Sayonara Australia:

Australia's Worst Disasters Malcolm Brown, 2010-11-01 Graphic accounts of Australia's worst disasters historical as well as events of recent years From the Ash Wednesday bushfires of 1983 to the implosion of the Royal Canberra Hospital in 1997 and from the shocking Granville railway crash in 1977 to the Sea King helicopter crash of 2005 Australia's history has been punctuated by incidents of disaster and tragedy that have shocked us all Sometimes warning signs were not read or were ignored sometimes human error was to blame These graphic and compelling accounts by veteran Sydney Morning Herald journalist Malcolm Brown and other award winning journalists tell us far more than simply what happened they provide unique insights into the impact of these events on the lives of innocent people And interspersed with stories of death and destruction are heart warming accounts of courage grace and just plain good luck **Japan-Bashing** Narrelle Morris, 2013-01-11 The aim of this book is to examine and analyse the phenomenon of Japan bashing from its invention and popularisation in the United States in the late 1970s to the emergence of other national variants including in Australia and Japan to its gradual decline in the late 1990s It is the first major book length study of Japan bashing from a multinational perspective one that attempts to place Japan bashing in its proper historical context and to examine its operation and legacy in the twenty first century Despite its importance in the study of discourses about Japan as well as in understanding broader global changes in the late twentieth century and beyond the phenomenon of Japan bashing remains largely neglected in published writings Moreover it is a far more complex phenomenon than has been assessed thus far While on first glance Japan bashing merely seems to recall other periods in which Japan has been viewed as a dangerous other to the West such as the Western emphasis on the yellow peril from the late nineteenth century as well as Allied anti Japanese propaganda during World War II Japan bashing also had its own distinctive characteristics Moreover while Japan bashing is often described as a quaint historical rather than a pressing contemporary phenomenon it is actually by no means extinct The ongoing influence of Japan bashing also has parallels in other bashing phenomena such as China bashing This book will be of interest to scholars and postgraduate students in Japanese studies and international relations **Sayonara Australia** John Lane, 1991-01-01 *Sayonara (Good-bye)* John Paris (pseud.), 1924 **The Billionaire and the Mechanic** Julian Guthrie, 2013-06-04 A Forbes Best Book of the Year Must reading for any yacht racing aficionado Frank Deford The America's Cup first awarded in 1851 is the oldest trophy in international sports and one of the most hotly contested In 2000 Larry Ellison cofounder and billionaire CEO of Oracle Corporation decided to run for the coveted prize and found an unlikely partner in Norbert Bajurin a car radiator mechanic who had recently been named Commodore of the blue collar Golden Gate Yacht Club The Billionaire and the Mechanic tells the incredible story of the partnership between Larry and Norbert their unsuccessful runs for the Cup in 2003 and 2007 and their victory in 2010 With unparalleled access to Ellison and his team the New York Times bestselling author of How to Make a Spaceship takes readers inside the design and building process of

these astonishing boats and the management of the passionate athletes who race them She traces the bitter rivalries between Oracle and its competitors including Swiss billionaire Ernesto Bertarelli's Team Alinghi and throws readers into exhilarating races from Australia and New Zealand to Valencia Spain The Billionaire and the Mechanic opens with a thrilling scene as old as Homer's Odyssey and as iconic as ones from Conrad Melville Hemingway and Sebastian Junger a man battling a dangerously stormy sea That the sailor Larry Ellison is one of our contemporary captains of industry the swashbuckling billionaire of the title only heightens the drama San Francisco Chronicle **Australian National**
