**Bill Clinton: An American Journey** Nigel Hamilton, 2003-09-30 Bill Clinton forty second president of the United States is the quintessential baby boomer on the one hand blessed with a near genius IQ on the other beset by character flaws that made his presidency a veritable soap opera of high ideals distressing incompetence model financial stewardship and domestic misbehavior In an era of cultural civil war the Clinton administration fed the public an almost daily diet of scandal and misfortune Who is Bill Clinton though and how did this baby boom saga begin Clinton's upbringing in Arkansas and his student years at Georgetown Oxford and Yale universities help us to see his life not only as a personal story but as the story of modern America Behind the closed doors of the house on the hill above Park Avenue in Hot Springs the struggle between Clinton's stepfather and mother became ultimately unbearable causing Virginia to move out and divorce Roger Clinton Dreading confrontation Bill Clinton excelled in almost every field save athletics But the fabled success of the scholarship boy would be marred by the decisions he came to make regarding Vietnam and military service choices that haunt him to this day We watch with a mixture of alarm fascination and awe as Bill Clinton does so much that is right and so much that is wrong He sets his cap for the star student at Yale young Hillary Rodham seducing her with his dreams of a better America and an aw shucks grin Wherever he goes he charms and disarms young and old men and women and more women He becomes a law professor straight out of college he contests a congressional election in his twenties and almost wins it He becomes attorney general of his state and within two years is set to become the youngest ever governor of Arkansas at only thirty two Yet always there is a curse a drive toward personal self destruction and with that the destruction of all those who are helping him on his legendary path His affair with Gennifer Flowers strains his marriage and later nearly scuttles his bid for the presidency He is thrown out of the governor's office after only one term and suffers a life shaking crisis of confidence Though

with the stalwart help of a female chief of staff he regains his crown it is clear that Bill Clinton's charismatic career is a ceaseless tightrope walk above the forces that threaten to pull him down the most potent of them residing in his own being Imbued with sympathy deep intelligence and the storyteller's art this extraordinary biography helps us at last to understand the real Bill Clinton as he stumbles and withdraws from the 1988 presidential nomination race but enters it four years later to make one of the most astonishing bids for the presidency in the twentieth century the climax of this gripping political social and scandalous journey

**Cloak and Gavel** Alexander Charns, 1992 The separation of powers becomes a meaningless cliché as Alexander Charns using the Federal Bureau of Investigation's own files reveals how that agency undermined the independence of the U S Supreme Court for a half century FBI director J Edgar Hoover's goal was simple to push the Supreme Court to the right on issues of civil rights and criminal law His techniques ranged from illegal wiretapping to spreading disinformation from using Justice Abe Fortas as an informant to trying to hound liberal Justice William O Douglas off the bench Cloak and Gavel the definitive work on the FBI Supreme Court relationship is based on thousands of pages of FBI documents that Charns fought for eight years to obtain One 2 000 page file was released only after he filed hundreds of Freedom of Information requests and brought lawsuits against the FBI It establishes Hoover's strategies to influence the Senate confirmation process incite the public against the Warren court lobby for legislation to counteract judicial rulings and use numerous informants inside the Court to both monitor and influence it Charns was given special permission to conduct research using Justice Abe Fortas's papers which had been sealed until the year 2000 These papers proved Fortas had acted as an informer for the White House and for the FBI during his tenure on the bench Fortas ultimately left the Court in disgrace after an ethics scandal unrelated to his informant role Charns also suggests that Hoover's death did not end the FBI's attempts to influence Congress and the federal judiciary as evidenced by the role of the FBI in the explosive Clarence Thomas Anita Hill Senate hearings in 1991 Until now no one has examined the ultimate constitutional violation the FBI's attempts to influence the Court by any means available

Trump Julian E. Zelizer,2022-04-12 Leading historians provide perspective on Trump s four turbulent years in the White House The Presidency of Donald J Trump presents a first draft of history by offering needed perspective on one of the nation s most divisive presidencies Acclaimed political historian Julian Zelizer brings together many of today s top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency When Trump took office in 2017 he quickly carved out a loyal base within an increasingly radicalized Republican Party dominated the news cycle with an endless stream of controversies and presided over one of the most contentious one term presidencies in American history These essays cover the crucial aspects of Trump s time in office including his administration s close relationship with

conservative media his war on feminism the solidification of a conservative women s movement his response to COVID 19 the border wall growing tensions with China and NATO allies white nationalism in an era of Black Lives Matter and how the high tech sector flourished The Presidency of Donald J Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long term trends in Republican politics and American polarization more broadly With contributions by Kathleen Belew Angus Burgin Geraldo Cadava Merlin Chowkwanyun Bathsheba Demuth Gregory Downs Jeffrey Engel Beverly Gage Nicole Hemmer Michael Kazin Daniel C Kurtzer James Mann Mae Ngai Margaret O Mara Jason Scott Smith Keeanga Yamahtta Taylor and Leandra Zarnow
