Scarlet Mistreb:

Demon Hunter Too Scott Juris,2004 The fate of the Demon Hunter Gabrielle has finally been decided This time however it has nothing to do with Kendrik the Vampire king of Mordith For her loyal service and dedication to her duty she is being expelled from the Hunters League all because of her two loyal Hell spawn servants Only a miracle or something equally large will allow her to remain a Hunter Setting out for what is likely to be her last time as a Hunter she is handed just the miracle she needs as something equally large in the form of a dragon finds her She makes a deal with the dragon that only a fool would make after the dragon reveals a secret which few are privy to Before she can make use of the miracle handed her she first has to recover the dragon s stolen gold and recruits two unlikely and unwilling volunteers one a thief the other a witch As the Demon Hunter s story continues and she makes both friends and enemies the only thing she can count on are her loyal servants and that things are not always as they appear

Demon Hunter Scott Juris,2003-09 A Hunter s life is not for everyone Those few who do take up the duty are in for an interesting life filled with constant travel boredom and loneliness punctuated by moments of sheer terror terror severe enough to send the strongest of men running for his mommy That is the way it s supposed to be but no one told the Demon Hunter Gabrielle that she would meet a Vampire whose fate she sees She also finds two wayward female Hell spawn whose service she gains for all of eternity This is just the beginning of her story as she deals with thieves bandits and drunkard witches before being drawn into a prophecy that tells of the coming of a great evil and her part in stopping it There is just the simple matter of keeping her Hell spawn servants out of trouble as well as out of the cross hairs of other Hunters And that Vampire will not leave her mind she cannot forget what she saw as she knows what fate that holds for her

The Woodmyst Chronicles: The Complete Collection Robert E Kreig,2023-03-17 From a faraway land comes a new adventure The Woodmyst Chronicles is the story of a small community that face the hardest of trials in a world filled with darkness violence and magic Starting with The Walls of Woodmyst this series is spread over ten high octane novels that will keep you wanting more

And the Demon Hunter Rested Scott Juris,2006-08 The Demon Hunter Gabrielle has long been silent on her past barely even speaking of it with her devoted faithful Hell spawn servants Blaze and Scarlet merely going so far as saying that when she went home they would go with her Now she will have to live up to that vow when a visitor arrives from home bringing her word that she is being summoned home by none other than the Queen of the Llorn Isles Not so reluctantly she agrees for it has been far too long since she left for her duty as a Demon Hunter Upon arriving home and after seeing her mother the Demon Hunter reacquaints herself with her siblings finding things haven t changed with her brothers but have changed with her sister whom she now gets along with and who has a request of her A request that is of a very personal and troubling nature But being home is not all about drinking brawling and other family matters for a messenger in the form of one of her children arrives with news that threatens her family and Princess Gabrielle must step aside for Gabrielle the Demon Hunter

Demon Hunter Fore! Scott Juris,2005-06

Returning to Mordith the Demon Hunter Gabrielle had only planned a short rest and to see what the Vampire king Kendrik has been up to However those plans are cast aside when she is asked by Kendrik to undertake a voyage to a far away land and discover the fate of several ships and their crews sent to the same land years before With her Hell spawn servants the Demon Hunter journeys to the new land and is purposely shipwrecked by the inhabitants of the land As she recovers from a near drowning she finds the people she is with are not the same people who stranded her and the ship s crew on this unknown land What she soon discovers is beyond her wildest imagination when she meets the true ruler of the land When she explains the situation to him he is ready to punish those who are abusing the trust of his children But with the aid of the Demon Hunter they hatch a plan to stop the bad guys There is only one small matter left to be dealt with after that getting home

Demon Hunter Vee Eye Scott Juris,2006 They are the most feared reviled despised hated creatures in all the world and those are their good points But they aren t the Demon Hunter Gabrielle s Hell spawn servants just their pet Gremlin When the Girls Blaze and Scarlet begin to miss the baby dragons they cared for and more so after taking care of a Demon Dog the Demon Hunter reluctantly very reluctantly agrees to permit them to have a Gremlin for a pet But with so little known about them except for the fact that outside of nature Gremlin are the most destructive force there is the Demon Hunter is understandably concerned Yet as the Girls tend their pet while they ride and the Demon Hunter performs her duties Gabrielle is beginning to think there is much more the Gremlin Something that may be far worse

Demon Hunter Me Three Scott Juris,2004-06 Having recently returned to the Hunters Legion the Demon Hunter Gabrielle is soon to return to her duties Events soon delay then accelerate her doing so when news arrives that a village has been destroyed and a Dragon may be to blame All eyes turn to the Dragon who has allied himself with Kendrik the Vampire King But only the Demon Hunter believes the Dragon who she has come to know was not responsible Things go from bad to worse with the arrival of elves who have come to kill the Dragon for destroying an elfin town and army But things are worse still when the Dragon finally hears of all this and takes off in search of the Dragon who has invaded his territory The elfin army still out for revenge goes after the Dragon The Demon Hunter enters the fray to keep things from getting any worse But when the Dragon finds the other Dragon and the elfin army catches up another player joins the party An old foe and one time ally of the Demon Hunter this new member reveals something that catches everyone by surprise Leaving the Demon Hunter to take charge in ways only she can
