others or even a sustained sequence of his own Accordingly only the devoted reader of the New Testament the habitual reader is sufficiently the deliver to have become familiar with Christ s sayings really familiar familiar with the sayings not only as severally set down by the four evangelists but also as one message one gospel proclaiming the Saviour s great objective If relatively few persons in a Christian country are habitual readers of the sayings of Christ that may be because relatively few persons are deliverers The publisher is convinced that this book provides the means for the nonreaders of the New Testament to become familiar with Jesus the Christ his sayings and his great purpose without delving indeed without effort so engaging is the story here recorded a glowing short story

The Sayings of Jesus Arthur Hinds, Z. Bey, 2012-06-28 The Sayings of Jesus is a new comprehensive book on what Jesus Christ said at the time he walked the Earth Beautifully written from the King James version of the bible this book is complete with all the sayings of Christ and includes a series of letters from Paul Inside this revised edition is famous historical paintings depicting the life of Jesus from artists around the world There is nothing like this book on the market that represents the words of Jesus Z Bey The shelves of the libraries and of the bookstores bend beneath the tomes of the sayings the bare sayings of all the other great men but one will not find in library or bookstore in any published book the complete sayings of Jesus the bare sayings in simple sequence Christ s own words separate This compiler s purpose has been to enable any reader whether confirmed Christian or inquiring pagan or a frankly detached to get him a book of CHRIST S OWN WORDS divested so runs the title page of the context excepting those brief portions of the gospel narratives retained to establish the place the time or occasion or a question the reply to which is the Master s own answer Many a reader arrived at FINIS in the New Testament itself has but a hazy picture of Christ on his daily walks as a circuit preacher everywhere within walking distance has but a sketchy outline of the times and occasions so many biographers Matthew Mark Luke John Paul each essaying not a biography as such not the record of the Teacher s sayings as such but intent upon launching each his own conception of Christ s mission Christ s sayings complete brought into a sequence of times and occasions but lifted out of contexts alien to the present purpose may prove to be a glowing story new not only to the non reader but new even to the whilom New Testament readers who have not as yet discerned the continuities Devoted readers will not be diverted from the Great Text Perhaps other readers the casual New

Testament reader and the non reader after enjoying these pages may venture the greater enjoyment the attentive perusal of all the gospels and all the epistles perhaps of all the New Testament
