Rice, 1974-01-01 **Writers Directory** NA NA, 2016-03-05 **Jesus Was a Liberal** Joseph A. Sheridan, 2006 Sheridan was provoked by the perpetual attempt of the religious right and the ultra conservative elements in America to label everything liberal as if it were an evil that had invested our entire society with the poisonous venom He feels that Jesus established the basis for precisely what the Democratic Party has espoused for the past seventy five years **The Case against Christ** George G. R. Dekle Sr., 2011-07-12 Some two thousand years ago in a small province of the Roman Empire an obscure Roman governor ordered the execution of a peasant leader It went virtually unnoticed at the time No official report of the event has survived and we would have no memory at all of it except for the efforts of a handful of followers of the condemned man Those followers who kept that memory alive changed the course of history and the results of their efforts continue to reverberate to this day Conventional interpretation says that the execution

of Jesus of Nazareth came on the heels of a series illegal trials before a number of different tribunals and at the culmination of that series of trials a moral coward by the name of Pontius Pilate ordered Jesus execution despite being satisfied that he was innocent Revisionist interpretation says that there was no trial at all that Pilate simply executed Jesus because he was a nuisance and that Jesus followers invented the story of his execution as a means of shifting the blame from the Roman government to a group of people whom they despised the Jews Are the Gospels good history or bad propaganda Does a fair reading of the Gospel accounts support either the conventional or the revisionist interpretation of the trial of Jesus Who if anyone should shoulder the blame for the crucifixion of Jesus The Case against Christ seeks to answer these questions by treating the matter as a forensic death investigation and answering the questions as they might be answered by a prosecutor attempting to determine who should be held criminally responsible for the death of Jesus

Pilgrims and Prisoners Ron Nikkel, Andy Corley, 2023-07-20 When justice is used as a synonym for judgment we miss the point of justice The prisons of the world are bursting at the seams with offenders who have been judged guilty and are being punished for wrongdoing Prisons are a failure In fact justice is not achieved through imprisonment Ron and Andy have dedicated their lives to pursuing justice and mercy in response to criminal offenders In many respects prisons are the most spiritual places on earth It is in prison where the great questions of humanity converge questions of guilt and forgiveness good and evil retribution and redemption hope and despair life and death guilt and forgiveness judgment and mercy Where is God in the midst of all of this Is God even relevant does God care And if God cares does that make any difference to the justice we seek Ron has likely been in more prisons in more countries than any other person He has been in the very best of prisons and the prisons that can only be described as hellholes In their journey through the prisons of the world both Ron and Andy have encountered Jesus God imprisoned with men and women in the margins of respectability and human dignity God of all righteousness and justice love and mercy embracing offenders in the depths of their human condition

The Generations of AntiChrist G. H. ELIASON, 2010-12-21 This book provides solid answers about the rise of the last world religion It documents its inception and growth It also opens up the histories of the three monotheistic faiths and shows the people of the Gospels in history Showing who they were their writings and their lives documented outside the Gospels such as Lazarus who arguably lived after his resurrection until he was 120 years old and was one of the most famous people of his day First presenting arguments against current movements to change the faith the author offers an exploded view of the times leading up to during and after the lives of the Apostles and how far and fast the Gospel changed an entire world The tumultuous timeframe when opened up will shock and amaze you Detailing the inception development and growth of the religion of Antichrist is shown historically for over 500 years This book answers such questions as how can a man become a god and where does he gain the knowledge to bring his own image to life How does he gain the world and why does it follow him In history and then real time the developments in religion society technology and government are shown that catalyze the rise and advent of the Lawless One 'They shall be mine, saith the Lord'. A simple memorial of M.A.O. Henry Smith, 1879 *The Controversial Jesus and the Critics* Arthur Paterson Lee, 2001 Written as a response to the recent proliferation of historical Jesus books and TV documentaries The Controversial Jesus and the Critics interacts with some of the most vocal and media savvy skeptics of the historic and biblical portrait of Jesus Christ Alleged challenges to the church

such as the discovery of Dead Sea Scrolls and theories about the place of Paul in the early church are evaluated and critiqued from an informed evangelical perspective with fairness and accuracy This book is a helpful resource for thoughtful Christians attempting to discern what is fact and what is fiction in the debates over the origins of Christianity and its relationship to ancient and modern Judaism The Controversial Jesus and the Critics combines scholarly response with a pastor's appeal It focuses on the narrow issue of history but also ranges more widely to broader issues facing the churches It is an apologetic of a holistic sort It engages a broader sweep of human concerns Clark H Pinnock Arthur Paterson Lee is a graduate of the University of Edinburgh and of New College He has pastored churches on both sides of the Atlantic During his ten years of Ministry at Tremont Baptist Church in Boston Massachusetts he received a honorary doctorate from Gordon Conwell Theological Seminary Most recently he has served as interim minister at Yorkminister Park Baptist Church in Toronto Canada He has been described as a scholar with a pastor's heart

The Catholic Church in China L. Ladany, 1987 China's official policy towards religion is little known in the West for a variety of reasons The tribulations to which religious believers and organizations have been subjected and the limitations on religious freedom are however very real and frequently very harsh as this account of the Catholic church in China since Mao's triumph in 1949 will attest
