treachery ultimately leads to Samson's downfall. Yet these ubiquitous portrayals of Delilah as femme fatale tend to eclipse the many other viable readings of her character that lie underexplored within the ambiguity-laden narrative of Judges 16. Interpretations that offer alternative and more sympathetic portrayals of her biblical persona. In *Reimagining Delilah's Afterlives as Femme Fatale*, Caroline Blyth guides readers through an in-depth exploration of Delilah's afterlives as femme fatale in both biblical interpretation and popular culture, tracing the social and historical factors that may have inspired them. She then considers alternative afterlives for Delilah's character using as inspiration both the Judges 16 narrative and a number of cultural texts which deconstruct traditional understandings of the femme fatale, thereby inviting readers to view this iconic biblical character in new and fascinating lights.

A Cry from the Dark Robert Barnard, 2004-02-17. Master of mystery Robert Barnard, internationally acclaimed for his suspenseful, witty literary gems, cleverly mixes past and present in *A Cry from the Dark*, an intriguing tour de force sweeping from 1930s Australia to contemporary London. Bettina Whitelaw has come a long way from her childhood in the little outback town of Bundaroo, Australia. Many years have passed, a lifetime really, but she's never forgotten what happened there on the evening that changed her life forever. How could she forget the school dance, her taunting classmates dancing with the strange but brilliant English boy Hughie Naismyth? How could she forget what happened next when overheated and exhilarated by the music and the moment, she wandered off alone into a secluded wooded area? Now a renowned elderly author living in London's elegant Holland Park, Bettina faces a flood of memories as she works on her memoirs, even though her focus is more on the frightening things that are happening today. Someone has recently entered her home and gone through her desk. The intruder is clearly not an ordinary burglar. It must be someone she knows. She's been a little lax in handing out keys, so the suspects are many: her nephew Mark, her agent Clare, her friends Peter or Katie. Or it could be someone else. What does Bettina possess that this person would want to steal? A puzzle that at first seems mildly disturbing soon turns deadly serious. Someone is willing to kill, but why? Does the answer rest in Bundaroo or nearer to home? *A Cry from the Dark* shows us vintage Robert Barnard as he slyly lays the clues that lead to his trademark surprise and poignant ending.
