Regardless of time period some things hold true kindness is timeless Invasion of privacy divorce relationship issues encounters between people from different places and cultures new technologies developed at dizzying speeds the hectic pace of life in the late nineteenth century could make the mind reel Wait a minute the nineteenth century Many of the issues people faced in the 1880s and 90s surprisingly remain problems in today s modern world so why not take a peek at some Victorian advice about negotiating life s dizzying twists and turns Gathered from period magazines and Hill s Manual of Social and Business Forms a book on social conduct originally published in 1891 this volume provides timeless guidance for a myriad of situations including The husband s duty Give your wife every advantage that it is possible to bestow Suggestions about shopping Purchasers should as far as possible patronize the merchants of their own town Buy local Suggestions for travel Having paid for one ticket you are entitled to only one seat It shows selfishness to deposit a large amount of baggage in the surrounding seats and occupy three or four Unclassified laws of etiquette Never leave home with unkind words This advice is accompanied by watercolors and illustrations throughout Though these are tips originate from nineteenth century ideas you ll find that they certainly do still apply *Home millinery course* , *Hill's Manual of Business and Social Information* Thomas Edie Hill,1921 "*Scarlet and Purple*" Sydney Watson,1921 *Hill's Manual of Social and Business Forms* T.E.
