**Romance and the Yellow Peril** Gina Marchetti, 1994-02-15 Hollywood films about Asians and interracial sexuality are the focus of Gina Marchetti s provocative new work While miscegenation might seem an unlikely theme for Hollywood Marchetti shows how fantasy dramas of interracial rape lynching tragic love and model marriage are powerfully evident in American cinema The author begins with a discussion of D W Griffith s Broken Blossoms then considers later films such as Shanghai Express Madame Butterfly and the recurring geisha movies She also includes some fascinating forgotten films that have been overlooked by critics until now Marchetti brings the theoretical perspective of recent writing on race ethnicity and gender to her analyses of film and television and argues persuasively that these media help to perpetuate social and racial inequality in America Noting how social norms and taboos have been simultaneously set and broken by Hollywood filmmakers she discusses the orientalist tensions underlying the construction of American cultural identity Her book will be certain to interest readers in film Asian women s and cultural studies      *Nipponalia* Kyōto Gaikokugo Daigaku.
